TWO DEADLY ENEMIES OF MANKIND.

Constipation and Ill-Health Banished by Dodd's Dyspepsia Tablets.

They Cannot Exist where Dodd's Dyspepsia Tablets are Used—A Splendid Medicine Gentle but Positive, Simple but Effective.

Nine out of every ten people in the Dominion have been taken medicine for "The Grippe," at one time or another, during the past two months.

In every one of these cases, it is safe to say, the effect of the medicines used, have been to cause Constipation to a greater or less extent.

Constipation is one of the commonest and most dangerous diseases known today.

Babies inherit the tendency to it from their parents; men and women

suffer from it at all times and seasons. Good health and Constipation can never go together. Ill health and constipation are inseparable companions. And ill-health leads to the grave. Dodd's Dyspepsia Tablets are a thorough and perfect remedy for this complaint. They act first on the food in the stomach, which they digest thoroughly, and prepare for the action of the bowels. Then they restore full and natural strength and activity to the bowels. Then they restore full and natural strength and activity of the bowels, and enable them to carry the useless, refuse matter separated from the food, out of the body.

Dodd's Dyspepsia Tablets are not a cathartic. They do not gripe. Their action is gentle, but positive. They restore natural conditions. Their effect is felt in a very short time, and is permanent.

Dodd's Dyspepsia Tablets are sold by all dealers in medicine, at fifty cents a box, six boxes \$2.50; or are sent, on receipt of price, by The Dodd's Medicine Co., Limited, Toronto.

S' SIDE AND PRINCE OO

This is election day.

THE GUARDIAN regrets to learn that Mr. and Mrs. D. S. Wright of Searltown are quite ill with la grippe.

THE luxury of a very small foreign mail was enjoyed yesterday afternoon after a lapse of several days.

By a private letter it is learned that Mr. S. L. T. Harrison, formerly Teller of the Merchant's Bank of Halifax here, is to remain in the Head office at Halifax.

Mrs. W. P. BAKER, who has been seriously ill for some time, was reported worse last night. Her son Mr. J. B. C. Baker of THE GUARDIAN was called by telephone and will arrive by this morning's train from Charlottetown.

By a private letter received here yesterday it is learned that Miss Annie Ackerman, who formerly resided here died on the 6th inst., at Chicago. Miss Ackerman, had a great many friends in Summerside, who will be sorry to learn of her death, and will sympathise with her aged mother in her bereavement.

THE telephone connection between the Summerside Branch office of the GUARDIAN and the outside world snapped suddenly last Saturday morning. It is possible that some weighty matters were being forwarded and that the wires became overheated under the strain. It is also possible that they may have rusted out through disuse. In either case it is a serious inconvenience and as the break involves several other telephones, it is hoped that a readjustment will be effected as soon as possible.

It is unfortunate that Prof. Robertson and Macoun's meeting in Market Hall tonight will conflict with the annual mutual congratulation meeting always looked for after the result of the civic election is announced. It is usually in order for the successful candidates to thank the electors assembled for that purpose in Market Hall, and for the unsuccessful ones to publicly declare the reasons for their defeat. This treat will be lost on this occasion, but no doubt the learned agriculturists will be able to give something equally practical, and the successful aldermen can wait for a more convenient season.

MESSRS ROGERS & ROGERS have admitted into partnership Mr. Charles R. Rogers, son of Hon. B. Rogers of Alberton, who will hereafter be associated with them under the old firm name. Mr. Rogers' popularity, long experience and business connection will add very materially to the strength of this already strong and enterprising firm. They purpose opening a branch of their bicycle and general agency business in the R. C. McLeod building on Kent St. Charlottetown early in March which will be under the management of Mr. W. K. Rogers, while the establishment at Summerside will be conducted by Messrs W. P. and Chas R. Rogers. The firm is to be congratulated on the rapid growth of their business and this year with increased facilities they will be in a better position than ever to extend their territory and attend to the wants of their customers.

My husband's legs, from knee to toes, were itching with Eczema. He had no rest day or night, and would scratch so his legs would be raw.
