2.17 TROT.

Four Year Old Futurity. Worthy 2.19, Bessie Kalmuck Hillside Jack, Honey Girl, Le... Margaret Abbe, Major Bowes, N... Volo, Peggy Volo, Silent Mac, Volo Scott, Royal Mac. This is the best and largest Four Year Old Futurity since the inauguration of the stakes, and everyone expects to see it turn out a great race from every standpoint.

2.16 Trot and Pace. There are 19 horses entered in this class and one can be fairly sure of seeing Walter Brown 2.05¼, that has not lost a race this year; Volo Ray 2.05; Nancy Carroll 2.08¼; McElwyn the Great 2.09¼; Peter Reaper 2.07½; Killarney 2.08½, and Josie the Great 2.10, hook up in a pacing duel that will afford plenty of thrills.

2.17 Trot. Alliset 2.11; Hal Britton 2.16; Harvest Melody 2.10¼; Aylmer Worthy 2.15; Hal Boojum 2.17; Millie Kalmuck 2.12 and Squire Hanover 2.16¼, are almost sure starters. It will be one of the best fields of trotters that has been seen in an Exhibition race for several years, and if the day and track are favorable, miles in 2.10 will be a sure thing.

This statement may seem a rather strong one, but it does not refer to the time hung out—although they will pace in 2.10 or very close to it—but there are so many horses so evenly matched that the racing is bound to be good.

Free For All Trot and Pace. Guy Britton 2.03; Guy Toddler 2.06¼; Marvin Brooke 2.04¼; Marjore M. 2.07¾; Walter Brown 2.05¼; Abner T. 2.22 Pace. Balbo 2.15; Doris Mercury 2.16; Direct L. 2.13¾; Hi-Sox 2.15; Jerry Bars 2.12½; Klondyke Grattan 2.14; Miss Counter, Miss Victoria, Nita Volo 2.18¼, Nellie Grey 2.17, Starrett Volo, Skippy Dale and Rosebud 2.19, is a partial list of likely starters in what promises to be one of the best 2.22 pace classes ever raced over the Charlottetown track.

Speaking of broadcasts, coast to coast broadcast of ... vincial Fair that has ever ta... place in Canada—and for that matter the first harness horse racing that has ever been broadcast from coast to coast—will take place next Wednesday afternoon at four o'clock and continue until 4.15 from the Provincial Fair grounds, Charlottetown. Most of the leading newspapers in Canada will carry advertisements announcing the fact so in all probability numbers estimated at from one to three million persons will listen in on Charlottetown.

This evening will be one of the busiest at the Provincial Exhibition race grounds, where dozens of horses will come in by train and get settled for next week's events. The total number of horses entered is in the vicinity of 100, but there are some withdrawals, leaving about 90 to occupy the 112 stalls. This will fill them up to capacity as extra stalls have to be provided for harness and equipment. The 45 stalls destroyed by fire early Monday morning, August 1st, were completed at Wednesday noon, August 10th. All the workmen were unemployed men, but they rushed the work at high speed, setting a probable record for construction work in this city. It seems strange to the writer that more of these men cannot be employed as they are exceptionally good workmen, grateful for work and could be utilized in new construction or repairs to advantage. Tom Harper was the capable foreman in charge and also built the 37 stalls of the Riding Club stables two weeks previously.

Skowhegan, Maine, fair will be held next week on the same dates as Charlottetown. Their program of racing has drawn a splendid entry list and they always have a fine line of acts.

A driver who appears to have stepped out of the past, wearing whiskers and habiliments of Dan Mace, Jimmie Goldsmith and other old-time veterans, is Pat O'Connell, who bred, trained and is racing a sterling trotter named Kelly. Over several different race tracks Kelly has been 1-1-1 and horse and driver get ovations from the grand stand at each appearance.

Squire Hanover, that was only beaten inches in 2.11 at Montague by Alliset, was sold at the Old Glory sale a few years ago as a two-year-old, by Hanover Shoe Farms. Race fans this year will have a better chance than ever of viewing the races from the minute the word Go is given until the horses flash under the wire. Erection of a new grandstand has looked after this angle and again it was a case of an improvement over the old. As stated before all this hasn't been easy but the best wasn't any too good for the wonderful Fair that will be officially opened Monday night next and to those indefatigable workers that are responsible for the staging of it too much credit cannot be given for it is a credit not only to them but to the Garden of the Gulf in general.

With an entry list assured that even betters the starry band of racquet wielders that performed here last August everything is in readiness for the opening of the Eastern Canadian championships that start a week of tennis on the courts of the Charlottetown Club Monday morning.

* * * *

Headed by a strong delegation from Upper Canada including Laird Watt, McDiarmid and George Robinson who recently took a set from Frankie Parker in the Canadian championships, and a host of others as well as a group of stars from New Brunswick and Nova Scotia, the championships bid fair to even surpass the tennis played last year, and fans should witness a thrilling week of racquet battles.

* * * *

Island players will be well represented also and the experience they will gain will be well worth while as is well witnessed by the improvement shown by some local players who took part in last year's tournament. Also all the necessary arrangements and work connected with a meet as big as this one have been completed by an energetic local committee and the matches will be run off in a smooth efficient manner as was the case last year, probably a fact that was responsible in no small way for having Charlottetown selected as the site for the second successive year.

Ottawan Wins Aggregate At Dominion Shoot

(C. P. by Guardian's Special Wire)

CONNAUGHT RIFLE RANGES, South March, Ont., Aug. 12—A Prince Edward Island marksman and one from Toronto squeezed their way into the final of the Governor-General's medal event in a shoot-off with 29 others at the Dominion of Canada Rifle Association meet.

Lieut. P. Hooper of Milton, P. E. I., and Csm. G. M. Emslie of Toronto won the last two places on the list of 150 who will shoot in tomorrow's final. They and the other 29 had been tied with scores of 93 in yesterday's qualifying stage that was headed by Mrs. Gwen Spencer-Hethey of Victoria with a possible 105.

Company Sergeant-Major Harry Rusk of Ottawa won the Grand Aggregate it was announced today.

The Ottawa sharpshooter compiled 563 points to win the D. C. R. A. silver cross, awarded to the competitor making the highest aggregate scores in the Macdougall, Walker, Bankers', Macdonald Brier qualifying stage of the Governor-General's and City of Ottawa Matches.

Captain Hilton Proctor, another Ottawa marksman, took second place with 562 points, while Sergt. J. Borland of Toronto was third with 561.

Lieut. Colville won the City of Ottawa Match, one of the four fired today. He posted a 98 over a possible century at 200 and 900 yards, 10 shots at each range.

The Michael Faraday Match proved an interesting competition between teams of Imperial Cadets and a team of Canadians. The English team won, the scores being British 492, Canadians 488. The match was fired at 300 and 500 yards.

Aircraftsman T. W. Gregory of Ottawa won the King's Medal competition with 168 points of a possible 200.

Sergt. H. H. Armitage of Windsor, Ont., won the Consolation Match with a 66, four short of possible.

Australians And Japanese Split Matches

(By Douglas Amaron, Canadian Press Staff Writer)

MONTREAL, Aug. 12—Two master men of the courts shared the spoils today as Australia and Japan divided the opening matches of the North American zone finals for the Davis Cup.

Jiro Yamagtshi, a stylist who rose to the peak of his game when under pressure, saved the day for the Japanese with a 6-0, 5-7, 7-5, 6-4 victory over young Jack Bromwich after Adrian Quist had turned back the challenge of little Fumiteru Nakano 6-3, 4-6, 9-7, 6-1.

The result left the issue of deciding an opponent for Germany in the interzone final still far from decided and heightened interest in tomorrow's doubles match.

Captain Tamio Abe said tonight Yamagtshi and Nakano would represent Japan. Harry Hopman, Aussia captain, chose Quist and Bromwich, a combination undefeated in two years of international competition.

Yamagishi had too much polish for Bromwich today and Quist too much experience for Nakano. The first match was the closer as Nakano matched his Anzec opponent stroke for stroke until the last set, but the second produced by far the better tennis.

Playing a finer game than he showed against the Canadians in the zone semi-finals here two weeks ago, heavily-set Yamacishi ran his ambidexterous opponent into the turf with an assortment of shots that dazzled the capacity crowd of 3,000.

Bromwick matched the fast-moving Japanese in baseline duels but could not compete with his tantalizing drop shots and perfectly placed lobs. Only in the second set, when Yamagishi lost his touch, was there any doubt about the outcome.

Quist, on the other hand, had trouble right to the end with his diminutive rival. Seven times in the last game Nakano saw the Aussie hold set point advantage and six times grim determination carried him back to deuce before Quist finally smashed a kill to the corner far beyond the Japanese reach.

Tennis Stars Gather Here For Tourney

Ranking tennis stars from Eastern Canada and the Maritimes were converging on this Island capital today in preparation for the Eastern Canada championships which will open on the courts of the Charlottetown Tennis Club Monday.

Laird Watt, member of this year's Dominion Davis Cup team led the parade into town, having arrived earlier in the week with a delegation from Montreal. Watt was a finalist in the tournament held here last year losing out to Ross Wilson of Toronto. Wilson will not compete this year, but Ontario will have a worthy representative in Gordon Robinson, Niagara Falls, whose feats in the Dominion championships held at Toronto stamped him as an up and coming young star.

Don McDiarmid, Ottawa Valley champion, with a strong contingent of Maritime players led by Bev. Piers provide plenty of opposition for Watt and Robinson in the men's singles.

Mrs. Harold Jones will defend her women's crown against a strong field including Miss Julien Dugal of Quebec City, Miss Eleanor Bourke, Prince Edward Island champion, and Miss Isabel Matheson, New Brunswick champion.

Bees And Indians In Softball Tilt

Indians and Bees meet in a City Softball League encounter Sunday afternoon at the Park diamond with the Bees still in the running for a playoff position needing every victory from now on if they are to edge out the Imperials. Indians on the other hand now trail the Rovers by two points for the league lead, so it can be seen the game means something to both squads.

Both teams will have strongest lineups on hand for the game and the "Hive" still with plenty of sting left should make it mighty interesting for the hard-hitting "Tribe."
