Large, Red Pimples Covered Her Face

Miss Mable Moore, Blenheim, Ont., writes:—"A short while ago my face was covered with large, red pimples. I tried several remedies, but all failed. At last a friend advised me to take

BURDOCK BLOOD BITTERS

CHAPTER XXXIV

On the Edge

Sally suddenly burst into tears. Her emotions had been played on so continuously that evening, that Myra's few words were the last straw.

From the exalted young goddess who had emerged from Richard's arms that evening, Sally was reduced to a crying little girl. She was uncertain of herself, terrified of the future, and overwhelmed with conscience.

Myra wisely kept away from her. At first she had been tempted to comfort Sally and then she had decided that it would be unwise to do so.

Sally was 28. She ought to know her own mind.

At last Sally's tears dwindled into a few dry sobs. She was wiping her eyes with a wisp of a handkerchief.

"O, Myra!"

"Yes, lamb."

"I don't know what I want. What do you think?"

Myra wisely kept away from her

Myra shrugged. "How can I say? It all depends."

"I don't care a thing about his money," Sally said passionately. "I'd feel just the same if he were poor. It isn't that! But I do care for him. There's something about him, something marvelous, something I can't describe."

Even as she spoke, she was ashamed because she felt as if she were being unfair to Richard. Would he like Myra to know? And yet why not? He had concealed nothing. He wanted to marry her. His one thought was to make her happy. And Myra would have to know sometime.

Myra felt suddenly triumphant. Tonight it did not occur to her that her influence over Sally was not a good one. She could not see why it wouldn't be wiser for Sally to marry Richard.

"As I said before," she returned calmly, "I can't advise you. Weigh things carefully and then decide. You're only 28, with all of life ahead of you. Personally, I feel that Tom will never get very much beyond Center Valley. He isn't the type. I'm fond of Tom, Sally, really I am, but you've been married to him long enough to realize what he is. A sweet boy, but nothing more. Now, Richard Alden—"

But Sally was interrupting.

"Oh, Myra, that's it. He is a sweet boy. And, there's Marjorie too. Tom has never been anything but sweet to. It isn't fair to him."

"Why not?" Myra's voice was crisp. "It's your life, isn't it? And you say you care for Richard Alden!"

Sally's gaze was wandered to the porthole. The moon had set, but there was a blue gleam on the sea. As Myra had said, she was only 28. Oughtn't she to consider herself at all?

What did she want? The boyish adoration of Tom, or Richard's more sophisticated love full of romance!

"Oh, Myra!"

Myra laughed.

"Yes, Sally, I'm here, but after all, you must decide for yourself. He's told you he loves you, hasn't he?"

"Yes".

"And you?"

Sally turned, so that Myra's keen gaze could not reach her. She felt like the most beastly little hypocrite.

"Well?"

Sally whirled almost flauntingly. "I do love him, and I told him so"!

"Well?"

"Oh, you speak so calmly, as if it didn't matter. But it does. I'm bewildered. I don't know what to do. I hate myself too, for telling you all this. it doesn't seem fair."

"Nonsense," Myra returned calmly, "it's perfectly fair. But as I told you before, Richard Alden isn't the type of man to be kept waiting. You'll have to make up your mind what you want to do."

Gas In The Stomach Is Truly Dangerous

Gas, Pain, Bloating and a feeling of fullness after eating are almost certain evidence of excessive hydrochloric acid in the stomach.

Too much acid irritates the delicate stomach lining, frequently causing chronic Gastritis and dangerous Ulcers. Food ferments and sours, forming a gas that distends the stomach and often seriously affects the Heart.

It is genuine folly to neglect such a condition or to treat with artificial digestive aids that cannot neutralize the stomach acid. A better way is to get from your druggist a few tiny tablets of Bisurated Magnesia and take three or four of them after each meal. This famous but simple and inexpensive stomach sweetner and anti-acid can be depended upon to prove its value in less than five minutes. In most instances, relief comes instantly! Pleasant and perfectly harmless to use—Bisurated Magnesia tablets do give wonderful relief in nine out of ten cases. Ask your Doctor or Druggist.

Topic for the Week

"CHRIST IS A SPIRIT"

Tuesday

"It Makes His Life Significant"

SCRIPTURE: Read—Philippians 2:1-11.

"He that hath seen me hath seen the Father" (Jn. 14:9). "The first man Adam became a living soul. The last Adam became a life-giving spirit" (ICor. 15:45.) "But we all . . . beholding as in a mirror the glory of the Lord, are transformed into the same image from glory to glory" (II Cor. 3:18.)

See—John 5:19, 15:24; Hebrews 1:1-4.

MEDITATION: It is good that there was once so fine a character. The conception that this goodness is at the heart of the universe means everything. Suppose instead there were selfishness and cruelty at the center of things; suppose even that there were indifference there. That would make indifference, selfishness or cruelty logical standards for our lives.

"I have never looked upon the fruitless human soul. Never till I found Thee. But Thou hast answered to the pattern in my heart."

HYMN:

Lord of all being, throned afar,
Thy glory flames from sun and star;
Center and soul of ev'ry sphere,
Yet to each loving heart how near!

Lord of all life, below, above,
Whose light is truth, whose warmth is love;
Before Thy ever-blazing throne
We ask no luster of our own.

Grant us Thy truth to make us free,
And kindling hearts that burn for Thee,
Till all Thy living altars claim
One holy light, one heavenly flame.
—Oliver Wendell Holmes, 1848.

PRAYER: Thanks for our ideals and joys.

Pray for—submission to God's will; honest doubters; schools.

Collect—Our Father in heaven, whose patience knows no bounds, we thank Thee for the oncoming of Thy kingdom in the world, and for the means of grace in our lives. We bless Thee for the Son of Man; serving in Galilee, loving in Judea, triumphing in Gethsemane, atoning on Calvary and rising from the grave. We rejoice in our redemption through Him and in the hope of immortality brought to light by Him. Yet in our weakness we have set our hearts on things on the earth. We have thought success better than righteousness and ease desirable above service. In Thy patience brood over our dull spirits till love awakens in us. We commit ourselves to the Son of Man in holy living and loving service, for His name's sake. Amen.

Women's Happiness

Rests largely on solving their oldest hygienic problem *this new way*—true protection; discards like tissue

By ELLEN J. BUCKLAND
Registered Nurse

TO be fresh and charming every day, to live every day unhandicapped, to wear sheerest frocks without a second thought, any time, anywhere . . . you can now do all, by a new way.

It is called "KOTEX." Ends the insecurity of the old-time sanitary pad. Five times as absorbent! *Deodorises*, too. And thus ends *all* fear of offending.

✓ As easily disposed of as tissue. No laundry, no embarrassment.

You get it at any drug or department store simply by saying, "KOTEX"; you ask for it without hesitancy.

Eight in 10 better-class women employ it. Proves the unnecessary risk of old ways. Insist on the genuine. Only Kotex itself is "like" Kotex.

May Return

TRURO, Mar. 12.—Gordon Kuhn, the flashy player of the famous Truro Bearcats who is at present in the "Hub," will likely return soon to Ontario. Kuhn has received two offers from Ontario hockey clubs to play there next hockey season, one of the offers being from a professional club.

Kuhn speaks highly of the treatment accorded him while he was in the upper provinces and says times will be good there this coming summer.

"A Lovely Skin for an Ugly One"

"Since starting your IRONIZED YEAST I have found wonderful improvement. The pimples on my face were very bad and now they are gone. I thank you very much and I will never forget the benefits I have received from IRONIZED YEAST, recommending it to all my friends."—Miss Annie B., Montreal, Canada.

It seems incredible how fast IRONIZED YEAST adds pounds of good firm flesh—on women and men, children and old people. Doctors know the value of vegetable iron and yeast in building up and improving the body. IRONIZED YEAST, in a highly concentrated form, contains all the blood-building properties of vegetable iron with yeast. It is *nine times more effective than a cake of ordinary bakers' yeast or iron alone.*

New Complexion For You

People ask—what is the magic in IRONIZED YEAST that transforms sallow, lifeless, faded complexions into the fresh, smooth, lovely skin of early girlhood? Wrinkles disappear. Eyes renew the sparkle of youth. Hollows fill out.

Thousands have given up cod liver oil for IRONIZED YEAST. Gives all the weight-building benefits of the oil. Vegetable iron and yeast have been used for years to vitalize the body; to make rich, healthy blood; to improve digestion and bowel action and add weight. In IRONIZED YEAST these two valuable elements are combined in a special formula that is nine times stronger than yeast and iron used separately. That's why IRONIZED YEAST works so quickly. So get a generous test treatment—60 nice tablets in a handy package. No nasty, pasty taste—Safe to take—contains no harmful drugs.

Overheard In Tryon And Vicinity

(By Wandering Scribe.)

It is with regret we learn that Henry Smith, one of Tryon's leading citizens, and farmers has been forced to enter the hospital for treatment, possibly an operation. He left Wednesday morning for Halifax where he will receive treatment.

Mr. H. A. Affleck, Albany's genial produce dealer has recently purchased three beautiful black percheron mares, which will be used on his farm near there. He purports I understand growing a large acreage of potatoes this coming season.

The hockey season is practically over in East Prince as all rinks are reported unfit for use "Old Sol" is sure getting his innings now. No doubt with hockey in the wane our local athletes will eagerly look forward to May and baseball.

We are gad to see Mr. Stetson McRae, North Tryon with his coat sleeve once more occupied. However Stet says it is rather stiff yet although six weeks have elapsed since he had the shoulder broken.

Mr. L. F. McKenna (The Little Barber), Albany, is doing a good business these fine days.

Mr. Augustus Waddell, North Tryon, visited Charlottetown recently on business.

It is reported that Mr. Camden Holland, the well known horse dealer was seen the other evening leading home a beautiful grey, which he secured in the vicinity of Cape Traverse.

Mr. Fred Bell, Cape Traverse, visited Tryon Thursday evening on business. —Z.
