Periodic—Eye Examinations

Don't wear your glasses for five or ten years, as some do, without re-examination, for in that time serious changes are vitally important, whether one's eyes are good or otherwise.

Guard your eyes.

—THE KENSINGTON Young Peoples Society will present a variety concert including a one act play “Mix well and stir” in Stanley Hall, Tuesday, May 10th, at 8.15. Admission 25 and 15 cents. 2938-5-9-2

—IMPORTANT MEETING — A meeting will be held Monday evening, May 9, at 7.30 in the Town Hall, Summerside, for the purpose of forming an organization with the idea of co-operating with other established agencies in combating fox diseases. All interested in the welfare of the fox industry are requested to be present 2919-5-7-21

—MUCH INTEREST SHOWN—Considerable interest is being taken by the fox breeders of Prince County in the meeting, which will be held this evening in the Town Hall, Summerside. The meeting will deal largely with fox diseases and the methods of combating them. Now that the pups are arriving the question of disease among the foxes is a very serious one. The meeting is sponsored by leading fox men.

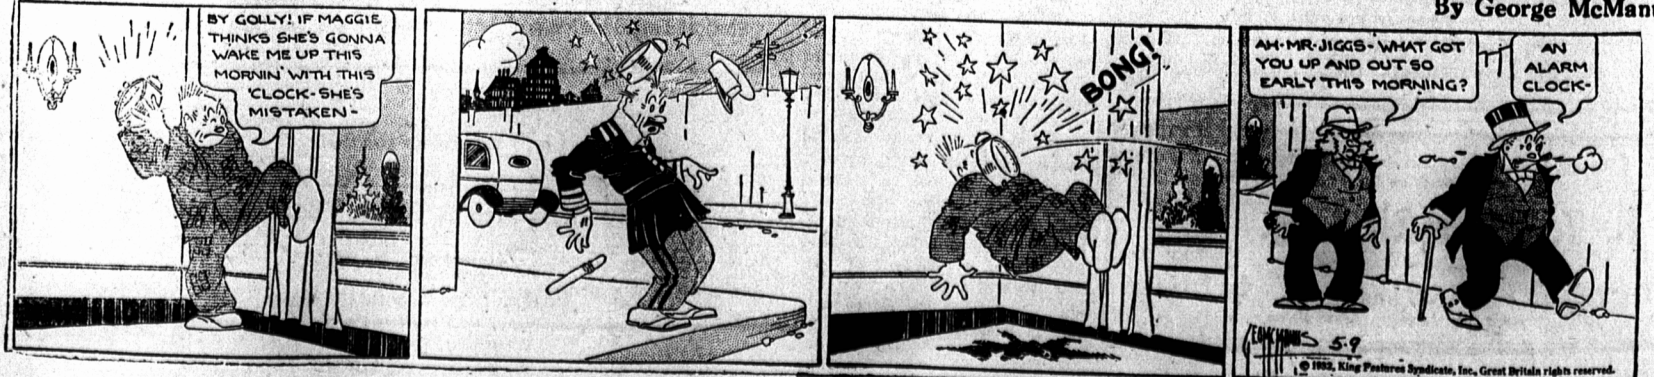

—AT THE RAINBOWS EDGE—One of the prettiest performances ever put on in Summerside was staged by the C. G. I. T. of Trinity United Church in Epworth Hall last Friday evening. The operetta called the “Rainbow's Edge” was under the capable direction of Miss Millicent Strong assisted by Miss Meadows. The little girls were charming in their pretty dresses and delighted the audience with their dainty little songs and dances in which they told the story of the Rainbow's Edge. “Bow Wow”, faithful floppy-eared guardian at the Rainbow's Edge had a difficult part but the little girl who represented him acted the part to perfection and amused the audience with her funny little antics. The Brown Bears, Raven and Robin Red Breast were all most delightful. The dainty spring flowers, the little snowflakes, Frost King, Jack Frost, Nurse Nature, Dream Fairy, Rainbow Elves and the Sunbeams all took their parts admirably and reflect a good deal of credit on those who trained them. The scene was laid in a pretty wood and remained the same throughout the three acts. The unborn flowers, guarded by Nurse Nature, Bow Wow and the Dream Fairy, slumber in their earth cave awaiting the call of spring. The Rainbow Elves come to tint the flowers new dresses, they depart leaving the flower dresses and rainbow colors. Tricky Jack Frost and the Snowflakes steal the dresses. Cheerful Robin Red Breast and doleful Raven disclose the Frost Kings plot to steal the flowers themselves. The Brown Bears come to aid Nurse Nature but are driven back by the Frost King and his allies, who are about to carry off their prisoners to the ice palace, when the Sunbeams arrive and turn defeat into victory for Nurse Nature, and the flowers. There is great rejoicing when Bow Wow discovers the hiding place of the stolen flower dresses. A joyous finale of all the characters express a greeting to Spring. The Archer boys and Miss Leavitt played selections during the intermission. There was a sale of candy.—S

BRINGING UP FATHER

I know Tires, and I say...

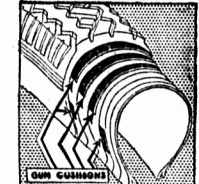

“Buy the ROADCRAFT”

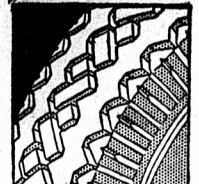

“ALL day long I'm working on tires—I know them all. And I say that even if it didn't have Gum Cushions, the Roadcraft Tire would be as good a buy as any ordinary tire. And with Gum Cushions to protect the cord fabric, plus the Resisto Tread, it is by far the best value for the money on the market.”

Go to your nearest Gutta Percha Tire dealer—ask him to tell you about these remarkable tires—find out for yourself how cushions of pure gum rubber are built in between the layers of cord fabric, and how they absorb the shocks that cause ordinary tires to fail. See for yourself why the lower-priced Roadcraft Tire—built by Gutta Percha—will give you more mileage, better satisfaction, greater value for your money from the first day on.

GUTTA PERCHA & RUBBER, LIMITED - Head Office: TORONTO
Branches from Coast to Coast

GUM CUSHIONS
An Extra Value
Cushions of pure gum rubber moulded in between the plies of cord fabric, making a “bearing” that reduces friction and wear at these points as effectively as ball bearings do in machinery.

WIDER TREAD
An Extra Value
The Roadcraft Tire has extra width of tread which gives extra traction and extra protection from skidding. The tread is carefully designed to give the maximum grip of the road surface.

—Mr. Louis Gallant of St. John, N. B., is the guest of his sister, Mrs. Louis Ragavet of Summerside.—S

—Mr. Charles Woadside of Margate had the misfortune to fracture his wrist on Friday when he was cranking his car and was brought to the Prince County Hospital for treatment. He returned to his home that evening.—S

from the surrounding districts which shows the keen interest that the farmers take in their club. The meeting opened with Mr. M. O. McLeod in the chair. The business of the year was read by the secretary and a sufficient sum of money was voted for the purchasing of a registered boar pig which will be kept by Andrew Redmond, and which will be a great boon for Cardigan hog raisers, as Cardigan came third on the Island for selects. Mr. H. W. Clay urged on the listeners the great necessity of listing live stock with secretary at least five days before loading. Mr. Clay explained very clearly of the distributing of rams and told how they could be obtained and the necessity of high grade lambs as well as hogs, and of marketing in a proper way. A vote of thanks was tendered to Mr. Clay for the keen interest he took in our club.
