To Be Dyspeptic Is To Be Miserable.

Dyspepsia is the prevailing malady of civilized life. It is largely due to gross errors in diet, over-eating, too free indulgence in stimulants and over-tiring the stomach with indigestible food, eating too rapidly without chewing the food sufficiently, indulging in hot biscuits, pastry, pickles, condiments, etc.

Constipation, headache, heartburn, sour stomach, distress after eating, belching of wind, flatulency, and fullness and distention of the stomach are a few of the many distressing symptoms of the poor, weary dyspeptic. Burdock Blood Bitters regulates the stomach, stimulates the secretion of the saliva and gastric juice to facilitate digestion, removes acidity, purifies the blood, and tones up the system to full health and vigor, and thereby cures dyspepsia and all its tributary diseases.

Mr. Amos Swaine, Gold River, N.S., writes:—"I was greatly troubled with dyspepsia, and after trying several doctors to no effect, I commenced taking Burdock Blood Bitters and I think it is the best medicine there is for that complaint."

Was Troubled With Weak Back For Years.

Could Not Perform Household Duties. Doctors Attended Without Avail.

Mr. Arch. Schuman, Black Point, N.B., writes:—"For years I was troubled with weak back. Oftentimes I have lain in bed for days, being scarcely able to turn myself, and I have also been a great sufferer while trying to perform my household duties. I had doctors attending me without avail and tried liniments and plasters, but nothing seemed to do me any good. I was about to give up in despair when my husband induced me to try Doan's Kidney Pills, and after using two boxes I am now well and able to do my work. I am positive Doan's Kidney Pills are all that you kidney sufferers to give them a fair trial."

Doan's Kidney Pills are a purely vegetable medicine, realizing quick, permanent relief, without any after ill effects. A medicine that will absolutely cure Backache and all forms of Kidney and Bladder Diseases.

A medicine that strengthens the kidneys so that they are enabled to extract the poisonous uric acid from the blood and prevent the chief cause of Rheumatism.

Marine Gasoline Engines.

For the past six years we have been endeavoring to get a thorough knowledge of the severe conditions under which a fisherman often finds himself placed on the exposed coast waters of the Maritime Provinces. To consider the requirements of their business, what style of engine will best meet all demands, put upon it and still not take up too much room or interfere with the handling of sails, traps, etc., in boats. The engine which we are now offering is the result of these years of study and is for all practical purposes far ahead of anything yet sold in these Provinces. Our marine engines require little space, no delicate pieces to get in the way of swinging booms or sails; they are entirely free from mechanical complications that require mechanical training or special engineering skill to operate. Our chief aim one that would withstand the severest test of constant usage, and we believe that our efforts in this regard have been entirely successful. The fishermen of the Maritime Provinces. We will be pleased to send catalogues and further particulars on request.

Prevents as well as Cures

"Father Morrissey's No. 10" (Lung Tonic) Goes a Step Further Than Other Cough Medicines.

Left to themselves, most "Common Colds" will run their course and depart. But they leave reminders in the shape of lingering, irritating coughs and weak throats and lungs.

There are many cough medicines on the market that help to stop a cold, but they do it because they contain Opium, Morphine or similar drugs that simply quiet or deaden the irritation, but do not remove the cause. Such medicines do little or no permanent good and often a great deal of harm, particularly to children.

"Father Morrissey's No. 10" is made of Roots, Herbs and Balsams, without a trace of Morphine or any other harmful drug. It goes straight to the root of the trouble and removes the cause of the cough. It restores lungs and throat to a healthy condition, tones them up, and makes them stronger than ever to resist colds and more serious diseases. Trial bottle, 25c. Regular size, 50c. At your dealer's or from Father Morrissey Medicine Co., Ltd., Chatham, N. B.
