

Relief for Bowel Trouble

Here is a laxative—not a purgative—but a pleasant, easy-to-take tablet that tastes just like candy, that children like, that is ideal for invalids and aged persons. We guarantee it not to cost you a penny if it does not satisfy you. Don't doubt or hesitate—make us prove it.

Consult Your Doctor

We believe your doctor will tell you that about 95 per cent of all human ills are indirectly caused by unclean and constipated bowels. You know the first question the doctor asks when you consult him is, "Are your bowels regular?"

When your bowels are not naturally exercised such as they would be if you took a good brisk walk of six or seven miles a day out in the open, they require artificial exercise and a corrective tonic that will soothe and strengthen while regulating the bowels to natural action.

Free If it Fails

We have so much faith in Rexall Orderlies as the safest, most dependable, easiest-to-take, quietest acting and most thoroughly good remedy for bowel trouble, that we offer them with our positive guarantee that if they do not satisfy for any reason whatever, we will hand back the money you paid for them.

Don't doubt or hesitate. Make us prove our claims. Come and get a box of Rexall Orderlies today.

CAUTION: Please bear in mind that Rexall Orderlies are not sold by all druggists. You can buy Rexall Orderlies only at the Rexall Stores.

WEDDING BELLS—A quiet wedding was solemnized in the Pro-Cathedral yesterday morning when Miss Mary Theresa Doyle became the wife of Mr. Frederick Purser, fireman of the S. S. Northumberland. The ceremony was performed by Rev. Dr. G. J. McEllan. The bride was attired in a grey traveling suit and wore a picture hat suitable for the occasion. Owing to none of the bride's sisters being at home, she was attended by her sister-in-law, Mrs. W. Doyle, while the groom was supported by Mr. Arthur Wood. After the ceremony they drove to the bride's home, where a sumptuous breakfast was served by the bride's mother, Mrs. M. Hughes. Many beautiful presents were received which goes to show the esteem in which the young couple are held. The Guardian joins in wishing Mr. and Mrs. Purser many years of happy wedded life.

WOMEN'S MEETING—A very largely attended meeting of the residents of North Wiltshire and vicinity was held in the Hall on Friday evening. An opportunity will be given and assistance rendered by the Department of Agriculture and it cannot but be of value in the improvement of home and social life. Some remarks were made by Mr. William Clark, who was one of the chief movers of the meeting, and was largely instrumental in making it a success. A hearty vote of thanks was moved to Mrs. Dunbreck, after which the meeting adjourned, everyone present being satisfied that a very pleasant and profitable evening had been spent. Last evening Mrs. Dunbreck spoke at York. WHERE DOCTORS FAILED TO HELP

Lydia E. Pinkham's Vegetable Compound Restored Mrs. Green's Health—Her Own Statement.

Covington, Mo.—"Your medicine has done me more good than all the doctor's medicines. At every monthly period I had to stay in bed four days because of hemorrhages, and my back was so weak I could hardly walk. I have been taking Lydia E. Pinkham's Vegetable Compound and now I can stay up and do my work. I think it is the best medicine on earth for women."

—Mrs. JENNIE GREEN, Covington, Mo.

How Mrs. Cline Avoided Operation.

Brownsville, Ind.—"I can say that Lydia E. Pinkham's Vegetable Compound has done me more good than anything else. One doctor said I must be operated upon for a serious female trouble and that nothing could help me but an operation. I had hemorrhages and at times could not get any medicine to stop them. I got in such a weak condition that I would have died if I had not got relief soon. Several women who had taken your Compound, told me to try it and I did and found it to be the right medicine to build up the system and overcome female troubles. I am now in great deal better health than I ever expected to be, so I think I ought to thank you for it."

—Mrs. O. M. CLINE, S. Main St., Brownsville, Ind.

Mr. Leslie Cannon, of C. L. Grant & Co., was a passenger going to Montague by the Eastern train yesterday afternoon.

Mrs. Simon McKinnon, Bangor, accompanied by her family, and Mr. Edmund McDougall, Bangor, leave this morning for Saskatoon, where they will in future reside.

Messrs. Kenneth Stewart, Lorne Farquharson and Alex. McKinnon left for Windsor, N. S., yesterday morning to resume their studies at the Collegiate School.

To whom it may concern:—This is to certify that I have used MINARD'S LINIMENT myself as well as prescribed it in my practice where a liniment was required and have never failed to get the desired effect.
