—BAND APPRECIATED.— The S.Y.C.I Band, which made its first appearance at the Remembrance Day Program in Summerside, is composed of the following youngsters: Buglers, Robert Newton, Edison Baker, Jimmie Johnston, Roy Grant, Kenneth Grant, Ruth MacLennan, Margaret Muttart, Pauline Phillips, Virginia Campbell Drummers, Robert Gay, Beverley Gay, Norman Cooke, Arnold Pidgeon, Earl Huestis, Raymond Arsenault. Majorettes, Violet Lowe, Nan Woodside and Mary Simmons. The band was led by Mr. Leo Coyle, drum major who is the instructor for the drummers. Mr. Earle Simmons instructs the buglers.—S.

—Y'S MEN'S CLUB — Summerside Y's Men will again conduct the sale of Tuberculosis seals in Summerside this year. This was decided at the regular meeting last Thursday which was addressed by Mr. H. W. Pletch, Charlottetown, president of the P. E. I. Tuberculosis League and Mr. Alfred Doucette, Charlottetown, director of the league's activities. A personal canvass will be carried out in the town by teams of Y's Men and it is hoped that the people in general will purchase substantially more seals than in the past. The objective for the province is set at $15,000 which is considerably above what was realized last year. A mobile X-ray unit has been purchased to carry out a complete X-ray of every person in the province. So that persons who buy seals this year will be benefiting individually by their purchases. Mr. Edwin Estey reported that the sum of $511 had been collected in the Boy Scout campaign. The chairman of the meeting was Mr. W. A. Currie.—S.

—CONCLUDING TALK — Mr W. E. Darby, Prince County chairman in the Seventh Victory Loan campaign gave the concluding talk, over CHGS on Saturday evening, of the series of daily five minute talks given on the Victory Loan. He thanked all the salesmen and the people in general who enabled Prince County to again go over the top in a Victory Loan drive. He said he was particularly pleased to announce that Summerside had reached the amount of $625,450 or 118 per cent of its objective. By way of explanation Mr. Darby said, "I sometimes wonder when reading of some city or town leading all others in percentage of objective attained just what their population is and what their objective actually was. I am, however, going to make one comparison as an example of how misleading that way of tabulating results may be. Charlottetown with a population three times the size of Summerside has an objective of one million dollars. Ours might well be $335,000 on that basis. If that were so we could be announcing tonight that we had achieved 188 per cent." Mr. Darby announced that Prince County apart from Summerside had subscribed $498,550, their objective being $495,000. The over-all picture is that Prince County including Summerside, has reached 110 per cent of its objective. The highest districts are Miscouche 198 per cent, St. Louis 110 per cent, and Alberton 110 per cent. —S.

—REMEMBRANCE DAY OBSERVANCES — Following the ceremony in Summerside on Remembrance Day members of the Summerside Branch of the Canadian Legion proceeded to St. Eleanor's where a service was held before the soldiers' monument there, and placed a wreath. Following that they went to Traveller's Rest where, due to rain, the service was held in the hall. The school children had gathered and joined the members of the Legion in a commemorative exercise. In the afternoon the members of the Legion proceeded to Miscouche where a service was held in the Catholic Church presided over by the pastor Rev. Martin Monaghan. An address was given by Flt.-Lt. Wingel of No. 1, R.G.S.—S.

—CORPORATE COMMUNION— Members of Summerside council, Knights of Columbus attended Mass and received Holy Communion in a body on Sunday morning at 9:30. This is part of their annual exercises in honor of the patron of the order, Christopher Columbus. Rt. Rev. G. J. MacLellan celebrated Mass.—S.

—The Red Cross ladies (The Busy Bees) met at the home of Mrs. Charles Kennedy on Thursday evening and a lot of knitting was accomplished.

Death Monday Of Mr. Harry Pridham

The death occurred at Summerside on Monday, November 13th, of Mr. Harry Pridham, one of Summerside's highly respected citizens, at the age of 66 years.

The deceased, who was a resident of the town for nearly half a century was a son of the late Mr. and Mrs. Jabez Pridham of Wilmot. By his friendly nature and cheerful disposition he made a host of friends in Summerside who will learn with a deep sense of regret of his passing.

He is survived by two sisters, Mrs. (Rev.) J. H. Seller of Regina and Mrs. W. C. Schurman of Summerside.

The funeral wil ltake place from the home of Mrs. W. C. Schurman, Spring St., on Wednesday. The remains will be removed to Trinity United Church at noon and the funeral service will be held at 2 p.m. Interment in the People's Cemetery, Summerside.—S

Save The Children Fund

An urgent appeal to Canadian women for kits of clothing to help dress 45,000 European child refugees now being sheltered in Sweden and Cairo was issued today by the Canadian Committee of the Save The Children Fund.

In addition to the number now being given shelter, thousands more stream into Cairo and Sweden every week said Mr. Justice J. C. McRuer, Committee chairman. "Babies and children are in rags. Some of them are not that fortunate."

"Any woman in Canada who helps a stricken European mother aids in building a bridge of friendship that will do much to unite the Old and New worlds in a tie of cooperation for world peace."

Four Canadian women's organizations who have already adopted the project are the League of Nations Society in Canada; Ontario Federation of Home and School associations; Provincial Council of Women for Ontario, and the National Council of Jewish Women.

Kits are required for newly-born infants; babies from six to 18 months, and boys and girls from two to three years and from four to five. Knitting wool and knitting needles as well as any scraps of left-over material will also be greatly appreciated.

Each kit is to carry the age and sex of the child for whom it has been prepared as well as the name and address of the donor so that the mother receiving it will be able to express her appreciation.

Right behind the Fund's Canadian Committee are the Benevolent Order of Elks of Canada and Newfoundland who have contributed more than $60,000., especially earmarked for British children who have suffered because of the war. The Elks plan to continue the support of these children for an indefinite period.

Mr. J. O. Hyndman represents the Fund here.

TRY ILLUSION ABOUT FIGURE

Don't like to diet? Hate exercise? Still want to look as slim as a needle in your new fall suit?

Try this suit-camouflage that puts that illusion across:

To look less hippy, see that your jacket is wide-shouldered — either built up like an inverted triangle or padded. Don't succumb to any dressmaker details centred below the waist. Instead look for top interest — swooping lapels, a chin-tickling collar, high pockets, a suit blouse with neckline business.

To look less busty in a suit, pick a "soft" type jacket with a low-cut neckline and stripped of top interest. Where details will do most for you are below the waist. It can be in a jacket that flares, a peplum, or important-looking pockets.

If you want to stretch out your length so as to make people think you have a good "suit figure", settle for one colour and have it black or navy in a tailleur type, and match it up with dark accessories.

Education As Foundation For Reconstruction

Before the Men's Association of Trinity United Church last night, Mr. Lloyd Shaw, director of education for the Province, gave an address on 'Education as a Foundation for Reconstruction."

Interest in education, Mr Shaw said, has been in the past too much of the lip-service type. A proof of this is the poor school buildings with their inadequate equipment. Inexperienced and poorly paid teachers is another evidence of education indifference. Such facts raised the question whether the lack of interest in education is due to incomplete ideas on education and the lack of worthy educational objectives.

Trends in education were reviewed and argument submitted that any plan for Reconstruction must have as the base a broad and comprehensive educational program.

Mr. Shaw suggested that all those interested in the future development of education in the Province should ask themselves the following questions:

(a) Are our elementary schools adequate for their intended purpose?

(b) Are the High School facilities, urban and rural, sufficient?

(c) What about sanitary conditions in the schools?

(d) What about our teachers from the standpoint of selection, training, security of tenure, salary, and status in the community.

Some agreement should be arrived as to what the people wish the schools to do before they can hope to remedy the existent defects Mr. Shaw said.

Mr J. P Crockett presided at the meeting and at the conclusion of Mr. Shaw's address tendered him a vote of thanks on behalf of the Association.

Drowned On Hunting Trip

SAINT JOHN, N. B Nov. 13 — (CP) — Ronald W Sweeney, 31, Saint John, was drowned in the Musquash River yesterday after a canoe capsized while he was on a hunting trip with Ralph Loughery, who swam to shore for aid while Sweeney clung to the canoe. The victim disappeared before help could be obtained.

Mother Not to Blame for the Children's Colds

Despite all the mother can do the kiddies will run out of doors not properly wrapped up; have on too much clothing; get overheated and cool off too suddenly; get their feet wet; kick off the bed clothes, and do a dozen things the mother cannot help.

Half the battle in treating children's colds is to give them something they will like; something they will take without any fuss, and this the mother will find in Dr. Wood's Norway Pine Syrup, a remedy used by Canadian mothers, for the past 48 years.

Price 35c a bottle; the large family size, about 3 times as much, 60c, at all drug counters.

Plan Meeting At S'side To Discuss School

Education Question Referred To At Town Council Session; Routine Matters Discussed.

Councillor R. L. Mollison presided last evening at the regular meeting of the Summerside Town Council, in the absence of Deputy Mayor D. F. MacNeill. Other councillors present were: Lloyd Gorrill, Henry Wedge and T. D. Morrison.

Speaking for the Council, Councillor Mollison asked the clerk to get in touch with the chairman of the School Board with the object of having a citizens' meeting called to discuss the subject of education. He said that he was much impressed with a talk recently given by Mr. Lloyd Shaw, Superintendent of Education as was everybody who was present.

"We should do more than talk about it," Councillor Mollison said. If a public meeting were called and addressed by Mr. Shaw the citizens could say what they wanted in the way of improved education. The Council is eager to give them what they want. If the people think there should be mechanics, music and other courses in the school the Council will provide them.

Report On Milk Test

Councillor Wedge reported on the recent milk test conducted by Dr. J. R. Cunningham and the Provincial Laboratory technician. The stables and milk houses of all the vendors were satisfactory, with one exception. In that case the floor was broken and could not be kept clean; also some repairs were needed for the milk house. He recommended that the licence be not renewed in this case till the needed changes were made. Some unfavorable reports were also given about a small number of stables of farmers selling milk to a dealer in town. Certain recommendations were made in these cases. This milk is pasteurized, however, before it reaches the consumer. The laboratory report showed all the samples to have sufficient butter fat content but in one case the bacterial count was too high. Councillor Wedge said another test would be taken of this vendor's milk and if no improvement was noted his licence would not be renewed.

A resolution was passed accepting the report and acting on all the recommendations.

Request Electric Lights

Councillor Gorrill said that requests had come in from Lot 16 and Sherbrooke to have the light system extended to those districts. Councillor Morrison, chairman of the electric light committee said he was in favor of having light service extended to every place possible but at the present time wire is unobtainable.

Councillor Morrison brought up the matter of the property on Water Street east across from the railway crossing on which is located the slip for getting on the harbor ice in the winter time. He said he thought it could be purchased from Mr. M. L. Bradshaw for around one thousand dollars. He thought if the town owned it they could prevent people from dumping their rubbish on it. He also pointed out that the town has never been charged for the use of the slip. Councillor Mollison suggested it be discussed in caucus.

A resolution was passed, on motion of Councillor Gorrill and seconded by Councillor Morrison, authorizing the purchase of $15,000 of the Seventh Victory Loan issue through the Bank of Nova Scotia. Councillor Wedge took issue with the fact that the amount was not split up among the four banks. Councillor Mollison said that the Bank of Nova Scotia did the town business and had received no overdraft interest this year as the town had a small surplus so this being a small amount it was decided to give it to this bank.

Other Resolutions

Other motions were passed as follows: Resolved that the sum of $100 be granted to the Dental Clinic for the year 1944-1945, moved by Councillor Morrison seconded by Councillor Wedge.

Resolved that a grant of $200 be made to the P. E. I. Tuberculosis League in support of their campaign for a mobile X-ray unit, moved by Councillor Morrison seconded by Councillor Wedge

Resolved the I. O. D. E. be granted permission to hold a tag day on Nov. 23 and 24, moved by Councillor Wedge seconded by Councillor Gorrill.

Resolved that the Boy Scouts be given the use of the band room in the Town Hall, moved by Councillor Gorrill, seconded by Councillor Wedge.—S.

Bruce Stewart Employees Buy $33,000 In Bonds

Employees at the firm of Bruce Stewart Co. Ltd. here showed that they are right behind the war effort in the seventh victory loan. Their quota was $25,000 and they oversubscribed it by $8,000.

The salesman who took the subscriptions at the plant was Col. C. C. Thompson, who was ably assisted by Mr. Leo Bradley, M. M., an employee of the plant and president of the Charlottetown branch of the Canadian Legion.

One feature of the subscriptions was that more than 50 per cent of the $33,000 total were on the payroll deduction plan.

Farewell Gathering

The Assembly Hall of Kensington United Church was filled to capacity on Monday evening, October sixteenth, the occasion being a farewell social for Rev. A. D. and Mrs. Stirling.

Mr. William Johnson acted as chairman and after a few brief remarks called on Mr. Erskine MacMurdo to read an address to Mr. Stirling voicing deeply the appreciation of the congregation. Mrs. Hammond Toombs then came forward and read an address to Mrs. Stirling from the Kelvin and Kensington W. M. S. Societies and the Woman's Association of Kensington Church.

Both Mr. and Mrs. Stirling very graciously replied, thanking the congregation for their kind words and very generous gifts. Appropriate remarks were made by Rev. E. J. O Fraser, Rev. James MacGowan, Senator J. Sinclair and Mr. Geo. E Brown after which refreshments were served.

Mrs. Stirling was presented with a wool blanket and a chenille bedspread while Mr. Stirling's gift was a well filled purse.

Following are the addresses:—

To Rev. A. D. Stirling, B.A.

Dear Mr. Stirling:—We who are gathered here tonight, are possessed by feelings of regret, as we say farewell. When our Pastor responded to the call of His Majesty's service in 1940, your coming to us to supply during the leave of absence was a most happy arrangement.

It must have given you deep satisfaction to be invited to minister again among those with whom you had worked more than thirty years before. That invitation was sure proof of the position of respect and admiration which you occupy in the hearts of the people of this community. Further assurance of our deep regard was the call extended to you one year later, on the resignation of our Pastor.

The years since, have been good, though seasoned with joy and sorrow. Many of our loved and finest members have gone on, but many new friends have united with our church. Financially, the years have been good, for the first time in many years our congregation is free from the burden of debt. Organizations within the church have flourished under your interest and encouragement.

Your heart searching sermons will long remain with us. Each Sabbath as we came, weary from the toils of store and farm and office, we found comfort, encouragement and strength for the weeks to come as we listend to your deeply evangelistic sermons. Homes that were visited by illness and sorrow, have known your real worth. Because of your ministry we shall be more worthy followers of the Master.

We can but briefly refer to the very great contributions made to every part of the work by Mrs. Stirling who was not found wanting, no matter how large or small was the demand made upon her time and talents. Your charming daughters have made a warm place for themselves in our hearts, and it is with very real regret that we realize they will be with us no more.

Please accept this gift as a token of our love and esteem. May God's richest blessing rest upon you and yours, and may you long enjoy the privileges of God's husbandmen.

On behalf of the members of this congregation and friends in the Community.

Kensington, P. E. I.

To Mrs. (Rev.) A. D. Stirling

Dear Mrs. Stirling:—As you are about to sever your connections with this congregation, we, the members of the Woman's Missionary societies of Kensington and Kelvin, with the members of the Woman's Association of this church, desire to express to you our deep and whole-hearted appreciation of the very fine service you have rendered during the years you have been associated with us.

We cannot forget your unfailing loyalty and kindly co-operation in all that pertained to the welfare of our people. We will miss you, not only in the service of song, but in every department of our church work. In our October meeting of the Woman's Missionary Society the unanimous desire to show in some way our love and appreciation was gladly affirmed by a standing vote.

Our very best wishes and prayers will go with you and yours and may the sunset years of your life be brightened by the consciousness of work well and faithfully done.

Please accept these tokens of our esteem as a remembrance of the happy years we have worked together in the interests of our Master's Kingdom.

Signed on behalf of the Women's Missionary Societies of Kensington and Kelvin and the Women's Association of Kensington United Church.
