THE IMPORTANT NEWS OF THE WEEK FOR THE SATURDAY SUBSCRIBERS

GLASGOW, December 5. — Invited by English and Scotch prohibition societies, Mrs. Carrie Nation has taken up quarters in a modest hotel here, preparatory to a campaign of "smashing the drink evil" in the principal cities of the United Kingdom. Her arrival was a complete surprise, but the police have already intimated to her friends that she will not be allowed to offen any violence to saloon property or customers.

She may go "on tour" like any other celebrity, saying anything she pleases, but she must bury her famous hatchet.

"Oh, I've left my hatchet at home, declared Mrs. Nation, on receipt of this announcement. "I suppose I could find a nice Scotch hatchet if I needed one, but I have made up my mind to strike at the root of the evil, and not at its outward evidence I do not know just what constitutes the root of the evil here,but I do know that at home my hatchet was needed to find it, and it accomplished a great deal."

Mrs. Nation has brought with her a great quantity of miniature hatchets, modeled after her famous original, for distribution among her friends. She expects to make a systematic campaign beginning with the cities of Glasgow, Dundee and Aberdeen, and embracing Edinburg and London.

TORONTO, Dec. 8—(Special)—Four of the eight election protests in Ontario are expected to go by the board.

They are the Liberal protests in Norfolk, Centre York, and Conservative in Welland and Ottawa.

Whether the Liberals will go ahead with the Nipising and North Lanark petitions depends upon the determination of the Conservatives to fight West Pest Peterborough and South Tntario.

The fyling of the Centre York petition was a surprise and the Ottawa protest was also a surprise.

These two will probably pair o the Welland and Norfolk petitions also saw off.

The following western seats have been protested.

Assinoboia, held by a Libera,.
Edmonton, Liberal.
Strathcona, Liberal.
Red Deer, Liberal.
Medicine Hat, Conservative.
Macleod, Conservative.
Calgary, Conservative.

BOSTON, Dec. 6—Two Steamers plying between Boston and Nova Scotia have arrived in port, bringing tales of narrow escapes from watery graves.

The steamer Boston, of the Dominion Atlantic Line, caught fire in the hold last Friday, when fifty miles out of Yarmouth. The fire raged about the cargo of oil and the crew extinguished the flames only after a terrible battle. The passengers became panic-stricken, and Captain Simms made ready to abandon the ship, if it became necessary.

The Plant Line steamer Lady Sybil came into port decked with tons of ice. The steamer left Halifax on Friday morning and ran into a gale. The ice coated the bows down and could not be removed, owing to the rolling of the vessel, and the increased weight threatened to sink her with every big wave.

The captain bravely stuck to the bridge through the trip, and all but collapsed from exhaustion when the vessel was finally docked—twenty hours overdue.

OTTAWA, December 9—R. L. Borden is expected back the last of this week. It is suggested that if the seat for Ottawa held by Sir Wilfrid Laurier, should be vacated by the unseating or retirement of the Premier, J. G. Bergeron might be the opposition candidate. There appears to be authnrity for this proposition, but stranger things have happened. Another interesting rumor goes to the effect that when Mr. Borden resigns the Carleton seat, Mr. Kempt, who represented East Toronto in the last parliamentl might be the successor. But it is not known that Mr. Kempt would accept an outside seat, if one were offered him.

ST. JOHN'S Nfld., December 5—The British warships Brilliant, which has been stationed here for several weeks, sailed Thursday for the West Indies via Halifax. The situation in St. Pierre, Miquelon, is unchanged. The town is quiet and the clerical schools remain open. As yet Governor Didelot has not announced the decision of the French government regarding the school question. The attempt to close the clerical schools last month led to the demonstrations before the Government House and a display of the American flag. one time it was thought that in the absence of French warships the Brilliant might be ordered to St. Pierre.

NEW YORK, Dec. 9—With twelve teams still in the race the bicyclists who started just after midnight Monday morning on the six days grind at Madison Square Garden were whirling along yesterday well in advance of the best previous record for the distance. At the end of the 32nd hour the eight leading teams had covered 662 miles, nine laps, the three in second position were only one lap behind the leaders, and Faber and Lafourcade were bringing up the rear with 657 miles 5 laps to their credit. Four of the sixteen teams which started in the race have dropped out of the contest.

The score at ten o'clock today, (the 34th hour), was as follows:—

Rutt-Stol, Fogler-Lawson, Moran-MacFarland, Palmer-Walker, Dutpre-Georget, Hill-Demars, 701 miles 6 laps; Walthour-Root, Wiley-Galvin, Devonovitch-Drobach, 701 miles 5 laps; Faber-Lafourcade, 696 miles, 3 laps.

The previous record was 698 miles and 9 laps made by Elkes and McFarland in 1900.

PORT ARTHUR, Dec. 9—The funeral of the late Mrs. John A. Whalen took place last Friday to St. John's church and thence to the cemetery. Rev. J. W. Hedley and Rev. H. C. Dunn met the body at the entrance to the church and preceded it up the aisle, intoning the opening sentences of the impressive burial service of the Church of England. Previous to the arrival of the cortege, Mendelssohn's "Funeral March" was played, and at the conclusion of the service the "Dead March in Saul." Psalm 39 was sung and also two favorite hymns of the deceased, namely, "Sweet the Moments, Rich in Blessing," and "My God and Father, While I Stray." The pallbearers were Mayor J. J. Carrick, J. A. Little, W. H. Nelson, W. H. S. Gordon, E. A. Morton and John Davidson. The burial casket was completely hidden from view by magnificent flowers, amongst the senders of floral emblems being the following:—Broken wheel, James and Mrs. Whalen; gates ajar, Mr. and Mrs. Barnes; cross, W. H. and Mrs. Nelson; pillow, crown lands and timber agent; spray, W. T. McEachern. Amongst the senders of the many additional wreaths were noticed the names of the following:—E. A. and Mrs. Morton, J. J. and Mrs. Carrick, A. F. Bowman, Southampton, Frank Dolan, F. J. O'Leary, John and Mrs. Wolvin, Miss L. Conmee, L. Doran and many others.

A large number of carriages followed the remains to the cemetery. The flowers were so numerous that a large open carriage was filled with them, besides the hearse. The two brothers of deceased Benjamin and John Chappell of the C. N. R. were among the chief mourners. Mrs. Whalen leaves behind four sisters, namely—Mrs. J. R. Thomson of Earlham, Iowa; Mrs. R. H. Stewart of Brantford, Ontario; and Miss Mattie and Miss Lizzie with their parents J. J. and Mrs. Chappell at home in Charlottetown.

ST, JOHN, Dec. 10—(Special)—The steamer Empress of Ireland sails Friday afternoon with one of the largest passenger lists ever leaving this port.

The Empress is a Christmas boat, so-called, and carries sixteen hundred persons, a majority of them going to spend the holiday at their former omes.

The Allan liner Grampian sailing on Saturday, also carries a large passenger list.

MONTREAL, Dec. 10—(Special)—A purity movement has been organized here under the Band of Mercy of St. John Evangelist Church.

Today a notorious keeper of a bawdy house was fined and gave security to keep out of business in the future.

MONCTON, Dec. 9—Overcoatless, gloveless, his clothes torn, a red stocking cap pulled down over his ears and carrying a paper bag containing a small pieece of bread, a ten year old boy who would give only the name of York, and said he belonged to Amherst, was taken half frozen from the blind baggage of the midnight express by officers at Moncton yesterday morning. The little fellow apparently had a mania for riding on trains and on the Maritime Express last night had started out to see the world. He got as far as Sackville by that train, where he was taken off, but when the midnight came along he climbed unnoticed aboard the blind baggage and rode to Moncton. The youngster steadfastly declined to talk when questioned by officers. He was taken to the police office where he will be held until some particulars are secured.

TRURO, Oec. 9—Early this morning fire was discovered bursting from the well known wood working establishment and Mill of T. A. Barnhill & Co., Belmont. A stiff wind was blowing, and the fire, which is believed, started in the boiler room soon enveloped the whole factory, and in a short time the work of years and of industrious operation, was in ashes.

A house near the factory, occupied by one of the mill hands, was also totally destroyed.

The men of the nearby district assembled quickly and did splendid work in saving lumber, situated near the burning factory.

The factory property was one of the best worked in Colchester, and every one regrets to hear of Mr. Barnhill's loss. It is only a few years since he suffered a similar disaster by the burning of his mill at Lower Onslow.

The insurance is not more than one thousand dollars, and the lots, including two cars of lumber, is very heavy, somewhere in the vicinity of six thousand dol,ars.

THE JOLLY TRAVELLERS.

HALIFAX, Dec. 10—The annual meeting of the Maritime Commercial Travellers' Association was held last evening. It was decided hereafter that ladies be admitted to the privileges of the association. Several applications are in from the ladies.

The Association will have a banquet at the Royal Hotel, St. John, December 17th. Ralph March, St. John, was elected president.

Reports showed that of 869 members, 499 are registered at Halifax and 370 at St. John.

Mrs. Scholes case like that of thousands cured by the celebrated tonic Ferrozone

This is but one example of the sickness, and dull aching weariness that affects so many homes today.

Hundreds of women,single and married, will recognize in Mrs. Scholes' statement symptoms from which they suffer continually.

Almost instant in its wonderful results, better than any other tonic in the world is Ferrozone. All other medical discoveries seem as nought compared with the vital bracing health Ferrozone so surely brings.

PROOF OF CURE.

"People in ordinary circumstances find sickness the greatest burden of all," writes Mrs. W. S. Scholes,the wife of a well-known citizen in Russel. But the mother with young children must keep going whether sick or well. This was my plight just before my third child was weaned. I became weak and pale, and at night I was so weary that I ached all over. I slept poorly, suffered with indigestion and headaches that almost blinded me.

"At last, when thin, wrinkled and hollow-cheeked, I was urged to use Ferrozone. For the first time in years I enjoyed freedom from headaches, my appetite picked up. I grew stronger, felt better and slept soundly. You can't imagine my joy in seeing my strength, color and spirits returning. Week by week I improved gained eleven pounds and have been robust ever since."

Because Ferrozone invigorates—braces — builds up — because it will make you feel the exultant thrill of vitalizing blood and strong nerves—because it will give you comfort, energy, sound lasting health, these are a few of the reasons why you should use Ferrozone. Sold by all dealers, 50c. per box, or six boxes for $2.50. Try Fernozone. Do it today.

Only a Common Cold,

BUT IT BECOMES A SERIOUS MATTER IF NEGLECTED.

Pneumonia, Bronchitis, Asthma, Catarrh or Consumption is the result. Get rid of it at once by taking Dr. Wood's Norway Pine Syrup.

Obstinate coughs yield to its grateful soothing action, and in the racking, persistent cough, often present in Consumptive cases, it gives prompt and sure relief. In Asthma and Bronchitis it is a successful remedy, rendering breathing easy and natural, enabling the sufferer to enjoy refreshing sleep and often affecting a permanent cure.

Mrs. Henry Smallpiece, Brudenell, Ont., writes:—"I was always subject to a cough and could get nothing to relieve me until I saw an advertisement of Dr. Wood's Norway Pine Syrup and thought I would try a bottle, and when I had taken a few doses I found I was getting relief, and when I had finished it I was cured. I procured a bottle for my baby, who had a cough, and a few doses cured him. I would advise anyone having a cough, to give Dr. Wood's Norway Pine Syrup a trial and I am sure they will never be without it."

Dr. Wood's Norway Pine Syrup 25 cts. per bottle at all dealers. Put up in yellow wrapper, and three pine trees the trade mark. Refuse substitutes. There is only one Norway Pine Syrup and that one is "Dr. Wood's."
