Those Charming Forties

are but the natural reward of youth safeguarded, as thousands will tell you, in this simple way

YOUTH at forty means caution at twenty, extreme care through the thirties... and rigid avoidance of untried ways every day of one's life.

Thus modern beauty culture turns now to natural means, and frowns on the artificial and often dangerous ways of yesterday.

The scientific skin care of today starts with the proved doctrine of pores kept open, of the skin cleansed daily with the balmy lather of Palmolive.

It is a simple method, but certain in results, and what it is bringing to millions, it will bring to you.

MADE IN CANADA 3867
 Palmolive Soap is untouched by human hands until you break the wrapper—it is never sold unwrapped

This is the method. Follow it, please, for one week... note the difference then

Wash your face gently with soothing Palmolive. Then massage it softly into the skin. Rinse thoroughly, first with warm water, then with cold. If your skin is inclined to be dry, apply a touch of good cold cream—that is all. Do this regularly, and particularly in the evening.

Use powder and rouge if you wish. But never leave them on over night. They clog the pores, often enlarge them. Blackheads and disfigurements often follow. They must be washed away.

Avoid this mistake

Do not use ordinary soaps in the treatment given above. Do not think any green soap, or one represented as of olive and palm oils, is the same as Palmolive.

And it costs but 10c the cake—so little that millions let it do for their bodies what it does for their faces. Obtain a cake today. Then note what an amazing difference one week makes.

In Memoriam

In loving memory of my darling son, **Grattan Murray**, who died on June 18th, 1925.

Swift came the call from the bright court of Heaven. In life's young morning, only begun While the June roses were sweetly exhaling, Fragrance delightful, and Matins were sung.

Clearly he had heard the call, — Chorus of Angels:— Come to us Grattan, God wants you above Leave the dear father and mother who love you, They will meet later 'the liddle they love.

Father and mother, and brothers and sisters, How torn with grief were their hearts on that morn, While unseen and silent, White Wings they bore him, Through the dark void to his Heavenly Home.

Lone are our musings now, sadly the hours go by, Missed is our darling's voice, happy and gay, We will forget him never, 'e'en tho' he treads forever, With angel hosts so fair, Heaven's bright way.

And when the shadows of even are falling, And stars shine out in ethereal blue That is the time, my dear angel in Heaven, Your lonely mother's communing with you. June 18th, 1928
