### The High Cost of Indigestible Food falls heavily upon the household where there is no intelligent direction of the food supply.

Expensive high proteid foods, such as beef and pork, impose a heavy burden upon the liver and kidneys. They are not as nutritious as cereals and fruits. Two Shredded Wheat Biscuits with milk supply all the nutriment needed for a half day's work at a cost of only four or five cents. Cut out meat and eggs, eat Shredded Wheat Biscuit with green vegetables and fruits, and see how much better you feel. For breakfast with hot milk or cream. Made in Canada.

#### The Beautiful Clydesdale Stallion "Blackband Sensation" No. 9476 Foaled in 1908

This horse was bred in Ontario from imported parents. He is a beautiful dark bay with white hind feet and narrow strip on face, and weighs 1800 lbs. Is pronounced by competent judges to be the best type of draft stallion brought to this Province for many years. Exceptionally handsome with high crest, good mane and tail, the shortest of backs, heavy bone with plenty feather, and the very kindest of dispositions. This should prove a very valuable horse for farmers. His late owner says that he has a good reputation as a Sire in Ontario and his colts are big, growthy fellows. He also says that he never knew of a surer horse of any breed in his thirteen years of experience with stallions of all kinds.

Farm and Fireside says that the next ten years are bound to see the greatest demand for horse flesh the world has ever known. It can't be met in a day. Prepare for it.
