**LITTLE KINDNESSES.**

(Selected.)  
You gave on the way a pleasant smile,  
And thought no more about it;  
It cheered a life that was sad the while,  
That might have been wretched without it  
And so for the smile and fruiting fair,  
You'll reap a crown sometime—somewhere.

You spoke one day a cheering word,  
And passed to other duties;  
It warmed a heart, new promises stirred,  
And painted a life with beauties  
And so for the word and its silent prayer  
You'll reap a palm sometime—somewhere.

You lent a hand to a fallen one  
A life in kindness given;  
It saved some soul when help was none,

A BAKING SUCCESS WHICH YOU CAN DUPLICATE IN YOUR HOME WITH BEAVER FLOUR. All this talk about Western wheat flour being "pastry" flour, is just plain talk. Anyone, who knows anything about wheat, knows that Western wheat flour cannot and does not, make as good Pastry as "Beaver" Flour. Western wheat has what the bakers call strength. It makes a big loaf of bread—but the bread is spongy and lacks flavor. Ontario wheat, blended with spring wheat, makes the ideal bread and pastry flour. The bakers of Toronto and London—the experts at the agricultural colleges—and thousands of homes in Ontario, Quebec and the Maritime Provinces—have proved that "Beaver" Flour is superior to any Western wheat flour, and is equally good for Bread and Pastry. Try it. DEALERS—Write us for prices on Feed, Coarse Grains and Cereals. THE T. H. TAYLOR CO., LIMITED, CHATHAM, ONT.
