

Bronchitis ended!

Sufferers from bronchitis need a quick-acting remedy like Shiloh. It brings away the phlegm, eases the chest pains and heals the sore tissues. Shiloh is made from the formula of a physician who specialized on throat and bronchial troubles. It is a concentrated remedy, pleasant to take. A few drops is an effective dose. Does not upset the stomach.

Get rid of constipation by internal cleanliness

HEADACHES, biliousness, sleepless nights, heaviness, are Nature's warning that intestinal poisons are flooding your system. If this is allowed to continue, you may become a victim of serious organic disease.

Laxatives and cathartics do not overcome constipation, says a noted authority, but by their continued use tend only to aggravate the condition and often lead to permanent injury.

Why Physicians Favour Lubrication

Medical science has found at last in lubrication a means of overcoming constipation. The gentle lubricant, Nujol, penetrates and softens the hard food waste and thus hastens its passage through and out of the body. Thus, Nujol brings internal cleanliness.

Nujol is used in leading hospitals and is prescribed by physicians throughout the world. Nujol is not a medicine or laxative and cannot gripe. Like pure water, it is harmless.

Take Nujol regularly and adopt this habit of internal cleanliness. For sale by all druggists.

ARNOLD LEIGHTON MacKAY.—The funeral of the late Arnold L. MacKay, took place from the New Glasgow Christian Church, Sunday afternoon at 2 o'clock. Rev. John Kayter officiating at the church and grave. There was a large attendance at the Church of relatives and friends of the deceased to pay their last tribute of respect to one who was loved and respected by all. The deceased was the only son of Mr. and Mrs. Eldon E. MacKay and was called away at the early age of 29 years. He enlisted in the artillery during the period of the great war and served his King and Country for three years. In early life he became a member of the Christian Church and was a consistent member until his death. To the bereaved parents who are left to mourn the loss of their only son the heartfelt sympathy of the community goes out to them in this their time of great sorrow. Interment was made at the New Glasgow Cemetery.

Ed Lannan, sister of the groom while the groom was supported by Mr. Ernest McInnis, brother of the bride. Following the ceremony the bridal party returned to the home of Mrs. M. J. Mahar, sister of the groom where a dainty breakfast awaited them. Dinner, at which the officiating clergy was present was also served in Mrs. Mahar's well known style, after which the bridal party left for their future home in Montague, where a reception was tendered them. The numerous presents from far and near, including cheques, cut glass, silver and linen testify to the popularity of the young couple and the high esteem in which they are held by their many friends.

trying to thaw out the frost from their frozen limbs.

By noon on Friday several of the sufferers had been brought to Charlottetown and were conveyed to the Charlottetown Hospital or made comfortable in the homes of their friends. Drs. McLeod, Taylor, Jenkins and Conroy were at once in attendance and medical relief was afforded.

Naturally the "disaster" caused much discussion and engaged the attention of men and women in all parts of Canada. Among those who took part in the discussion were Archbishop O'Brien, a Dr. Schurman—two of P. E. Island's most celebrated sons. The Archbishop presented a strong plea for improved conditions at the Cape; and referring to some animadversion on the conduct of the Captains and their men Dr. Schurman stated: "For my own part I feel constrained to attest that though I have travelled a good deal in the old world and in the new, I never felt such confidence at any commander, nor such admiration for any men as I felt for the Captains and crew of the ice boats, when some winters ago, under very insidious circumstances I was obliged to cross the Straits of Northumberland."

Flush Out Kidneys

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulate them to their normal activity.

The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness. Jad Salts is inexpensive; can not injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kid-
