RETRIBUTION IS SURE—That the law of retribution is a boomerang, was the thesis last night of Dr. Robt. Whiston in the Central Christian Church, and a large audience heard the startling discourse. The speaker stated that his subject was not a pleasant one but one necessary in this age when men and nations were playing with the laws of destiny. "The law of retribution is a boomerang" said the Evangelist, "and it will get you every time. That we reap what we sow is not true because it is in the Bible. It is in the Bible because it is true and if there were no Bible it would be true. The violator of any law is the creature of that law until he has paid the penalty. It is true in individual life and in nations. Where are the nations that have turned God down—they have passed into oblivion. Babylon, Nineveh, Egypt and many others. I predict any nation. There are two attitudes toward law. There may be a penalty and there may not. There is always penalty of God's laws and the machinery to carry it out. Over 100 young people remained for the good time and games that were played in the side room and the refreshments provided by the Ladies of the church. It was voted to have another young folks night next week. Tonight at 7.30 Dr. Whiston speaks on "Playing the Game" and he will use a large baseball chart on canvas. It was announced that this was one of the Evangelist's greatest sermons. The Whistons will sing and other music will be provided. Thursday night the theme will be "Universalism and its Cure."

DIOCESAN CHURCH SOCIETY

Hold Executive Meeting Yesterday—Sermon by Captain Hutchinson Last Evening.

The annual executive meeting of the Diocesan Church Society was held yesterday afternoon in St. Paul's Parish Hall with the Venerable Archdeacon White presiding.

After the reading of the minutes by the Secretary, T. E. MacNutt, some routine business was dealt with. Resolutions of sympathy were passed regarding the absence of Revs. G. T. Spriggs and W. J. Phillips owing to illness.

The reports of two committees appointed a year ago were read and after being accepted and approved, it was decided to purchase a Church Army Motor Van, which will be operated by two church army officers, during the summer months, going from place to place in the interests of the Church. A committee of five were appointed to work with the Archdeacon in connection with the organization of the Van work on the Island.

A Church army officer will also be stationed at Georgetown for some time to come.

The annual church service was held in St. Peter's Cathedral last evening and was well attended. The Rev. Canon Malone sang the service, the Rev. Edward Bridgewater, Rector of Crapaud, read the first lesson and Rev. C. F. Johnson, Rector of Milton, the second. Captain Alfred Hutchinson, of the Church Army preached a splendid sermon on responsibility, while the Archdeacon pronounced the Benediction.

The following is a brief review of Captain Hutchinson's sermon:

Speaking from Luke XIX—13, Capt. Hutchinson, C. A., reminded his hearers that although they may be able to place their material responsibility on some one else, they cannot do so with their spiritual responsibility. The Bible and the prayer book speaks it and the trouble is today people do not realize it. The excuse of being too ordinary is no excuse for many of God's best flowers were to be found in the shade. All efforts, no matter how small, if done to the glory of God, will not pass unnoticed, but will receive His blessing. There must not only be action from the pulpit, but also reaction from the pew, and when this comes, there is no doubt but the Church will sweep many in.

Remarks by Mr. J. Easton, On the Order.

Orchestra Selections.

Closing Chorus, Throw out the life line.

Following the program lunch was served by the ladies of the Division.

An interesting feature of the meeting was the presence of two members of the division when it was in a flourishing condition many years ago.

The following, which describes the founding of the Division, and which appeared in the Charlottetown paper of the time may be of interest to several of our readers:

"On Tuesday the 13th inst., Hon. Charles Young, G. W. P., having received a Requisition from certain inhabitants of Georgetown, to open a Division in that place, granted the prayer of the application, and, assisted by his A. G. C., proceeded to form a division in Georgetown, under the title of the "DIAMOND OF THE DESERT" Division No. Nine, S. OF T.

On the following evening, the G. W. P., lectured to a large and respectable audience upon the principles of the Order, and at the close of the Lecture, other gentlemen stepped forward and desired to become "Sons". The meeting having been closed in the usual manner, the Division was opened in form, and after the last mentioned gentlemen had been duly initiated, the following brethren were installed as Officers of the Division until the first day of July next, viz:—

William Sanderson, Esq. W. P. James M. Cogswell, W. A. Jas. Easton, R. S. Jas. S. Holland, A. R. S. Chas. McLaren, F. S. Alexander Robertson, T. Joseph Kellow, C. Richard Gidley, A. C. John Mc Donald, I. S. Alexander Ferguson, O. S. Wm. McKay, Esq. was conducted to the chair of P. W. P.

After the G. W. P. had given the Officer and Members due instructions, and inculcated upon them the necessity of acting upon the benevolent principles of the Order, the Division, nominated their W. P. as their Representative to the Grand Division, and unanimously passed a vote of thanks to the G. W. P. for his exertions, not only in advancing the cause of Temperance in this Island, but for his kindness and urbanity to them, and which having been duly acknowledged the Division was closed with the usual formalities.

The following is also a clipping from the "Islander" of April 24, 1849:

To the Editor of the Islander: Sir, about the middle of March, the Hon. Chas. Young, in his capacity of S. W. P. of the Sons of Temperance of Prince Edward Island, established a Division of that Order in Georgetown, by the name of the "Diamond of the Desert" No. 9, as already appeared in the newspapers. At the first invitation only nine brethren appeared; however next evening after the delivery of a most excellent lecture by the S. W. P. three more joined the Division and ever since the numbers have been gradually increasing in perfect harmony. At the present time the roll shows twenty-four members actually initiated, with every prospect of a further increase.

As yet, the Division has not been assisted by a stated lecturer, but on the evening of Tuesday the 17th instant the W. P., delivered a luminous and succinct lecture, to a numerous and highly respectable audience, on temperance in general, taking for his text, "As we have opportunity let us do good to all men," which he clearly demonstrated to be the object of the Sons of Temperance.

Chicago, Ill. March 18.—Guided by the symbolic camel with its face turned east, the greatest single caravan on the continent will leave here early in June for Toronto to attend the 56th Imperial council meeting of the ancient arabic order, nobles of the mystic shrine.

Rich in membership, owner of the largest shrine headquarters in the world and almost prodigal in its charity, Chicago's Medinah temple will go to Ontario's capital city with a following of 1,500 pilgrims, it will require seven special trains, fourteen cars in length to bring these faithful to mecca, and their caravansers in Toronto will be Temple Park, the new coach yards of the Canadian National Railways.

Medinah Temple has a membership of 30,000 with a three million dollar temple and an athletic club building whose value is five millions. With it will travel some of the most picturesque features of shinedrom, for Medinah is noted for its mounted Arab patrols, millionaires band, drum corps and chanters. Its wild riders, clad in burnous and flowing robes of many colors, mounted on Arab steeds are an impressive sight. For the convenience of such a large single delegation, W. J. Moffat assistant general passenger agent, Toronto, and Mayor of Temple Park, has arranged special accommodation for medinah Temple, in conference with A. B. Brown, passenger traffic manager for the Grand Trunk Canadian National system here. Mr. Moffat has set aside a section of Temple Park for Medinah Temple alone. Medinah's special trains will enter the park as they left their native city and the club and observation cars will form executive headquarters. They will have a special room in the commissary building at Temple Park which has been assigned to the shrine guests and a battery of forty shoers for their exclusive use, in addition to the many other joint facilities which the Canadian National Railways will provide. Medinah Temple in truly oriental splendor, will arrive at Toronto on Monday, June 9, its members will remain there in Temple Park until Friday noon, June 13, and then return to Chicago via Canadian National Grand Trunk connections.
