—WELL KNOWN RESIDENT. — An Alberton correspondent writes: Mr. Robert Bell passed away on Saturday, Oct. 15th in the 77th year of his age. His wife passed away in March last. Mr. Bell was born in Scotland and came to this Island 56 years ago. He has for many years been a consistent member of the Presbyterian Church. He leaves two sisters, Mary and Helen, and family of five sons and four daughters to mourn their loss. Of the sons Harry and William are in the West; Arthur and Herbert are in Summerside, and T. C. Bell, manager of J. H. Myrick & Co., Ltd, of Alberton.

—WEDDING BELLS. — The O'Leary United Church can now consider itself completed. Heretofore there have been funeral services and baptisms, but not till last week was there a marriage service held in the church. The contracting parties, Irene Ellis and John Percy Sweet, were married on Wednesday night by Rev. Mr. Copeland. A large party of relatives, friends and well wishers were present. After the ceremony the usual congratulations, showers of confetti and rice were extended to the young couple. The community wishes them a long, prosperous and happy married life.

—TOWN COUNCIL.— A special meeting of the Summerside Town Council was held on Monday night at the call of the Mayor, all the Councillors being present but Councillor Bell, to consider the matter of an extension of the electric light and power service to the thriving town of Miscouche. Councillor Strong strongly opposed any extension of the system outside the town and claimed that the Mayor had no right to put such a motion to the meeting. He referred to the written opinion of the Recorder to verify his statement. Rev. Dr. Monaghan and Mr. Urban Gillis, of Miscouche, being present were on motion invited to address the Council and in doing so ably urged the necessity of the extension asked for. After considerable debate, Councillor Strong asked the Light Committee to furnish a report as to the capacity of engines, the possible load that could be carried and other information to guide the Council in further considering the matter. This was agreed to and, on motion, Council adjourned for one week to receive the Light Committee's report.

SHEEP RAISING IN ONTARIO

Sheep raising promises to develop rapidly in northern Ontario. The country about New Liskeard in particular is highly favoured as a sheep country. It is remarkably free from wolves and the land being more or less rolling is well suited to sheep raising. The mining industry in northern Ontario provides a fine market for lambs and it is expected that the present flocks will grow rapidly and others be started throughout a considerable area of the district.

Use This Liquid To Peel Off Corns

An amazing remedy—acts in a few seconds and causes no pain. The corn shrivels up and loosens. Another application or two and the corn drops out. Wonderful—yes it is—but that is just how. Putnam's Corn Extractor from many druggists. Get your bottle to-day. Refuse a substitute for Putnam's.

..*FIFTH GENERATION. —Mrs. Margaret Dixon of Rollo Bay West was this morning in receipt of a birth announcement which calls for more than passing notice. This wee newcomer—Mary Jane McDonald, 120 Lewis Road, Belmont, Mass., is a great great great granddaughter of Mrs Dixon and marks the first of the fifth generation which is as follows: Mrs Margaret Dixon, Rollo Bay West, her son George R. Dixon, of Dixon's Mills, Fortune Bridge, his daughter (Elizabeth) Mrs. Newton McDonald Belmont, Mass., her son George McDonald, and his daughter Mary Jane—the baby girl recently born. Mrs Dixon, although a great great great grand-mother, and eighty-seven years of age is still enjoying good health and in possession of all her faculties still taking a keen interest in everything including the newspapers which she reads with ease. She was a motorist to Souris last week, and regrets that cars had not come into use in her active life. She is quite delighted over the new member of her family and hopes to enjoy its company probably next summer.—B.

Bedeque Notes

THERE are still a few farmers who have a considerable number of acres of 'spuds' to dig yet, while most of them have finished and are shipping theirs away.

Messrs Fred Clark and Otto Doull of Chelton crossed to the mainland on Thursday last in Mr. Clark's gasoline boat. While there they will be the guests of friends in Shemagogue. The weather being so disagreeable, they have not returned yet, but "Cheer up Boys", there is always a calm after a storm.

Mr. and Mrs. Willard Green of Bedeque have returned to their home after a few months visit to the West.

The Chelton school is progressing favourably under the skilled management of Miss Mae Enman.

Mr. Jesse Bradshaw, Middleton, crossed over recently on the car ferry to spend a short visit at Moncton, N.B.

What might have been a serious accident occurred at W. J. Bowness', Bedeque, a few weeks ago, when the cars driven by Messrs. Fred Moyse and Irving Toombs collided. It is reported that neither of the occupants were injured.

Mrs. Ray Campbell and little son Harold, of Chelton, are visiting in North Bedeque, the guests of her sister, Mrs. Scott MacMurdo.

Misses Sadie and Janie Bradshaw Middleton, were visitors to Albany last week, guests of Miss Maisie Cameron.

Mr. Sutherland Henderson, our worthy young commercial traveller spent the week end at Mr. George MacKays, Lower Bedeque.

Rev. Dr. J.J. and Mrs Sidey, with their two children have returned to their home in Bedeque, after spending a few days with friends in O'Leary.

A very pleasant evening was spent last Tuesday, at the home of Mr. and Mrs. Henry Affleck, Chelton, when upwards of twenty-six guests sat down to a sumptuous goose supper, which the members of the institute provided to celebrate the anniversary of their first year's work. After the supper the remainder of the evening was spent in games and music, each one returning home wishing the members as much success in the following year.

Congratulations go out to Mr. and Mrs. Arthur MacFarlane, Bedeque, on the birth of a bonny baby girl.

Miss Sara Giffery spent the week end in Chelton, the guest of Miss Maria Campbell.

Miss Etta Crossman of the T. Eaton staff, Moncton, is visiting her old home in Bedeque.

Chelton Sunday School hled a rally day service in the Searletown United Church, Sunday evening, Oct. 16th, a fine program was rendered by the pupils of the Sunday School, and a very interesting address was given by the pastor, Rev. Mr. Reynolds. There was a large number in attendance.

Mr. Clayton McLure, Lower Bedeque, was the guest of Mr. and Mrs. John Frizzell, Central Bedeque, Sunday.

Mr. Wallace Gardiner, Chelton, spent Sunday in Lower Bedeque.

Mr. Charlie Green reports the road from Central Bedeque to Carleton Siding in a first class condition, there being so much shipping of spuds.

Mr. Harold Holland has purchased a new car, a Maxwell roadster.

Mrs. Kier Allan, Middleton, has returned home from the Prince County Hospital. Her many friends hope for a speedy recovery.

Mr. Heber Myers is busily engaged in erecting a new barn.

TRYON TID-BITS

Messrs. Blaine Dawson and Arthur Rogerson are among the first excursionists to tire of the Western harvest fields, and seek the beautiful East, where after all they found rain in plenty.

Many Tryoners attended the 50th anniversary services at the United Church, Victoria, on Sunday, among them being Mr. and Mrs. Hamilton Leard, Fred Leard, Hedley Callbeck, Miss Pearl Ramsay, Reg. Thomas, H. M. Chisholm, Miss Jessie Chisholm, D. J. and Mrs. Thomson.

Mr. C. Howatt, potato inspector, paid a call on seed growers in Tryon on Friday and passed several lots of potatoes as Extra No. 1's.

Mr. Harrison Boulter, Albany, representative of the Potato Growers' Association, is a busy man now and we have reason to believe he will find it busier as the season advances.

Recent visitors to Cape Traverse were Messrs. Charles Howatt, Geo. McLeod and Ralph Lyman.

Mr. W. A. Pooley visited Summerside on Saturday and reported a very muddy road.

Mr. T. Arthur Dawson, fox inspector, spent the week-end at his home in North Tryon.

Mr. Keith Canfield, who is a successful rancher in New York, being employed by the famous Duffus Ranches, is visiting his parents in Westmoreland, and spent the week-end with relatives in Tryon. Mr. Canfield, who left P. E. I. about three years ago, is being welcomed by a host of friends who are more than glad to know of his success. Yet we all expected it.

But now, dear friends, I'll make it short and snappy: The roads are bad, you see a lot of rain has fallen and while I might write more and more until by parcel post I'd mail it. I am a thoughtful chap, and am full sure Sam Walsh, our tried and true M. D., has load enough to carry. So, Au Revoir. Eismac of—Z

Finest Necklace In Europe

(By British United Press)

PARIS, October 26.—One of the world's most famous and most tragic necklaces has just been bought by a well-known English racing man as a present for his wife.

It is a magnificent string of 196 pearls—every one as big as a cherry and weighing six carats—that was the pride of the House of Hapsburg for more than three centuries, and that the ill-fated Emperor Charles sold in 1921 when he needed money to buy an aeroplane for his dash to Budapest to seize the throne.

Known as the Marie Therese necklace, the string of pearls, which is more than two yards long remained in the safe of a Parisian jeweller until the sale.

It is said to be the finest necklace in Europe, with the possible exception of Madame Jacques Balsan's (nee Vanderbilt) which belonged to Catherine the Great.

In spite of the fact that some of the pearls are certainly over 300 years old, all are in perfect condition.

WINDSOR CRACKSMEN DYNAMITE OFFICE SAFE ESCAPE WITH $13,000

WINDSOR, Ont., Oct. 26.—More than $8,000 was stolen from the offices of the Harris Abattoir Company, Brock Street, early to-day, when the safe was dynamited. The robbery was not discovered until the office staff started work this morning.

Entrance to the building was made by crashing in the rear door with a crowbar.

That the thugs were in no hurry and in no fear of being disturbed is shown by the fact that they partook of a meal either before or after the job of blowing the safe, using canned goods from the company's stock.
