DiMaggio Is Star As American League Wins All-Star Game 11-7

By Jack Hand

BROOKLYN, July 12 —(AP) — Jolting Joe DiMaggio carried his tingling comeback through the 16th All-Star baseball game today as the American League ruffians pummeled their cousins from the National, 11-7, in Ebbets Field.

While a sweltering crowd of 32,577 squirmed through three hours and four minutes of sloppy action and two rain showers, manager Lou Boudreau's Americans boosted their game edge to 12-4 in the annual nightmare game. They now have won four in a row, a high in the competition dating back to 1933.

Big Joe, picked for the team by Boudreau after he missed the first 65 games of the season with a sore heel, drove in three big runs with a sixth-inning double and first-inning single.

Despite five errors by the Nationals—an All-Star game record—it was touch and go until Joe DiMaggio's double drove home two big runs in the sixth. When Ralph Kiner's two-run homer regained those runs in the last of the sixth, the Americans lashed away at Howie Pollet for a three-run splurge in the seventh that put the game beyond reach.

Manager Billy Southworth, who bossed the Nationals to their last All-Star success in 1944, paraded seven of his eight pitchers to the hill after a leaky infield yielded four unearned runs off Warren Spahn in the first inning. Only Ralph Branca, Brooklyn's ace, failed to see action among the pitchers.

The bottom fell out in the first inning when errors by third baseman Eddie Kazak of St. Louis and shortstop Peewee Reese of Brooklyn paved the way to a four-run American splurge.

The Nationals cornered home-run production. In the second, Stan Musial of St. Louis laced one over the right field screen to score Jackie Robinson of Brooklyn ahead of him. The other four-master was Kiner's in the sixth.

Only once did the Nationals take the lead. Jackie Robinson's speedy base-running and singles by Musial, Johnny Mize of New York and Eddie Kazak of St. Louis add up to two scores.

A tantalizing twister off the bat of Eddie Joost, Connie Mack's excellent shortstop, poked in two more runs in the fourth when the Americans regained the lead they never again lost.

The loss, charged to Don Newcombe of the Dodgers—one of four Negro players to appear in an All-Star game for the first time—was nailed down in the seventh. Newcombe had long departed but the two runs he yielded in the fourth did the damage.

The American League didn't hit its all-time high in run production. That was back in 1946 at Boston when they shut out the Nationals, 12-0. But the two teams, scoring 18 runs, did break the old mark. Tops before this was the 9-7 score when the American League won in 1934.

American League 400 202 300—11 13 1
National League 212 002 000— 7 12 5

Parnell (Boston), Trucks (Detroit 2), Brissie (Philadelphia 4), Raschi (New York 7) and Tebbetts (Boston), Berra (New York 4); Spahn (Boston), Newcombe (Brooklyn 2), Munger (St. Louis 5), Bickford (Boston 6), Pollet (St. Louis 7), Blackwell (Cincinnati 8), Roe (Brooklyn 9) and Seminick (Philadelphia), Campanella (Brooklyn 4).

Eddie Crowell Heads N. S. Golf Tournament

HALIFAX, July 12 — (CP) — Eddie Crowell of the host Ashburn Club moved to the front into the Nofa Scotia amateur and professional golf championships today as the tournament reached the three-quarter mark. Final round in the 72-hole tourney will be played tomorrow.

Crowell threw together rounds of 70 and 68 over the par-67 course to overtake Sydney's Nip Ross, who had a three-stroke lead on the field after the first 18 holes yesterday.

Crowell had a total of 212 for the 54 holes, three better than second-place Ross. Pud Carter of Dartmouth was third with 218 and Bennie McCallum of Ashburn, one week out of junior company, was fourth with 220.

In the professional field Kas Zabowski, Ashburn pro, passed his assistant at the club, Bob Harvey of Winnipeg, to take the lead at 214. Harvey was second with 216. Ginny Knox of Sydney pulled into third spot with 225.

New Glasgow caddy Bobby Rae appeared headed for the Provincial junior title. He fashioned rounds of 84 and 79 today to add to yesterday's 73 for a total of 236.

Ashburn veteran L.H. Norman was far ahead in the senior championship for players over 50. He barely missed getting into the amateur championship draw for the final round with his 2309.

Nip Ross came close to being five strokes behind Crowell, instead of three. On the 14th hole of his first round today, his ball landed in a new hole in the fairway made by a tractor. Ross took the two-stroke penalty. Later, an appeal to the referee was successful and he knocked off the two strokes.

Earlier in the tourney, Ray Morrison of Antigonish had his ball stolen off the 13th green and the referee waived the usual penalty of two strokes for a lost ball.

Crowell, Ross and Carter will tee off together tomorrow at 3 p.m. for the final round. Members of the Willingdon Cup team will be named tomorrow.

The annual meeting of the Nova Scotia Golf Association was held tonight. W.T. Kellock of Sydney was elected president and A.D. Smith of Amherst vice-president.

W. MacInnis, Charlottetown had 96, 97, 94 for 286 in fourth division. He was in fifth place.

At Bisley

By SHAUN McQUILLAN

BISLEY CAMP, Surrey, England, July 12 — (CP)) — Officer Cadet Gilmour Boa of Toronto, one of Canada's crack young marksmen, kept the Dominion's colors high today at the annual Commonwealth rifle shoot.

He won the Donegall qualifier competition, ended in a two-way tie for the first place in the Stock Exchange Challenge Trophy event, and was one of six Canadians who qualified outright for the second stage of the St. George's challenge vase competition.

Sgt. Frederick H.B. Wallace of Toronto waged a determined battle before he finally took second place to a Scottish marksman in the Daily Telegraph and Morning Post event.

The other Canadians who qualified outright for the second and final stage of the St. George's challenge vase, to be fired Thursday, were Lieut. James Boa of Toronto, father of Gilmour and a renowned shot; Sgt. Wallace; Lieut. John F. Samson of Shilo Camp, Man.; Capt. George J. Gamble of Winnipeg, and L. Cpl. Francis W. Jermey of Montreal.

With some 45 trotters and pacers taking the word from the official starter this afternoon at the Covehead track, better known as "The parlor track of the Maritimes" today's meet will mark the official opening of this popular raceway of the Island Harness Racing Circuit for this season.

• • •

Operated under the management of Mr. Charles Willis of Covehead, "The Parlor Track", considered to be one of the finest and fastest ovals in the circuit, is in tip-top condition again this year, and with the four splendid, well-balanced, classified events on today's program which gets underway at two o'clock, racing fans from all parts of the Province should be in for some fast and thrilling duels from wire to wire in this fine sporting pastime aptly termed "The Sport of Kings."

• • •

With from eight to thirteen starters listed for each event, the program will get underway with the first heat of the number one classified trot, which will see such trotters as Buddy Budlong, Baron, Feather Duster, High Tide and other smart entries, battle it out over a mile course for first place honors.

• • •

The second event on the card will see trotter versus pacer in the number two classified trot and pace, with such leading entries as Quick Lick, Mollie Bars, Lee Brewer, Eleanor G., Ola Budlong, Prince Budlong, Dale B. and Billy Conn, while in the following number three classified pace, some 13 starters will line up behind the starting gate, including Bee Budlong, Just Flicka, Lucky Number, Scotty Budlong, Rhodola D., Romeo, and other well known pacing artists, who can be depended upon to come up with some driving finishes and upset victories.

• • •

The final event on the card will be the number four classified trot and pace when an even dozen entries go into action over the mile route, bringing together such horses as Abegweit Milady, Hilda Mac, Lady Worthy 2nd., Tim O'Shnko, Direct Volo, Tiny Budlong and others, making it a stellar racing meet for any bettor's money.

• • •

The Junior Baseball League came through with another smart performance for local fans at Memorial Field last evening when the Knights of Columbus and Kinsmen squads put on a really evenly contested, well played battle in a regular league fixture.

• • • •

Displaying some stellar pitching by Jackie Cairns of K. of C. and Spy Ready of the Kinsmen and pulling some smart fielding plays on both sides, the game was a really nip-and-tuck affair all the way, and ended in a real thrilling fashion when the Knight's came through with a startling two-run drive in the last half of the seventh innings to break up what looked to be a deadlocked 1-1 encounter.

• • • •

The game exhibited really tight ball for the first three innings, with neither team able to score up to that point, with the Kinsmen coming through with the first run of the struggle in the first half of the following frame to take an initial lead, but the Knights countered with the tying run in the last half of the same frame to tie everything up solid on a 50-50 basis.

• • • •

It was not until the seventh that the Ryan-coached Knights exhibited the finesse that has kept them on top of the league all season, with Hennessey starting the ball rolling by making first on a second baseman's error and stealing second and third in quick succession, and then going home on a smart squeeze play with Donnie MacLeod, who made first on a well directed bunt to the mound and scored later from third on a wild pitch by Cairns.

• • • •

The Kinsmen rallied hard in the last half of the eighth to make up their two-run deficit, and although they did manage to regain one when Coyle scored from third on a wild throw to second, their effort wasn't quite good enough and the Knights held on to their slim lead to advance along another rung at the top of the league ladder.

Harry Hirsch Buys Redwood Grattan

HARRY HIRSCH e2Ud

SYDNEY, N.S., July 12 —(CP) —Redwood Grattan, the wonder horse of Cape Breton tracks, has been purchased by Harry Hirsch of Sydney, from Matt MacAdam of Glace Bay.

Redwood Grattan won 14 straight races last season and this year has won three in a row.

The slick pacer is eligible for the 2.22 class. Hirsch already owns Scott Spencer, winner of 17 out of 19 starts in 1948, and the year's top money winner, in addition to a promising newcomer, Riley's First.

COUPLE OF FIRSTS

The first bank and train robberies in the United States occurred in the same year, 1866.

Fish And Game Ass'n Makes Recommendations

Recommending among other things that a dam be built at Fullerton's Marsh in the Bunbury area for public use, and the work commenced as soon as possible, the P. E. I. Protective Fish and Game Association held a well attended quarterly meeting in the City Hall chambers recently.

The Association made the recommendation as a step in a river and stream improvement scheme. The idea of the dam is to provide the public with a fishing area made possible by constructing the dam in such a way that water would overflow the dam at high tide and still be retanied at low tide.

With the president, Mr. MacNutt presiding, the Association made ten recommendations for consideration by the Department of Natural Resources and Industry. Appreciation of the work that the Department is doing to improve the fish and game situation in the Province was also expressed.

Among those present were Messrs. J. A. Rodd, Director of Fisheries; Stewart Jones, of Pheasants Unlimited, and Richard Found, vice president of the Prince County Fish and Game Association.

The following recommendations were made by the Association: (1) That the opening date for Hungarian partridge this season be set for Oct. 1, the date set for each season, and the closing date this year be Nov. 11, with a bag limit of eight per day.

(2) That the opening date for ring neck pheasants this season be Oct. 15, the date set for each year, and the closing date for this season be Oct. 31, with a bag limit of five cock birds for the season.

(3) That public notices for the season be prepared and put in public places regarding (A) seasonal dates, (B) for Hungarian partridge, native partridge, ring neck pheasants, rabbits, mink and muskrat.

(4) That hunting and fishing license be made available through the Innkeepers Association, and summer hotels, in addition to the various places in existence.

(5) That the Association would appreciate the Department procuring a suitable sample of badge or other visible emblem of identification to be worn by licence holders and have same demonstrated at the quarterly meeting in December, 1949.

(6) Projects for 1950: That the Association requests the Department to forward or present a list before Mr. Rodd returns to Ottawa of trout fishing sites which have been found by investigation to be suitable for development for 1950.

(7) That a consultation committee for improvements in fish and game be appointed to be composed of the following: Messrs. W.H. Tidmarsh, Charlottetown; Fred McCourt, Charlottetown; Richard Found, Ellerslie; Frank Sterns, Souris, and Harold Shaw, Charlottetown and Mount Stewart.

(8) That the month of Noyember be applicable as well as the month of April for the payment of the skunk bounty and the amount payable the same as heretofore. That every effort should be made to eradicate the skunk menace to wild life and that the Department urge the Dominion Government to assist in the eradication of skunks in the National Park areas.

(9) That a ten-cent bounty be paid on every pair of delivered crows' feet by the Department and that the Association be authorized to give prizes to those bringing in the greatest number of feet. Mr. Walter Bearisto was appointed chairman of a committee to discuss and assist Department in working out the details of this program.

(10) That the opening dates for angling in the salmon season coincide with the trout season, April 16 to Sept. 15 inclusive.

Sugar Ray Got $51,196 For Night's Work

PHILADELPHIA, July 12 — (AP) — Sugar Ray Robinson today picked up a cheque for $51,196.39 in pay for a night's work.

That work was his 15-round successful welterweight title defence against Kid Gavilan at Municipal Stadium last night. It represented 40 per cent of the net take.

Kid Gavilan, the Cuban challenger who waged a strong but losing battle against the Harlem champion, received $23,678.33, 18½ per cent of the net take.

Peter A. Tyrrell, general manager of the Arena which promoted the bout, said the gross take for the bout was $177,123.53. Of that sum, $27,701.89 was paid out in federal taxes, $14,059.46 in city taxes and $6,759.75 in state levies.

That left a net gate of $128,435.97.

The paid attendance for the bout was 27,805, although hundreds of others crashed the gate by breaking down a wooden fence.

Dodgers Down Royals 5-2 In P. C. B. League

On Sunday, June 19, the Mimingash Royals played hosts to the Wellington Dodgers in a scheduled P. C. B. League game, which ended in a 5-2 victory for the Dodgers. Both starting pitchers went the route, Ellsworth giving up 10 hits and Fitzgerald limiting the Royals to 5 safeties.

The fast ball of Ellsworth's was very effective as he whipped 17 Dodgers, while Fitzgerald pitched a steady game, striking out nine and keeping the Royals' hits well scattered.

A running one-hand, over the shoulder catch, in deep left field by R. McLellan, and a neat stab of a line drive by E. Cameron, were the outstanding fielding plays of the game.

Sport Echoes From Prince County

Holman's baseball team in the Summerside Town League is suffering a bad case of inability to hit in the clutches. They had ten players left stranded on the sacks in their game against the R.C.A.F. Blue Sox Monday night. In the sixth inning they filled the bases with none out, and in the seventh men were on second and third with none out, but the three successive batters in each case could do nothing about it. A long fly or a "squeeze" bunt would have turned the trick, but none of the boys had anything of the sort to offer.

The R.C.A.F. Blue Sox have still to taste defeat. They have been tied twice and have had some other very close calls, but no aggregation has been able to top them.

Junior Cahill is developing into a very good pitcher for his years, but like a lot of the youngsters control is his bugbear. He allowed only five hits against the Blue Sox but he walked three and hit four. Coaches of young pitchers should drum into their heads the value of control, control, control. Let them forget about those beautiful hooks and get busy on their control. It will do much more for them in later years than their ins and outs and drops.

One of the most difficult tasks of an umpire is to decide just how much to take from a player. We have seen examples of local umpires down here taking far too much, and of others who were perhaps a bit hasty in banishing players. Not that the last mentioned are going beyond their powers as arbiters. They're not. We've read of an instance where a Big League player was waved out for throwing his cap into the air. But the situation is a little different here. The Big League teams have such a large reserve of players to draw from that a couple of banishments do not effect them too much. Down here a ball team sometimes has ten or eleven players ready to play. If an umpire decides he is not going to take a word from the boys, he has to live up to that resolve throughout the game, and if the game is close and tempers high, he may find that there are not enough players left to play ball. In any case, there is nothing worse than throwing players out for very little in the early part of the contest, and then taking a lot of abuse from them later on. An umpire must be consistent above everything else. Either he takes the vinegar or he does not. A good plan for these parts would be to warn the players once before banishment. Then it is strictly up to the player, and he knows what is going to happen the next outburst. Of course, if the ump is manhandled in any way no warning need be given. The other side of the question is equally bad. The fans like a little turmoil now and then, but they also like to feel that the umpire is boss. If he takes too much from the players and is roundly abused without taking action, the game develops into a brawl. There was an example here recently of a player banished and remaining in the dugout to hurl uncomplimentary epithets at the arbiter afterwards.

Boxing is about to come into its own in Summerside, under the sponsorship of the new Athletic Association with Dr. Hillard Clark as president and Carl Fitzpatrick head of the boxing end of activities. The old curling rink has been donated by Lorne Driscoll for the boxers' use for training, and for a boxing card to be put on later between Charlottetown and Summerside boxers. Three trainers have been appointed and George Stewart who has done considerable boxing on the Pacific Coast and in the prairies has been engaged as supervisor. The thanks of the Athletic Association and of boxing fans in general will go out to Lorne Driscoll for what he has done to help, and to Art Clark who has donated sufficient lumber to build the ring.

Abbies Play R.C.A.F. At S'Side Tonight

The only game on the Island Baseball League roster will get underway at Summerside this evening when the Charlottetown Abbies clash with the Summerside R.C.A.F. aggregation on their home diamond, and another good tussle is expected to be the result of their meeting.

The local squad leaves for the Western Capital by special bus this afternoon at three o'clock from the Queen Street terminal and a limited number of tickets are available at the Travel Bureau for local fans who wish to make the trip with the team.

K. Of C. Strengthen Grip On League Lead With Win Over Kinsmen

Breaking a one-all tie with two runs in the last half of the seventh inning, the League leading Knights of Columbus strengthened their hold on first place with a thrilling 3-2 win over the last place Kinsmen Juniors in a regular league game played at the Memorial Field diamond last night before a good sized crowd of fans.

The Kinsmen came back in their half of the eighth frame to score one run to move within an ace of tying the game up, rallying with two out, but the uprising was short lived as the winners put out the growing fire to retain their margin of victory.

Featuring top notch pitching by both team's hurlers and some tight fielding, the game was a close battle all the way through till the final out. Jackie Cairns and "Spy" Ready the loser and winner respectively allowed but six hits between them with the winners garnering four hits off the offerings of Cairns, and the losers getting to Ready for but two safe blows.

The losers opened the scoring in the first of the fourth inning as they combined a double by Lewis, an infield out and a passed ball by Hughes for their tally. The Knights tied the game up in their half of the next frame as a hit batter, a stolen base, and Ready's base hit accounted for the blow. But in the fatal seventh the K. of C. squad sent two runs across the platter to account for their margin of victory. Hennessey started the rally as he reached base on the second baseman's error with one out. He stole second and third in quick succession and then came home on a perfectly executed squeeze play with young Donnie MacLeod. MacLeod going to first as his bunt was fumbled by Cairns. Ready then made first on the first baseman's error with MacLeod going to third on the play. He scored the winning run minutes later as Cairns heaved a wild pitch past the catcher.

With darkness rapidly closing in the Kinsmen went to bat in their half of the eighth frame. With one out Coyle walked. Flynn then grounded to the first baseman, but the throw to second was late and Coyle was safe on the attempted double play. Lewis was walked to keep the rally going. At this point Ready tried to pick off Coyle at 2nd base but the throw was wild and Coyle scurried to third and came home as the ball went through the centre fielder. Rossiter was safe at first on the pitcher's error and Charlie Ready was hit by brother Jack. The uprising was then halted as Cairns grounded out to the pitcher.

The longest hits of the game were doubles by Lewis, Hennessey and H. Hughes. No one player had more than one hit.

Summary

Earned runs, Kinsmen 1; K. of C. 1; doubles, Hennessey, Lewis, Hughes; sacrifice hit, MacLeod; base on balls, by Ready; hit batters, by Ready 1, by Cairns 2; left on base, Kinsmen 11, K. of C. 7; struck out, by Ready 11, by Cairns 7; passed balls, Hughes 2; wild pitch, Cairns 1; R.B.I. J. Ready 1.

Umpires: Plate, Francis; bases, Goss.

Doyle Wins Horseshoe Club Tournament

Ambrose Doyle captured the Brighton Horseshoe Club singles title and the Bill's Bike Shop Trophy at the end of the week-long tournament which concluded last night. Doyle went undefeated in a total of 13 games played for a total of 26 points, two over his nearest competitor, Earl Goss, who placed second, while Earl Brown finished in third place with 18 points.

At the conclusion of last night's tourney, club officials announced that a meeting will be held at seven o'clock tonight to lay plans for an A and B group doubles tournament which will get underway in the near future.

The following are the final results of the singles tournament:

	GP	W	L	Pts
A. Doyle	13	13	0	26
E. Goss	14	12	2	24
E. Brown	10	9	1	18
J. Davey	13	5	8	10
