

To Prevent Headaches take

ENO'S FRUIT SALT

HEADACHES! What woman isn't subject to them? Some frequently. Others less often. But, in any case, if the womenfolk would only follow the example set by their husbands and brothers in the use of Eno's "Fruit Salt," they, too, would escape the annoying, painful headaches caused by a lazy liver or deranged digestive system. Made of the stimulating and refreshing elements of ripe fruit juices, Eno's rouses the torpid liver to fresh activity and cleanses and invigorates the whole digestive and eliminative tract. A headache has no show where Eno's is.

Wadman, Summerside. When he enlisted first he was only fourteen years and six months of age. LECTURE AT O'LEARY.—On Monday evening, April 1st, Rev. H. G. Mellick gave a lecture here in Orange Hall under the auspices and in the interests of the Red Cross Society. His subject was "Canada." He made brief reference to the progress the country has made during fifty years of Confederation. He gave statistics and illustrated by a map the wonderful interest the resources and beauties of Canada. Having lived in Western Canada for many years and travelled extensively he had the advantage of seeing much of the country. He set forth by vivid description the wonderful resources and magnificent scenery along the 3883 miles of railroad from Sydney to Vancouver. The humorous stories and accounts of adventures he wove into the lecture kept the audience alert for an hour and a half. In concluding he emphasized the fact that we must be more and more conspicuous in the eyes of the world than ever before. We have entered into world relationships and have become world citizens in a fuller sense than ever, we were in the past. We must now rise to the new situation and bear our part in the world's progress. We must, therefore, into our inheritance said the speaker and strive to produce a high type of manhood and womanhood. After the lecture several citizens spoke appreciatively of it and a vote of thanks was tendered the lecturer, Rev. Mr. Murray occupied the chair.—Com.

Sergeant Norman Lowther, of Kensington, another gallant young son of Prince Edward Island who has fought and suffered in the cause of freedom, arrived in Charlottetown last evening by the special train from Georgetown and was accorded a hearty demonstration of welcome. The Secretary of the Soldiers Reception Committee had received word the previous day of his coming and though it was Sunday and Church time, there was, nevertheless, an immense crowd on hand to greet him and join in the cheers of welcome. A guard of honor composed of the Overseas Drafts with band under command of Major Leigh was drawn up in line at the station and as Sgt. Lowther appeared in view three rousing cheers and a tiger greeted him. He was then conveyed in Large Bros. big barouche, in waiting, drawn by their handsome span of white horses. Here he had the pleasure and surprise to meet his mother, Mrs. Isaac Lowther, who was notified by phone on Saturday of his coming and lost no time in hurrying to Charlottetown to meet her brave boy. Mayor Brown was also on hand at the station and Mr. James Paton, Mr. L. A. and Coun. McKenzie. The clergymen on the reception committee were absent on account of having to conduct their services. Headed by the Band, accompanied by the Guard of Honor a procession was formed to the City Hall in front of which a halt was made and Mayor Brown, on behalf of the City, standing up in the carriage, said he was proud of the opportunity of welcoming Sgt. Lowther back to his native Province. That he was evidenced by the large crowd standing around him. He complimented him on the part he had played in the great struggle and hoped that soon he would be restored to a full measure of health and strength. The Mayor then called again for cheers for the returned hero which were given with a vim. The Honorable Colonel Jenkins on behalf of the Government then spoke briefly referring to the splendid record of the returned hero who he was sorry to say, returns minus a leg and wounded in the arm. Major Leigh also spoke in words of welcome and called for cheers for the King. On the suggestion of Mayor Brown, cheers were also given for the United States which latter country is the latest to range herself on the side of the Allies. The band then played "He's a Jolly Good Fellow" and the hero was conveyed to the home of his uncle, Mr. Peter Newsome, Brighton, whose guest he is while in the City. Seen by a representative of The Guardian last evening at Mr. Newsome's home, Mr. Lowther gave a few particulars of his war experiences. Notwithstanding all he has gone through, this young man, who looks to be no older than 24 or 25 years, is quite cheery and looks remarkably well. He was Principal of the High School

GET RID OF HUMORS

Hood's Sarsaparilla is the Medicine to Take—Makes Pure Blood

Dry, moist, scaly, tetter, pimples, boils, and other eruptions come from humors, which may be either inherited, or acquired through defective digestion and assimilation. To treat these eruptions with drying medicines is dangerous. Hood's Sarsaparilla, the old reliable medicine, helps the system to discharge the humors, and improves the digestion and assimilation. Get Hood's Sarsaparilla from your druggist. It may be confidently relied upon to do its work. It purifies the blood, tones the stomach, and builds up the whole system. It goes to the root of disease, and its beneficial results are permanent. It sets things to rights in the system. Remember to ask for Hood's Sarsaparilla, because nothing else acts like it, and nothing else can take its place.

in Kensington when the war fever struck him in February, 1915—and carried him off. He enlisted in Kensington in the 5th C. M. R. and spent two months in England before crossing to France. His first taste of actual war was at Ploegstreet and Messines. He later moved up to Ypres where he got so close to the enemy as to receive, in bayonet scratch on the forehead. This was in the third battle of Ypres. His division (the Third) left for the Somme in September, the big advance beginning on the 5th of that month. On the 16th after an enemy trench had been taken, while with an advance party of about thirty or forty men, a piece of shell struck Sgt. Lowther on the leg, blowing off his knee cap. He was being carried back to the dressing hospital that night, a distance of three miles, when a piece of shrapnel struck him on the right arm, making an ugly wound and buried itself in the cigarette case inside his breast pocket. The cigarette case undoubtedly saved his life. The force of this shot was so great that he was blown off the stretcher on which he was being carried. He still retains the shrapnel fragment as a souvenir. Sgt. Lowther remained ten days in France after that in No. 1 Canadian Hospital at Etaples. He next spent four months in the Alexandra Hospital, Portsmouth and afterwards was sent for some time in hospital at Ramsgate. His leg was twice operated upon. With the hope that it could be saved, but it was found that this could not be done and the limb was amputated above the knee.

Sgt. Lowther's son of Mr. and Mrs. Isaac Lowther of Kensington. He is a graduate of Prince of Wales College and taught school two years in Bequeque and part of a year in Kensington. His home town will no doubt accord him a fitting welcome when he arrives there today and he richly deserves it.

REV. MR. WILSON APPOINTED.—Rev. W. D. Wilson of Fredericton, N. B., the New Brunswick Secretary for the Dominion Alliance, has been appointed Chief Provincial Inspector, under the Prohibition Act.

According to the latest casualty list W. H. Graham, Murray Harbour, in infancy, is reported killed in action. William McKenzie, Charlottetown, Infantry, is wounded. Max Hildeby, of Georgetown, Artillery, is dangerously ill.

ISLANDER LEADS DAIRY CLASS.—Word has been received from Guelph, Ont., that Mr. J. A. McManus, son of Mr. John McManus, Boashaw, has led the 1917 dairy class with first class honors. He scored 1020 points out of a possible score of 1200, and averaged 85 per cent. in all subjects. He has accepted a position with the Dairy Dept. of Saskatchewan.

WEDDED IN TRURO.—The marriage of Mr. L. Ray Tanton, of Halifax, and Miss Ethel C. Fraser, of New Glasgow, N.S., took place at Truro on April 5th. Mr. Tanton is the son of Mr. and Mrs. W. N. Tanton, of this city, and is in the employ of T. C. Johnson & Sons, Jewelers, of Halifax, where they intend to reside. The Guardian extends hearty congratulations.

A NARROW ESCAPE.—What might have been a serious accident occurred a few days ago in Victoria, when Mr. Seymour Snow, who was employed in sawing wood for Mr. James Waddell, had the misfortune to have his hand caught in the saw but owing to the presence of mind of Capt. A. McLean, the engine was stopped very quickly and Mr. Snow escaped with only a cut on one finger and a badly mangled mitten.—V.

THE CRUCIFIXION.—Stainer's Crucifixion was exceedingly well presented by the choir in the First Methodist Church on Good Friday evening, before a very large congregation. Prof. Hinton and Mr. C. J. Gallagher, baritone and tenor, took the leading portions for male voices splendidly and Mr. Roy Quigley also rendered a solo very effectively. The lady soloists were Misses Mamie Smith, Kathleen Moore, Helen Large and Eva Murdoch.

PLANNING RECEPTION.—A joint meeting of the town council and recruiting committee of Souris was held last Thursday evening, to make arrangements for a fitting reception to be tendered Bdr. Meurant, on his return from the firing line. A permanent reception committee was appointed, as follows: Mayor Matthews, (chairman), Judge Fraser, Rev. John Macdonald, Rev. E. C. Styles and Rev. A. McKay. Bdr. Meurant who returns sorely wounded and the others who may yet return, deserve much more honor than can be shown to them by a reception, but no doubt a humble effort of this kind will be appreciated by the heroes.—

DEBATING SOCIETY.—The regular meeting of the P. W. C. Debating Society was held on Tuesday last. The subject was: Resolved that War is more detrimental to the advance of civilization than is intemperance. The debate was opened by C. Simpson who spoke for over fifteen minutes, and in his very capable manner dealt with the subject in a most comprehensive way. He was followed by Mr. J. Brow the leader of the opposition, who furiously denounced the arguments of the opener, and very forcefully and emphatically presented his view of the subject. When Mr. Brow resumed his seat, having occupied over twenty minutes, Mr. Simpson moved that the meeting be adjourned as it was then after the hour. This Debate will be resumed on Tuesday next, and promises to be of unusual interest as the leaders are old time rivals.

SOCIAL FAREWELL AND PRESENTATION.—Life, sometimes, seems to run on in ordinary and commonplace channels like a stream through an uninteresting plain, till suddenly at some unexpected turn the stream flows into some delightful nook shaded and abounding with a wreath of flowers.
