Terrible Experience"

ecall My Experiences with the Burglar with Feelings of Horror!"

w would you feel if you wakened middle of the night with a ht shining in your eyes and ff voice of a man threatening f you make the slightest noise, oot?' That was my experience of last March when my hus- was away in the woods and I lone with my three children. time I think of this experience lder passes over me and as long ve I shall remember it. At the I really thought I would die. wonder my heart did not stop g. I was so weak that even if any desire to move, I could not. bathed in a cold, clammy pers- on. Even to recall the shocking s now makes me shudder. It result of this shock that I ected a high fever and for hours time I was delirious. I got so that the doctor finally gave up of my ever recovering, but by l nursing, I was finally pro- ed out of danger. The shock left me so weak, that, for no n whatever, I would suddenly into tears. All the life seemed ve been taken out of me. I kept getting weaker and weaker, so much so that my husband and children were constantly worrying about me. Doctors prescribed for me and while I willingly tried their medicines, only very few of them did me any good, but unfortunately the good was not lasting. My family asked me if I would try Carnol and I said, 'I was willing to try anything,' but felt that it would not do me any good. Four bottles of Carnol taken regularly, has completely restored my former health and strength and, while I occasionally recall my experience with the burglar with feelings of horror, I am otherwise as well and strong as I have ever been. Carnol is the most wonderful preparation I have ever used for building and restoring health and strength. It has done wonders for several of my friends to whom I have recommended it." Mrs. McC. of....

Carnol is sold by your druggist, and if you can conscientiously say, after you have tried it, that it hasn't done you any good, return the empty bottle to him and he will refund your money. 4-622

Church Re Opening Services

The re-opening services at the New Glasgow Presbyterian church was held on Sunday, Oct 29th., at 11 a. m., the pastor Rev. J. S. Bonnell preached an appropriate sermon from Psalm 73, verses 16 and 17. Mrs. Bentley sang very sweetly a solo "Come Unto Me." A quartet composed of Messrs. Laird, Brown, Bentley and Brown all from Kensington also gave a selection which was very much enjoyed by the congregation. A special selection was also sung by the New Glasgow choir. The church was crowded to its utmost capacity. The pastor announced that the objective of $200 was set for the two services of the day. At the evening service the pastor was assisted by Rev. A. P. Hodges of the Christian Church. Rev. Wilfred J. McLeod of New Glasgow preached a very fine sermon from Psalm 103, verse 14. It was listened to with marked attention by the very large congregation. A party of about twenty singers from Charlottetown choirs had charge of the musical program. Mrs. Keith Rogers presided at the organ. A duet "Beautiful Isle of Somewhere" was very sweetly rendered by Miss Dorothy Sutherland and Mr. Williamson of Charlottetown. Mr. Arthur Bruce sang two solos with splendid effect—the second one was sung by special request. The singing of the choir was much enjoyed. People were gathering for the evening service an hour before the time advertised and long before 7 p. m. every foot of standing room in the church was taken and quite a number of people were unable to gain admission. The pastor announced at the evening service that the morning's offering was $128.50 and that there was good hopes of reaching the objective set. The managers announce that the total collections for the day amounted to $209.50 with special subscriptions in addition to $40.00. Thus the objective was exceeded. The total cost of the improvements amount to about $2,300, a large part of which has already been subscribed. Many complimentary remarks were made concerning the splendid appearance of the church. The people of New Glasgow are very grateful to their friends from Kensington and Charlottetown for their kind assistance and also to Dr. J. C. Houston to whose credit the musical arrangements were largely due.

EXECUTIONER'S JOB IS COVETED BY MANY

OTTAWA, Oct. 30.—Since the first hitch in the carrying out of the execution of Benny Swim of Woodstock, N.B., due to the inability of Ellis, the official hangman, to be present, numerous applications for the position of Canadian public executioner have been received by the justice department. These applications come from all parts of th dominion and from all sorts of individuals. A few claim to have had experience either in military executions or as substitute for Hangman Ellis. Some actually offer references as to character and habits and at least one—a good-looking young fellow—enclosed his photograph.

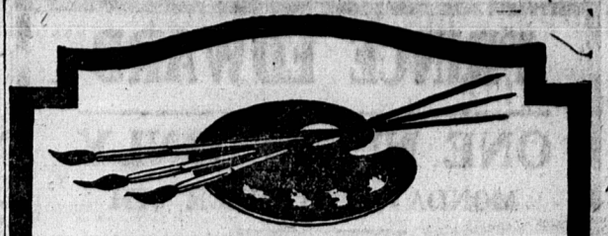
DAUGHTER HAD TO HELP MOTHER

Now Can Do All Her Housework Alone Because Lydia E. Pinkham's Vegetable Compound Helped Her

Jasper, Minn.—"I saw in the paper about Lydia E. Pinkham's Vegetable Compound and took it because I was having such pains in my stomach and through my back that I could not do my work. I had tried other medicines, but none did me the good that your Vegetable Compound did. Now I am able to do all my work alone while before I had my daughter staying at home to do it. I have told a number of friends what it has done for me and give you permission to use my letter as a testimonial." — Mrs. JESSE PETERSEN, Route 1, Jasper, Minn.

There is no better reason for your trying Lydia E. Pinkham's Vegetable Compound than this—it has helped other women. So if you suffer from displacements, irregularities, backache, nervousness or are passing through the Change of Life remember this splendid medicine. What it did for Mrs. Petersen it may do for you.

The Vegetable Compound stands upon a foundation of nearly fifty years of service.



World-Famous Art

You need not visit the Louvre, the British Museum, the Vatican nor the New York Metropolitan to admire the world's famous masterpieces. One or more are reproduced in almost every issue of

THE LADIES' HOME JOURNAL

And the faithfulness of color and design is almost beyond belief. Thus you may not only see them; you may frame and *own* them at very small cost.

For example, let me tell you what you'll enjoy in the December issue alone. There's a full-page reproduction of *Raphael's* Sistine Madonna, rated by critics as the world's greatest picture. Color engravings for this beautiful reproduction were made especially for The Journal by a famous foreign engraver. *Copping*, illustrator of the Copping Bible, gives you his interpretation of "The Sermon on the Mount." *Edmond Dulac*, R. A., illustrates "The Feast of St. Stephen," the origin of most of our best-loved Christmas carols. And the Christmas cover—a *Soulen*, created by a new method—is doubtless the most elaborate and striking ever made for any magazine. But art is only one of the many Journal features. Its fiction (*often illustrated in full color*), articles, fashion news, needlework—all are reasons why you should treat yourself—or a friend—to 12 big issues for $1.50.
