**The Largest Jack Manufacturer in the World Writes about Zutoo**  
Regarding your Zutoo Tablets I beg to say: I have been a sufferer from headache since childhood and have used all, or nearly all, of the so-called "cures" on the market, till warned by my physician to discontinue their use on account of their bad effects on the heart. Some months since your attention was called to your Zutoo Tablets and I have been using them ever since with the most gratifying results. I find they cure a "stitch" or "nervous" headache in a few minutes and leave no bad effect. My family use them whenever needed with equally good results. I have frequently given them to friends who were suffering from headache and they never fail to give quick relief. I find them a good remedy for "sour" stomach as well as headache. I always carry them in my grip on the road and would not be without them at any cost.

**Consider Your Feet!**  
You demand a coat that fits right the first time on. Why buy a shoe that doesn't, and has to be painfully "broken in"?  
You can always get a **"Traveller"** that fits every part of your foot the first time on, and always gives you solid comfort.  
The more you wear "Travellers" the more you'll wonder how we make them at the price—\$3.50 to \$4.50.

**"Get A Skate On"---Both Feet**  
Speed skaters use Tube Skates because they run easier and they are lighter. Get a pair and be convinced? I am handling the two best makes—the "McCulloch" and the "Dunne." The Dunne is a diamond tube reinforced on the inside, thus making it impossible to be dented or bent. The ladies' styles are very pretty and neat. I am also handling a speeding and hockey shoe, specially designed for tube skates. Skates sharpened and riveted to Shoes a specialty.
