

Need Coal?

LOOK!

If you were told of a new discovery for the treatment of coughs, colds and bronchitis, as certain in its action on all chest troubles as anti-toxin is on diphtheria, or vaccination on small-pox, wouldn't you feel like giving it a trial? Especially if you could try it for fifty cents!

Peps is the discovery!

Peps are little tablets, neatly wrapped in air and germ-proof silver foil. They contain certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapour, and are at once breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter and carry relief and healing to the capillaries and tiny air sacs in the lungs.

In a word, while no liquid or solid can get to the lungs and air passages, these Peps fumes get there direct, and at once commence their work of healing.

Peps are entirely distinct from the old-fashioned liquid cough cures, which are merely swallowed into the stomach, and never reach the lungs. Peps treatment of coughs and colds is direct treatment.

If you have not yet tried Peps, cut out this article, write across it the name and date of this paper, and mail it (with 10c stamp to pay return postage) to Peps Co., Toronto. A free trial packet will then be sent you. All druggists and stores sell Peps at 50c. box.

You Can Put Up Beaver Board In Winter Time

BEAVER BOARD makes durable artistic sanitary walls and ceilings. It is a pure wood fibre wall board and is put up in panels nailed directly to studding and joists for new work, or over old lath and plaster for remodeling. It is never papered over; its beautiful pebbled surface takes artistic decoration by paint—oil or watercolor.

Beaver Board takes the place of lath and plaster; it never cracks and never needs replacing. Makes a house warmer in winter and cooler in summer.

Let us show you how you can use Beaver Board. Call, write or telephone.

HOUSE OPENING.—There appears in Saturday's Royal Gazette a proclamation giving notice of the opening of the Legislative Assembly of Prince Edward Island on Wednesday, March 11.

COLDEST YET.—The high winds of Tuesday night ushered in one of the coldest snaps of the season some of the thermometers at Granville registering as low as 18 degrees below Wednesday morning and the temperature did not rise above 10 degrees below all day. Thursday morning it registered even colder going in some places as low even as 20 degrees below.—X.

I. O. G. T.—At the weekly meeting of Prince Albert Lodge, I. O. G. T., of Murray Harbour the following program was rendered: Singing by Choir; Recitation, Sister Herring; Instrumental Music, Bro. C. Jordan and H. Reynolds; Recitation, Sister Addie McDonald; Reading, Bro. Jas. Brookes; Instrumental Music by Bros. Carl Jordan and H. Reynolds; Recitation, Sister Blith Murry; Recitation, Sister M. Herring.—Q.

CLOSING OF ROAD.—By order of the Governor-in-Council there has been closed that portion of the old road, Township No. 12, leading to the Enmore River, starting from the main Western Road diagonally through the farms of H. Carter, H. Robinson and William McIntosh, until it strikes the division line between the farms of James D. Campbell and the said William McIntosh. A notice to this effect appears in Saturday's issue of the Royal Gazette, a previous notice of thirty days having then expired.

EXCELSIOR INSTITUTE.—Great interest is being shown in the weekly meetings of Excelsior Institute at York. On Saturday they were entertained with a lecture from the president Mr. P. Brodie on his trip West, which was both instructive and interesting from a historical and business view point. The members of the Women's Institute honored the meeting with a visit and gave some entertainment. Plans have been made for the annual banquet which will take place on Feb. 18th. The egg circle received their stamps and made their first shipment from a large number of members.

ANNUAL MEETING.—The Cherry Valley Dairying Co., held their annual meeting on the 11th inst. The President, M. J. McLeod, in the chair. The Secretary's account of the business of the past year was read and discussed and the patronage much pleased at the satisfactory outcome of the year's work. When the election of directors was taken up all the old directors present refused to allow their names to go on the ballot; so a new board was elected. They are:—Mr. H. W. Tweedy, Neil W. McKinnon, Neil Fraught, John J. Fraught, J. P. Irving, Louis Hayden and James McEachern.

MAYFIELD.—The Wyand Brothers have sold their fox for a handsome sum.—Mr. George Publicor, an enterprising new neighbor, has been supplying the people of North Rustico with milk for the past few weeks.—His friends regret to hear of the death of Mr. John Rogers, one of Mayfield's well beloved men, who died at his home on Monday 26th and whose funeral took place on Wednesday. His remains being laid to rest in St. Anne's Roman Catholic cemetery. A widow, three sons and three daughters are left to mourn a loving and devoted husband and father.—Miss Agatha Fleming, who has been clerk in Mr. Frank Andrew's store for the past few years, has left. She will be greatly missed by all her friends here.—Mr. John Fraser is doing great business in booking orders for binder twine.—Mr. Dewitt Brown has purchased his supply for the coming harvest.

Let us show you our Thermos Goods and tell you if their many uses—no home should be without a Thermos Bottle.—The prices are now within reach of all. Have you seen the Thermos Lunch Pits? Excellent for railroad men—\$2.75 up. E. A. Foster, Central Drugstore. Mfr.

FUNERAL HELD.

The funeral of the late Mr. Henry Wigmore, Granville Road, took place last Tuesday from his late residence to the Springfield Cemetery. The funeral service was conducted by Rev. John B. Gough.—X.

TEMPERANCE.—At the weekly meeting of Pearly Stream Division, Granville, held on Tuesday last, two new members, Mr. Austin Taylor and Harry Burgoyne were initiated into the Order and five other names were handed in as proposals for membership. An enthusiastic meeting was held and a discussion between some of the members, as to the actions of the Temperance Alliance, took place which was postponed until the next meeting. The field secretary of the Temperance Alliance, Rev. W. D. Wilson, intends lecturing in Granville hall on Monday and no doubt he will settle any doubts that may have arisen from the actions of the Temperance Alliance.—H.

PICTURES ENJOYED.—The Colonial Picture Company held moving picture shows, in the Murray Harbor Hall, on Wednesday and Thursday evening. Although the weather was extremely cold a good crowd turned out both nights. The first night there were five reels shown among the number being—"The Pathe Weekly," showing all the important events which had happened during the ensuing week. "Every Double Cause Trouble," a very humorous picture in which the double gets mixed up with a girl besides a number of other influential persons and is finally caught when the two men come together. The last reel entitled "Waiting for Hubby" caused much laughter, when Hubby goes out to mail a letter, meets one of his old associations and gets in trouble. He causes his poor wife a great deal of anxiety and is finally brought home in a police wagon. The second night was as good as the first having two new reels entitled—"Texas Kelly at Bay," in which a young man holds up a number of bandits and rescues the stage coach, in which the daughter of his employer is returning from college. The second one was where two young men love the same girl. One is upright and the other is the reverse. The bad young fellow marries the girl and forges some notes. The other chap takes the blame to shield the girl and is sent to prison for five years hard labor. He is released on good behavior and where a girl man in a fit of drunkenness falls from a window seriously injuring himself, but, before he dies, he confesses and the young woman tries to repair the wrong done to the hero.—Q.

10 CENT "CASCARETS" IS YOUR LAXATIVE

Best liver and bowel cleanser and stomach regulator known.

Get a 10-cent box. Put aside—just once—the Salts, Pills, Castor Oil or Purgative Waters which merely force a passageway through the bowels, but do not thoroughly cleanse, freshen and purify these drainage organs, and have no effect whatever upon the liver and stomach.

Keep your "insides" pure and fresh with Cascarets, which thoroughly cleanse the stomach, remove the undigested, sour food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripe, sickens and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have headache, Biliousness, Coated Tongue, Indigestion, Sour Stomach or Constipated Bowels. Cascarets belong in every household. Children just love to take them.

Your Children's Teeth

are as important to be looked after as are the older people's—perhaps more so. Their teeth may not ache nor be decayed and they should not be allowed to get so. A tooth in time, as well as a stitch in time saves nine. Bring the little folks into our office and their teeth will be carefully looked after. First-class work at moderate prices. Extracting without pain. Examination free.

FADS AND FASHIONS

The train of an evening gown should be lined with own material or with a plain silk of its own color. Little vest "tabs," showing under the closing of the coat are almost indispensable to the fashionable costume.

More and more the long-bodied French style is seen in children's frocks, both for school and better wear.

Macramé work is gaining in favour everywhere for all sorts of objects from girdles and handbags to table covers.

Fashion is going to be opposite extreme of tight swathing, new coats and other wraps being positively voluminous.

Panama hats are sometimes trimmed with scarfs of raw silk stretched in color. Pongee done in green has a good effect.

One of the prettiest necklaces is the velvet collar with its pendant or buckles. Short strings of very heavy beads are also liked.

Some of the new cotton crepes have a dash of silk mixed in with them to form a design, and this design is often as not in color.

In planning a blouse or gown, be sure always to have soft lines about the neck. The woman doesn't live who isn't improved by them.

Broad slashes of Roman striped ribbon are a pretty note of brightness in the simple dark dresses appropriately chosen for schoolgirls.

Coats to the new "sweater dresses" for spring are cut very full, hanging loose from the shoulder and springing into godets at the hem.

One of the most radical French dressmakers is showing gowns with draped skirts of black satin and bodices of peau de peche in bright colors.

Duveltyne is a great disappointment so far as durability is concerned, but it is forgiven for its wonderful texture. Wool velour has its virtues without its vices.

Chiffon taffeta lends itself peculiarly well to hip and bustle draperies—which may be one reason why we may expect to see a great deal of this taffeta for spring.

FALLING HAIR MEANS DANDRUFF IS ACTIVE

SAVE YOUR HAIR! GET A 25 CENT BOTTLE OF DANDERINE RIGHT NOW.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—anytime—will surely save your hair.

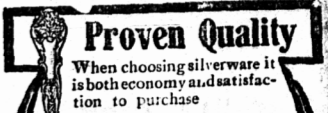

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance; an incomparable gloss, and softness, but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.
