**"My Heart Would Palpitate, I Had Weak Spells"**

Mrs. L. Whiting, 202 King St. West, Brockville, Ont., writes: "I took very sick with my nerves and stomach, and seemed to be all run down. At times my heart would flutter and palpitate so and I would take such weak spells in the pit of my stomach that I sometimes thought I would never get better. I had almost given up hope when a friend advised the use of Dr. Chase's Nerve Food. I did not stop until I had taken twenty-five boxes. It has done wonders for me and I want to recommend it to everyone."

(Continued from Page One.)

In reply to Coun. Moran, Dr. Croken stated there were thirty-seven licensed vendors. The three remaining vendors mentioned in the test were store keepers. He was not aware that any regular vendors were selling without license. On the suggestion of Coun. Yeo the Clerk was notified to instruct the Police to have all vendors use the recently adopted system of license numbers, plainly displayed.

Dr. Croken said there were cows kept within the city limits that were not tested for tuberculosis and there was some discussion as to the best means of dealing with this question.

The Street Committee submitted the following report, which was adopted:

**STREET COMMITTEE REPORT**

To His Worship the Mayor and City Council:

Gentlemen:—The Street Committee to whom has been referred a release agreement of the Carrette-Paterson Mfg. **An occasional dose of DR. CALDWELL'S LAXATIVE SYRUP PEPSIN**

Keeps young girls fit

**False Modesty Wrecks Health**

THE young lady just assuming the responsibilities of a woman is very apt to be self-conscious of her physical functions, and in consequence neglect them. There is no time, however, when it is more important for her to look after them. Chief among her troubles is constipation, and her suffering will be serious when she gets older if she does not regulate her bowels now. Mrs. J. Charbonneau, 3410 Adam, Montreal, recommends Dr. Caldwell's Laxative Syrup Pepsin to all her friends, and Mrs. Henry Joyce, Croton, Ont. says it is the best remedy for constipation she ever used.

**Public Recognizes Merit.**

You will quickly see the difference between a mild laxative like Dr. Caldwell's Laxative Syrup Pepsin and castor oil, or rough cathartics and physics. Syrup Pepsin acts gently and does not gripe. Increased doses are not necessary. A bottle can be had at any drug store, and a spoonful costs less than a cent. It has been successfully used for thirty years and is the largest selling liquid laxative in the world, over 10 million bottles having been sold in drug stores last year. Keep Laxative Syrup Pepsin in your medicine chest.

**Safe for Young and Old**

Let mothers with growing daughters interest themselves in this matter and see that their judgment is enforced. A rule followed by many is to take a spoonful of Dr. Caldwell's Laxative Syrup Pepsin once a week until the bowels function daily, and at such other times as there is headache, biliousness, or any other ailment.
