**Purchasers are Entitled To a Common Stock Bonus**

Have you ever thought of the advantage of buying bonds or preferred stocks with a common stock bonus? It often turns out to be a very profitable investment.

Take, as an instance, the undermentioned securities, which we offer in lots to suit purchasers, and with which is given a substantial bonus of common stock.

Hewson Pure Wool Textiles 5 p. c. Bonds.  
Hewson Pure Wool Textiles 5 p. c. Preferred Stock.  
Nova Scotia Clay Works 5 p. c. Preferred Stock.  
North Atlantic Fisheries 7 p. c. Preferred Stock.

In the first place, these securities afford a safe investment, yielding a good interest return, and then there is a possibility of a very profitable investment in the common stock.

As the position of the companies improves, the price of the common stock will increase, and when, in a few years, these companies are in a position to pay dividends investors can sell their common stock holdings at a good profit, or retain them and further increase their interest income.

Full particulars regarding any of the above issues will be sent upon application.

**"MY STOMACH IS FINE**  
Since Taking Na-Dru-Co Dyspepsia Tablets"

Mrs. J. Merkhuger, Waterloo, Ont., enthusiastically recommends Na-Dru-Co Dyspepsia Tablets. Her experience with them, she outlines it, explains why.

"I was greatly troubled with my stomach," she writes. "I had taken so much medicine that I might say to take any more would only be making it worse. My stomach just felt raw. I read of Na-Dru-Co Dyspepsia Tablets, and a lady friend told me they were very easy to take, so I thought I would give them a trial, and really they worked wonders. Anyone having anything wrong with his stomach should give Na-Dru-Co Dyspepsia Tablets a trial, they will do the rest. My stomach is fine now and I can eat any food."

One of the many good features of Na-Dru-Co Dyspepsia Tablets is that they are so pleasant and easy to take. The relief they give from heartburn, flatulence, biliousness and dyspepsia is prompt and permanent. Try one after each meal—they'll make you feel like a new person.

"The death of Mrs. I. S. Chaisson occurred at her home on breakwater Street, Souris on Aug. 21st after a brief illness at the age of seventy-two years. She was the last member of her family, the last of her brothers having predeceased her by two years. When ten years of age she came to this Province from Antigonish, N. S., with her father, who ran a gristmill for a number of years at East Balise. Mrs. Chaisson was first married to Philip Johnson, who died fifteen years ago, her second husband, I. S. Chaisson, who still survives her, has the sincere sympathy of the community in the loss of an affectionate and loving wife. The funeral took place Friday, August 23rd, when a large concourse of friends and acquaintances paid their last tribute of respect to the departed by attending her funeral from St. Mary's R.-C. Church to the Cemetery. May her soul rest in peace."

**SOME FACTS.**

In 1891 The Morning Daily Guardian was established, and is still issued each morning with the latest local and foreign news, including the Canadian Press and a special telegraphic service.

In 1887 The Weekly Guardian was established, but its issue proved too infrequent for readers and from time to time was changed, first to a Semi-Weekly, then to a Tri-Weekly, and later to a Rural Daily, so that for years The Guardian has issued two dailies, as at present—one in the morning as a Morning Daily, and the other in the afternoon as a Rural Daily. As the name of the latter was never sufficiently clear as to what it implied and always required much explanation, it was in May last changed to Evening Daily, and continued as an afternoon paper.

For some time past the management has felt that Prince Edward Island is justly entitled to a twenty-four hour telegraphic news service, as enjoyed by the other Provinces of Canada, rather than the night wire service only, as up to June 30th last supplied by The Morning Guardian and afterwards printed in The Evening Guardian. Accordingly a representative visited St. John and arranged for a Canadian Press day service, which is appreciated by the general public.

It is thus to The Guardian that the people of Prince Edward Island are indebted, first for a night Canadian Press service and now for the day Canadian Press and Special Telegrams as well as several hundred for The Morning Daily.

The friends of both The Morning Guardian and The Evening Guardian are quite expressive of their appreciation that their favorite paper contains the latest day and night, as well as night and day Canadian Press and Special Telegrams and local news, and thus a complete twenty-four hour service. Advertisers are also more than pleased with the rapid increase of fully two thousand readers already in The Evening Guardian's circulation, as well as several hundred for The Morning Daily.

The Guardian ever realizes its obligation to furnish its readers with the latest and best news service obtainable, and to give to its advertisers the largest and most valuable circulation possible.

The Guardian is now out issuing two dailies, one in the morning and the other in the afternoon, as it has been doing for years, but since July first its afternoon paper contains its own day's news in addition to that of The Morning Guardian, or, in other words, the news of the twenty-four hours immediately before it goes to press. The Morning Guardian occupies a similar position.
