

"I'm Retiring on \$150 a Month! Happy?... I Should Say!"

"I'm all set to really enjoy life on an income I can't lose... maybe I'll travel... fish... golf... in fact I think I'll do all these things... I'll be able to spend every last cent of every cheque just as I please.

"Friends wonder how I can afford to retire at 60... but almost any man with a moderate salary can do it... and what also surprises folks is that had I not lived to enjoy it, the Canada Life would have given my wife an income for life instead."

We would be very happy to discuss the same arrangement with you.

In Memoriam

MRS. FULTON RAMSAY

In the early hours of Tuesday morning, April 12th, Mrs. Fulton Ramsay passed peacefully away at her home in Mount Royal, after a long illness borne with Christian patience and courage. Mrs. Ramsay was the only daughter of the late John and Mary Lockerby and was born 68 years ago at Hamilton, P. E. I., where she resided until her marriage. The first few years of her married life were spent in Sherbrook, but for the last thirty-five years she and her husband have made their home in Mount Royal near O'Leary. Her husband predeceased her by twelve days and much sympathy is felt for their only son, Harry bereft of both parents in such a short time, also his wife and family, Wilma and Roy. She also leaves to mourn two brothers, H.J. Lockerby, Fortune Cove and F.R. Lockerby, Hamilton. She was a woman of kind, loving disposition, and will be kindly remembered by a wide circle of friends and neighbors. The funeral service was held at the home, Thursday (yesterday) April 14th and was conducted by Rev. Wm. Mercer. The hymns sung were "Abide With Me"; "The Lord's My Shepherd" and "Rock of Ages." A solo, "The Christian's Night-Night" was sweetly rendered by Mrs. Mercer. Interment was made in Mount Royal Cemetery.

So Bad With Nerves Would Lie Down and Cry It is generally admitted that nerve troubles are more frequent than formerly and growing more so every day. Wherever there are people whose health is poor, and their nerves shattered, they will find in Milburn's Health and Nerve Pills a tonic that will help to restore the deranged centres, and bring the nervous system back to its old time condition. Mrs. K. M. HARVEY, Bramber, N.S., writes: "I got so bad with my nerves I would lie down at the time it bed and cry. Most of the time it just seemed I could not help it and would not know what I was crying for. I used to feel as if I would go crazy I was so bad. I tried several different medicines, but received no relief. I then took Milburn's Health and Nerve Pills, four boxes of them, and started to feel better after the first few doses. Now I feel better in every way." Patented by The T. Milburn Co., Ltd.
