Then ALL-BRAN Brought Relief

Read this very enthusiastic letter:
 "I am 34 years old and as far back in my life I have been constipated. I was so bad that I had one bowel movement every five or six days. I was taking every kind of drug known for constipation."
 "Now for the last two months I have been eating a little ALL-BRAN night and morning and I have at least two to three bowel movements each day."—Mr. Frank Piratzky (address furnished upon request).
 Laboratory tests show Kellogg's ALL-BRAN provides "bulk" and vitamin B to aid elimination. ALL-BRAN is also a fine source of iron for the blood.
 The "bulk" in ALL-BRAN is much like that in leafy vegetables. Inside the body, it forms a soft mass. It does not irritate the intestinal wastes.
 Isn't this safer than taking harmful patent medicines? Two table-spoonfuls daily are usually sufficient. Severe cases with each meal. If not relieved this way, see your doctor.
 You'll enjoy eating Kellogg's ALL-BRAN as a cereal with milk or cream—sugar or honey or fresh fruits added. Or, to use in cooking.
 In the red-and-green package. At all grocers. Made by Kellogg in London, Ontario.

Health For Young Girls
 Happiness For Tired Women

Thousands of women become tired out and run
 down, become thin and pale, and profound weakness
 makes life a burden.
 The whole outlook of life is changed when the
 nervous, sick headaches, the sleeplessness, the spells
 of dizziness, of weakness and discouragement, and the
 tired, languid feelings disappear with the use of Mil-
 burn's Health and Nerve Pills. They tone up the nerves,
 enrich the blood, and bring the health back to normal
 again.
