Red Sox Defeat Vets 9-2 At Summerside

Cece Powell let the Legionaires down with four hits in five innings as the Red Sox defeated the Vets at the Summerside High School diamond last night by the score of 9-2. Jupiter Pluvius threatened to spoil it all again but waited this time until the last man was out in the fifth inning before he showed his hand.

For four innings the game was a tight pitcher's battle between Arsenault and Powell, the score being 2-0. In the first inning Landry singled and Phaneuf sacrificed him to second. He advanced to third on Grant's single and came home on Gaudet's infield out. The Sox added another in the second. Powell singled to left field, went down to second on a wild pitch and came home on Paul Schurman's single to right.

Arsenault ran into a barrage of hits in the fifth and before the smoke had rolled away seven Red Sox had crossed the plate. With the score 9 to 0, vivid flashes of lightning crossed and illuminated the field and with a downpour of rain read to begin operations at any moment, the Sox tried to dispose of their opponents in quick order. Arsenault grounded out to the pitcher, but Allen's fly was dropped by Landry. Tanton, MacNeill and MacMurdo singled, MacMurdo driving Allan home, and MacNeill raced home on Syl Bernard's infield out. With heavy rain starting to fall, Ev Phillips filed to Landry, ending the ball game.

Presentation of awards to winning marksmen at the annual meet of the Provincial Rifle Association was made last evening by His Honour Lieutenant Governor J. A. Bernard at a banquet held in the Charlottetown Hotel. Assisting the Governor in making the presentations was Lieut. Colonel W. J. MacDonald, secretary-treasurer of the Association.

Lieut.-Col. W. W. Reid, Director of Physical Fitness, acted as chairman for the evening and during his introductory remarks paid tribute to the riflemen of the Island who have brought credit to this Province by their fine showing at meets in other parts of the country.

Col. Reid also expressed appreciation to the president of the Association, Lieut.-Col. D. A. MacKinnon; the secretary-treasurer, Lieut.-Col. W. J. McDonald, and Lieut.-Col. L. F. McDonald, who acted as range officer during the meet.

The chairman called on Lieut.-Col. MacKinnon for some presidential remarks to the Association. The president observed that the banquet marks the culmination of a year's efforts to increase the activities of marksmen in this Province. The success of this effort has been encouraged by Lieut.-Col. Reid, officer commanding the 17th Recce Regiment. The speaker also expressed regret at the impending retirement of Col. Reid from command of this Regiment. For their support of the Association, thanks were tendered to Premier J. Walter Jones, the City Council, the merchants of Charlottetown, and to all others who have assisted.

The president complimented Col. L. F. MacDonald for the manner in which the meet had been conducted but he warned the riflemen that in order to maintain the high achievements of Island marksmen in the past, they must take their avocation seriously and do a great deal of practising.

Councillor S.F. Doyle, representing His Worship Mayor B.E. MacDonald, referred to the high calibre of Island marksmen at Empire competitions in the past.

The chairman introduced four Bisley shots to the assembled riflemen: Major J. M. Jones, eight times on the Bisley team, Capt. A. J. McCabe, Lieut. Percy Hooper, and Sgt. George McLennan.
