INTENDING STUDENTS SHOULD NOTE CAREFULLY THE FOLLOWING STATEMENT.

Candidates whose numbers are marked with a star have not completed their entrance, but will be allowed to attend college. They will be required to pass supplementary examinations in certain subjects in order to complete this examination before receiving a license to teach in the public schools.

Students who have now passed the Entrance Examination for the first time will be admitted at the opening of the college term and may take; either (a) the Academic Course qualifying for entrance to University or entrance to the Normal Training class or classes; or (b) a course in Commerce which extends over two years.

Though the Academic course leading to completion of High School or University Matriculation normally demands two years of study in advance of Prince of Wales College Entrance requirements, candidates who have made sufficently high standing (65 percent or upwards) will be given an opportunity to complete this work in one year, and if successful will be admitted the following year to the classes in First Year University subjects, or to the Normal Training classes.

Young and immature students making a low pass mark in this examination should hesitate to come at this stage to Prince of Wales College, but should remain another year at school, and obtain a better educational groundwork before incurring the great expense of the course at college.

Every student that purposes attending Prince of Wales College must fill out and return to the "Prince of Wales College, Charlottetown," the form which is found enclosed with the report card received from this entrance examination, at once or at a date not later than August 20th, and all former students who intend to return to college and join the classes of the First, Second, Third, or Fourth Year should also notify the College Office on or before the same date, stating the course they intend to take, so that arrangements may be made for classification and accommodation.

The College office will be closed from August 5th to 19th, inclusive; and open thereafter from 9 till 12 o'clock only each morning of the week.

Prince of Wales College will open on Tuesday, September 8th, at 2 p.m. All students of the Second, Third, and Fourth Year classes will then be enrolled and classes formed. On Wednesday, September 9th, all students of the First Year will be enrolled; those from Charlottetown at 10 a.m. and those from the country at 2 p.m. All commerce students of the Second, Third, and Fourth Years will enroll on Tuesday, at 2 p.m.

Students' fees must be paid at the college on the day of registration. In the case of Third and Fourth students and Commerce students, fees may be paid half-yearly. For the First and Second Year students the fees for the ordinary courses are $5 for country students and $10 for students from Charlottetown. For commerce students the fees are $35 for those from the country and $50 for those from Charlottetown. For Third Year the fees are $50 and $75, and for the Fourth Year $100 and $150 respectively for country and Charlottetown students. All students are required to pay a fee of $1. additional at the same time to cover cost of locker and student activities

The public schools with six weeks holidays will open on Wednesday, August 12th. All other schools except those of Charlottetown and Summerside will open on August 26th.
