BIG GERMAN SUGAR COMBINE.
British sugar magnates report the existence of a big combine of German manufacturers who have forced prices in England down to the lowest ebb.

THE COMPETITION COMES HIGH.
Germany is now paying double for German sugar what Britain does and if these conditions continue the German combine in two years will ruin the Cuban and West India industries.

MAY NOT TAKE HIS SEAT.
It is not now thought that Col. Linch will try to take his seat in parliament but that the Irish Nationalists will rest contented with having defeated Plunket and made themselves disagreeable to the Government.

CHAMBERLAIN CONDEMNED

Anti British Feeling Aroused By His Utterances And People Want Him Muzzled.

Right Hon. Joseph Chamberlain.

PEOPLE BLAME CHAMBERLAIN.
LONDON, Nov. 23.—(Special).—Regardless of party ties the people throughout Great Britain condemn Chamberlain's utterance on the provisions of the army and blame him for needlessly putting his foot into it and raising the only serious anti-British outbreaks on the Continent in recent times.

WANT TO HAVE HIM MUZZLED.
The financial world of England would be delighted to see Chamberlain muzzled on questions of foreign relation. Chamberlain takes the storm with usual cynical indifference.

S.S. Dalton Hall Coming to Ch'town.

It is very gratifying to be able to announce that the large quantity of live stock already offering for direct shipment to the English market is so far in excess of what was anticipated on short notice, that arrangements have been completed by Mr. Hall, the Halifax Manager of the line, who is now here, with Messrs. Horace Haszard and W. W. Clarke to have the S. S. Dalton Hall take the place of the S. S. Ulunda. The Dalton Hall is a steamer of 4,300 tons gross, built in 1897. She is now on her way out to Halifax and may be expected here on or about the 2nd December. The Dalton Hall has a much larger capacity for the carriage of live stock than the Ulunda, and is otherwise better adapted for the service. Farmers and shippers will do well to avail themselves of this splendid opportunity to send their live stock and products direct to the British market.

LOSS OF FLESH.
If you find yourself falling below normal weight there is danger. The use of fish oils can temporarily add fat, but will never build up health and tissue. Dr. Chase's Nerve Food acts through the blood and nervous system and carries new life and energy to every nook and corner of the body. It regulates the various organs of the body, makes the appetite good, adds healthy flesh, and replaces the tissues wasted by disease. Naturally and gradually this food cure restores color to the cheeks, increases the weight of the body and thoroughly vermines disease.
