## A Short Talk About Island Chocolates

Why are Island Chocolates first-class? One reason is that your Island cream-Butter, etc., is as good as the best on earth. Another reason is that I have been making high grade chocolates for 25 years. With the best materials in the world why should I not be able to make the chocolates as good as the best? I AM making the ISLAND CHOCOLATES to my mind BETTER than anything you have had. I KNOW they are BETTER even if I cannot convince you.

WHY NOT get away from the unpatriotic and unjust assumption that go made away from home are better than the Home made.

In the United States everyone shouts for his HOME TOWN and the GOODS made there. That is one of the secrets of the Yankees' success.

Try it in CHARLOTTETOWN. AND SEE HER GROW.

## SUNDAY SCHOOL LESSON

LESSON XIII. DECEMBER 29.

REVIEW.

GOLDEN TEXT

"If any man willeth to do his will, he shall know of the doctrine, whether it be of God or whether I speak of myself."—John 7: 17.

POINTED SUGGESTIONS.  
By Rev. D. W. Snider.

Followers of Jesus will not attempt to walk upon the water, but, fearing no storm of life, they will overcome seas of difficulty and be ministers of blessing.

Outward religion ought to be in evidence where inner religion is working as a power. But outward religion may be put on, like show garments upon dummy figures, while inner religion vitally joins the soul with God and roots it in eternal righteousness.

Ready wit and real worth lose none of their sparkle or power when born of faith gives them utterance. The brightest and best things are born of that humility which is essential to faith.

Only blessing can come to the one who is brought to Jesus, however pitiable his lot may have been. There is nothing too hard for God, but He chooses to demand and make use of the sum total of the resources which He has lodged in the hands of men.

Religious prejudices which spring from the ceremonial, formal and unspiritual in religion are the mother-water of intrigue and persecution, while literalism produces the paralysis of the spiritual faculties which memory, understanding and love would otherwise feed. The sigh of the Christ is lifted in their presence.

Alcohol has so often come to sovereignty over the judgment and the conscience and the affections of men that it is sometimes called King Alcohol. His tyranny, as relentless as the working of a poison (which it is), however, plunges his dupes and half-baked subjects into poverty, into crime, into madhouse, into prison—and down to death. Christianity stands for the overthrow of King Alcohol.

Gain and loss are compelling words in any realm in which they may be applied; gain in weight or loss in weight; gain in business or loss in business. The question of greatest concern affects the gain or loss of the soul. And the soul's relation to Christ settles that.

"And," and is an important word when the narrative in eager fashion is rich and rare in its transfiguring speciality and splendor. Ten verses out of twelve in Lesson 8 begin with "And."

"If thou canst!" Notice how Jesus puts the possibility of failure up to the petitioner of His compassion and power. And see, too, how prayer is allied with power—how power slips from prayerlessness.

Nothing else is quite so sure as this, namely, that God loves the children. He loves them for what they are and what they may become. Both the compassion and the wrath of God are centred upon that period in the life of a child which lies between its innocence and its sin and upon the reasons for that lapse.

causes run-down health and sickness. **Scott's Emulsion** and rest are needed, but **SCOTT'S EMULSION** is more important because it enriches the blood, nourishes the nerves—builds the body and restores strength, vigor and immediate energy without interrupting daily duties.

**Scott's Emulsion drives out colds and strengthens the lungs.**

lapse there be.

"Seventy times seven" stands for the unreckonable number of the forgivenesses of God wherein man should copy Him), which takes the matter of God's love and of what ought to be our love, out of the consideration of quantity altogether. Love is a matter of quality. That is where Paul puts it in 1 Cor. 13.

The year's lessons are at an end. They have brought us face to face with Jesus, the Son of man, the Son of God. What think ye now of Christ? For or against? Read John 3: 35-36.
