Comes to Canadian Field Well Equipped to Fill His New Position as Director of Sales.

Gray-Dort Motors Limited of Chatham, Ontario, announce the appointment of W. T. Bush as Director of Sales to succeed W.G. Bell who has taken up other work in the organization.

Mr. Bush has come to his new position unusually fitted to fill such an important appointment. His experience has not been limited to the manufacturing end of the business, but he has spent many years in retail selling both in Canada and the United States.

The first position held by Mr Bush in Canada was as general sales manager of the Studebaker Corporation of Walkerville. Later he was transferred to the head office at South Bend, Indiana, as assistant general sales manager still retaining his connection in the Canadian organization.

Prior to his appointment with the Gray-Dort Company, Mr. Bush held an important executive position with the Packard Motor Car Company of Detroit.

In an interview with newspaper reporters Mr. Bush said that he has returned to the Canadian field because he believes that Canada offers a greater market for sale of automobiles than any other country in the world.

Unveiling of Memorial At Traveller's Rest

The unveiling of the beautiful soldiers memorial monument at Travellers Rest on Wednday afternoon was a most impressive affair.

There was a very large number of people present from all parts of the surrounding country.

A large stage was erected by the monument to accommodate the choir and speakers. The choir was composed of about twenty-five volces and the music was of a high order.

The stand was handsomely decorated with bunting and flags floating from many staffs. Flowers too were here in abundance. There were wreaths from the Soldier's Institute of New Annan, Traveller's Rest, Sherbrooke, as well as many given by friends of the departed boys.

The service opened with the doxology, after which the children marched from the school, carrying flags and led by "Miss Canada." After marching around the monument they lined up and sang "O Canada". The children are deserving of highest praise for the manner in which they carried out their part of the program. Miss Matheson and Miss Margaret Shaw who trained the children are especially to be commended for their successful work.

After the reading of Scriptures and prayer by Rev Mr. Herman, the choir (with Miss Amy Townshend presiding at the organ) sang "Only Remembered by What We have Done."

The chairman, Mr. James Marchbank made appropriate remarks, and excellent addresses filled with patriotism and also with sympathy were made by Premier Bell, Rev Dr Gauthier, Rev C. DeW White and Hon Walter Lee.

The music was a most pleasing feature of the ceremony and included a solo by Mr Tyandle Semple. "No Shadows Yonder," (with Miss Margaret Crozier as accompanist) and a solo by Mr Sandy McGregor. "The Holy City." The choir also sang "Some Time We'll Understand" and "Oh God, Our Help in Ages Past."

Mr D. C. McKinnon, whose son, Alexander, was one of the boys who died in the war, unveiled the monument and it was a most touching sight.

The names of the heroic dead were then called:

Alexander McKinnon,
Claude Milligan,
Gilbert Matheson
William Riley

The last named lived until the day after the armistice. He died in Prince County Hospital, from wounds received overseas.

After the unveiling of the monument the "Last Post" was sounded by Pte. Daniel Noonan, followed by the National Anthem.

The monument, which is a very handsome one was designed and built by Bell and Chandler, Charlottetown. It is of Scotch granite about twelve feet high, and stands on raised ground. The shaft is five feet high, and the die containing the names is about two feet square.

The plot on which it stands is inclosed by a beautiful ornamental fence, the gift of Maple Leaf Women's Institute

The lot of land, just opposite the hall (and on which the hall is to be moved) was the gift of Mr Robert Marchbank. Mr Barchbank who was chairman of the committee was unfortunately ill and could not be present at the ceremony.

About a year and a half ago, the collection work for the monument was started and funds raised by public subscription, and by the worthy efforts of the Women's Institute of Traveller's Rest, New Annan and Sherbrooke.

Surely the communities of Traveller's Rest, Wilmot, Sherbrooke and New Anan have every reason to be proud of their memorial to the heroic dead.

FARMERS ARE CHEERED.

Building Up Canada

Never in the history of life insurance in Canada has a policyholder lost a dollar through the failure of any life insurance company.

The premiums received by a life insurance company form a trust fund and are very carefully guarded. These trust funds, amounting to seven hundred million dollars, are invested by the insurance companies in Government securities, agriculture, transportation, industrial and other enterprises, which go to develop Canada and make it a better place in which to live.

The development of life insurance is presenting an enlarged opportunity of performing this two-fold duty for Canadians, protecting the home and building up the nation.

Your life insurance serves you in two ways.

OTTAWA, Sept. 19.—That fur farming is becoming a very important industry of Canada was shown by a report covering 1920, just issued by the Dominion Bureau of Statistics. The number of fur farms throughout Canada is 582, of which more than half are in Prince Edward Island. Of this total number 573 were fox farms, six mink, two raccoon and one karakule sheep. The total value of the fur-bearing animals of these farms at the end of last year was $4,632,605. Silver fox raising was of prime interest, some 13,405 of these animals being shown with a value of $4,446,117 or $331 each. During the year 9,219 silver foxes were born in captivity. The selling price of pelts ranged all the way from $200 to $1,100 each.
