(By Stanley P. Richardson, Associated Press Staff Correspondent) MOSCOW, Nov. 15.—The Soviet Government notified the Japanese Government last night of reports that the Japanese military command was preparing to cut the Chinese eastern railway near Tsitsihar and reminded Japan of its assurances that the interests of Soviet Russia would be protected in the Manchurian conflict with China. Thus Russia took the initiative for the first time in setting forth its position regarding developments in Manchuria.

The text of the verbal declaration made by Foreign Commissar Maxim Litvinoff to Japanese Ambassador Koki Hirota revealed publicly for the first time the fact that such assurances had been given the Soviet Foreign Minister by the Japanese Ambassador.

FAST WORK

(Special to the Guardian) TORONTO, Nov. 14.—A few days ago the energetic sales staff of the Maple Leaf Milling Company's, Toronto office decided by prompt action it could close one of the largest sales of the year. The prospective buyer was in Glasgow, Scotland. He needed the flour, perhaps to make Scotch shortbread, but he needed it quickly and speed was necessary if the sale was to be clinched. Unusual circumstances demanded unusual action, so instead of depending on the slower and more limited medium of the cables, the Company proceeded to sell flour over the trans-Atlantic telephone.

Favorable Balance Of Trade For Canada

Dominion Exports For Month Of October Exceed Imports By More Than Ten Million Dollars.

OTTAWA, Ont., Nov. 15.—(By the Canadian Press)—A favorable balance of trade amounting in value to \$10,505,123 is noted for the month of October, according to the current issue of the National Revenue Review. In that month Canada exported goods with a value of \$56,533,999 and imported goods worth \$45,940,874. For the same month last year the balance in favor of this country totalled \$5,939,381. Comparing the two months, Canadians in October last imported \$32,417,477 worth of goods less than in October, 1930, and their exports dropped by \$17,243,511. The total figures were:—

Increased Activity Of Preventive Service Evident From Results

(Canadian Press) OTTAWA, Ont., Nov. 15.—For the six months of the current fiscal year, ending Sept. 30, the customs preventive service of the Department of National Revenue made 2,280 seizures. Of this number 1,231 were customs, and 999 Excise. In the corresponding months of 1930 the seizures totalled 2,650—Customs 1,024 and Excise 626. The heaviest seizures consisted of spirits, alcohol and tobacco. Nova Scotia took first place in liquor seized, with 4,116 gallons while British Columbia came next with 3,206 gallons, and Quebec third with 1,910 gallons seized. British Columbia was the only province recording seizures of narcotic drugs, these amounting to 438 ounces. Cigarette seizures were heavy, totalling 477,361 in the six months period. In Quebec 312,303 cigarettes were taken and in Ontario, 73,133. Cut tobacco seized amounted to 10,303 pounds, nearly all of which was taken in Quebec. Other outstanding seizures in-

WORLD POWERS WILL TRY TO MAKE PEACE

Efforts In Preparation To End Sino-Jap Strife — High Diplomats Gather In Paris.

(By P. I. Lipsey, Jr., Associated Press Staff Correspondent) PARIS, Nov. 15.—Efforts of world powers to settle the Manchurian strife between China and Japan were in preparation tonight as high diplomats mobilized in Paris for a special meeting of the League of Nations Council tomorrow. Sir John Simon, British Foreign Secretary, was one of the arrivals today. International diplomats hope to break the deadlock between the two warring countries of the far East, whose differences were looked upon as a menace to world peace and to prospects for the disarmament conference next year. With the presence here of the U. S. Ambassador to Great Britain, Charles G. Dawes, as a representative of his government, there was some talk of an "American scheme" or "another Dawes plan," but informed persons understood it was

QUEBEC, Que., Nov. 15. (By the Canadian Press)—Two men were killed and three others injured at St. Apollinaire this afternoon when a Canadian National Railways train collided with an automobile at a level crossing about two miles outside the village. The dead are: Mastair Croteau, of Desquet, Lotbiniere County, Quebec, and his brother, Adelard Croteau of Lawrence, Mass. The names of the three injured persons have not yet been ascertained. St. Apollinaire is a small village in Lotbiniere County.

Japanese Report Signal Victory

Are Said To Have Defeated A Chinese Cavalry Detachment Numbering 4,000.

(By Glenn Babb, Associated Press Staff Correspondent) (Copyright, 1931, by the Associated Press) MUKDEN, Manchuria, Nov. 15.—The Japanese army on the Nonni River front was reported by its headquarters here to have defeated a Chinese cavalry detachment numbering 4,000 in a considerable engagement today and to have occupied the village of Chienkuanti, 12 kilometres northeast of Tashin. Japanese infantry, cavalry, artillery and aircraft were said to have participated in large scale operations which drove off the Chinese, who were threatening to envelop the Japanese right flank. The size of the Japanese force was not revealed nor the number of casualties, but it was believed there was considerable fighting. The Japanese position was held to have been greatly improved and the pressure on their right flank relieved, but the Chinese cavalry retired only a short distance and
