Stocks Show Upward Trend At Montreal

MONTREAL, May 1 — (CP)—Moderate firming tendencies appeared in individual issues on the stock exchange and curb market today. A pair of stocks recorded gains of a point each, but adjustments were mainly fractional with gains outnumbering losses about three to two. Dealings were only moderately active in industrials while mining volume expanded considerably.

Among leaders, Consolidated Paper, Nickel and Famous Players gained 1-4 and St. Lawrence Corporation Common 3-8. Canadian Breweries lost an early rise and closed down 1-8 at 26 1-4. Sielco and St. Lawrence Corporation "A" advanced a point, Electroflux 3-4, following a dividend announcement, and International Paper 1-2. Up minor fractions were C. W. Lumber, Seagrams, after a previous slip, Doseo "B", Shawinigan and Sicks. Unchanged at the finish after mild fluctuations were Smelters, B. C. Forest, Bell and B. A.

St. Lawrence Paper Pfd., was off 1-2, Petroleum 3-8, Cub 19 cents and Southmount one cent. Found Lake, off 5-8 of a cent, and El Sol unchanged were more active issues in a generally weaker evening session.

New York Market Resumes Recovery

(By Victor Eubank)
NEW YORK, May 1 — (AP)—Strength of oils and special issues helped the stock market resume its selective recovery swing today although many leaders were restrained by profit cashing.

Individual favorites moved forward from the start. There was an active flurry around midday and subsequent slowdowns. Top gains running to 2 points or so — a few wider climbs appeared — were reduced in most cases and scattered pivots recorded losses at the close. Transfers of 920,000 shares compared with 780,000 Wednesday and were the best since April 21.

The Associated Press 60-stock composite was up 5 of a point at 62.4, duplicating its revival of the preceding session.

Dome Mines slipped 1-4 as Canadian issues, quiet in morning trade, became active towards the close. Distillers Seagram gained 1-4 and Canadian Pacific added 1-8 in late trading. On the curb, Lake Shore added 1-8.

The oils were spurred by a hoisted Standard Oil (NJ) dividend. This stock held a gain of 1-8 at 89. Superior Oil 5 at 116. Skelly 2 at 73 1-2, Texas Co. 1 1-8 at 60 5-8, Amerada 3 at 84. Phillips Petroleum 2 1-4 at 54 1-2 and Pacific Western Oil 1 at 33 1-2.

Owens-Illinois advanced 3 3-4 at 75 1-2, Eastmak Kodak 2 1-2 at 235, Dow Chemical 2 3-4 at 137 3-4 and Liggett and Myers 2 at 81.

In front were Bethlehem, Chrysler, Goodyear, Goodrich, Woolworth, International Harvester, American Telephone, Du Pont, Johns-Manville, Warner Bros., Publicker, N. Y. Central, Great Northern Railway, Union Pacific, American Tobacco "B", United Merchants, Monsanto Chemical, Pepsi-Cola and Northwest Airlines.

On the outside were U. S. Steel, General Motors, Douglas Aircraft, Kennecott, General Electric, Atlantic Coast Line, Pennsylvania Railroad, Chesapeake and Ohio, Illinois Central, Schenley and Pfizer.

Golds Drop Sharply On Toronto Exchange
TORONTO, May 1 — (CP)—Golds dropped sharply on the Toronto stock exchange today with bids far below the offering price most of the day. A mild sell-off in some issues resulted in sizeable price reductions for the group as close on about five in price for every gain. Base metals and oils were weak. Action was heaviest
