**FROM HALIFAX** — Mr. and Mrs. Charles Paynter and family returned by motor car to Halifax last week after spending a short vacation at their old home in French River. They also visited friends in Kensington. Mr. Paynter and members of his family are gainfully employed in Halifax.—K.

**GREATLY IMPROVED** — His many friends will be pleased to hear that W. B. McArthur of Kensington is much improved and well on the way to complete recovery. Mrs. McArthur was stricken with a bad chill and pneumonia, which was checked by prompt medical attention and good nursing.—K.

**FROM NEW JERSEY** — Miss Eva Coffin of Englewood, N. J., is spending a vacation with Mrs. Jean Gallagher and her brother, James Dunphy at Kensington. Miss Coffin spent last winter in Arizona and Colorado, but prefers the salubrious summer climate of this island rather than that of any other place in North America.—K.

**METEORIC TROTTER CAREER** — The quick advance of Lucky Pal, owned by Frank MacDougall of Bloomfield Station from common roadster to a position well within the "charmed circle" in three weeks borders on the phenomenal in the annals of horse racing. This mare, taken in charge by Lloyd O'Brien of Alberton ten days ago graduated from the Plusville road turnpike to Charlottetown race track after winning her first start at Alberton two weeks ago. Her parentage is somewhat of an equine secret, but it is thought that she was raised at Kensington by Harold Woodside or Roy Woodside.—K.

**Personals**

**Presentation**

—The members of Clinton Women's Institute met at the home of Mrs. Mary Warren on July 26th, to celebrate her birthday of four score years.

Mrs. Warren is the oldest member of this Institute but takes her turn each year at entertaining. Meeting was called to order by Mrs. Wilfred Pickering who called on Mrs. Christy Goss who read an address and Mrs. Stirling McKay made the presentation of a beautiful wall mirror. A birthday cake was also presented from the members by Vivian Woodside. Mrs. Warren graciously replied and thanked all for their kindness and thoughtfulness.

A pleasant social chat and ice cream and cake brought this evening to a close, all wishing Mrs. Warren many more birthdays, health, and happiness.

Following is the address:  
Dear sister member:

It is with great pleasure that we the members of Clinton Institute meet with you tonight to celebrate your birthday and extend congratulations.

We taken this opportunity of assuring you that we do appreciate your valued interest in the welfare and worthwhile affairs pertaining to our community. Your eagerness to attend our meetings and do your part in any of our various activities has been an incentive to those of us who are much younger in years, and your youthful spirit is almost the envy of each member.

During the war years you were always ready and willing to do your share of whatever work we were asked to do for our armed forces. We hope that you may be spared many more years of usefulness and service in your home and community, and, in the sunset years of life's journey, may God's presence be very real to you, guiding you as in the past years you may be useful life. Please accept this gift from us, and, as you make use of it in your cosy home may it reflect pleasant memories of the joyous evenings spent together for "Home and Country".

From the members of Clinton Women's Institute.
