## RCA Victor Expands

**E. C. GRIMLEY**

So great have been the increases  
in sales of RCA Victor Radios  
throughout Canada, announces E. C.  
Grimley, President of the RCA Vic-  
tor Company Ltd., Montreal (above)  
that this Company has been forced  
to commence operations on the con-  
struction of a considerable exten-  
sion to their already tremendous  
plant. Mr. Grimley points out that  
the beginning of construction on  
this new wing is very definitely an  
indication of the confidence felt  
not only by RCA Victor but by the  
entire industry in the future of  
radio.

### Results Are Prompt

Satisfying and prompt re-  
sults follow the correction of  
errors of vision. When eye-  
strain is relieved better gen-  
eral health follows. Head-  
aches fade away and nerv-  
ousness may be eliminated,  
to say nothing of an im-  
provement in vision. Have an  
eye examination to know  
your condition.
