With the resumption of hockey at the Montague rink, the boys and girls of the High School have formed teams for the coming season. The senior boys have formed a team with which to compete against Murray Harbour and Georgetown. The Pee-wees and Bantams have also formed teams, and had their first game Saturday night.

The high school girls have also formed a team, and hope to have their first game in the near future. The youngsters had their first practice on Saturday morning through the kindness of Mr. Preston MacDonald, the manager of the rink, and it was a pleasure to see so many kiddies starting to learn the game. These youngsters are under the coaching of Mr. Mac Clair, who is giving his time in helping to develop hockey in the youngsters. The game on Saturday night between the Pee-wees of Montague and Murray Harbour was quite interesting and gave ample evidence that there is plenty of good hockey material in these youngsters if they have coaching.

On Saturday night, January 15th, the Georgetown Branch No. 15 of the Canadian Legion, B.E.S.L. held a special meeting in the Legion hall on Bidwell Street. In an impressive ceremony Mrs. J. W. Lavers, assisted by 1st Vice-President, Harrington Yorston, conducted the ceremony of admission to the following six new members: P. L. Boudreau, Walter MacLean, Walter Solomon, James MacNeill, Sr., Gordon Yorston and Wallace MacDonnell. The meeting proceeded to discuss and adopt a set of by-laws governing the operation of the Branch's hall and by the executive at the earlier meeting. The large attendance enthusiastically discussed the by-laws and other matters presented for consideration. The name of Comrade William Prosper was nominated for the position of caretaker and canteen operator, and on motion his appointment was made unanimous. Approximately 100 members are now paid up for 1939 and membership objective of between fifty and sixty is being set as a goal.

WINSLOW Y.P.U.
 The regular meeting of the Winslow Y.P.U. was held at the home of Mr. and Mrs. Erith Hughes on Friday evening, Jan. 14th.

The regular period in charge of Mrs. Harold Crawford opened by singing "Break Thou the Bread of Life" followed by Call to Worship, followed by the singing of "There Shall be Showers of Blessings".

The Scripture reading taken from St. Matthew, chapter 5, verses 1 to 16 was read by Marjorie Crawford. Mrs. Crawford then read "Thoughts of Meditation" and the theme: "The Bible". Harold Crawford read a lovely story. All recited the Lord's Prayer. The meeting was closed by singing "Sweet Hour of Prayer" followed by a closing prayer by Mrs. Crawford.

The business period opened with the minutes of the last meeting. It was moved and seconded that Erith Hughes be paid for candy supplied at Christmas social. There were 17 members paid their fees for 1939. The roll call was answered by 16 members and one visitor. The treasurer reported paying Mr. Good for the writing of the church.

The next meeting is to be held at the home of Mr. and Mrs. Earl Reid on Jan. 28 with Mrs. Lloyd Gillespie, Mrs. Orville Turner and Mrs. Orville Turner and Mrs. Lloyd Gillespie.

The president read a New Years message from the president of the Maritime Conference of Y.P.U. The discussion was the duties of the officer in charge. The recreation leaders for next meeting are Mrs. Erith Hughes and Doris Jenkins. The meeting adjourned. After a half hour social period lunch was served by hostess and committee in charge. A vote of thanks was extended to Mr. and Mrs. Hughes for use of home. The meeting was closed by singing "Auld Lang Syne".

ROYAL TOUR MONEY GAINING IN VALUE
 JOHANNESBURG, Jan. 17 (CP) — South African five-shilling (\$1) pieces struck in 1947 to commemorate the Royal Tour, are now bringing prices several times their face value.

In Britain and the United States they are selling from \$3 to \$6 each. An official of the South African Mint says the practice is quite legal.

"Only 300,000 five-shilling pieces were struck in 1947," he said. "They were intended for collectors and are bound to gain value."

Potatoes by the car loads are moving swiftly from the new warehouse at Morell, at present some lots had to be re-graded a third time before shipment. One farmer here reports his pile of more than a thousand bushels passed O. K. and are gone from this mighty grading station where a score of men work at top speed to get them out.

All pleased to see our good friend Mr. Ephram Malone, home again after a stay of several weeks in the Charlottetown Hospital where he underwent a serious operation. Mr. Malone informs us he will be unable to do any work of any kind before late spring at the earliest. This is not so good for a busy farmer and chicken raiser.

Mr. Ed. Donnelly, and Son, electrical contractors were working in this vicinity last week and wired up the home of Mr. and Mrs. P. R. Sinnott, also the Bristol Post Office. Mrs. Sinnott, has been Post Mistress here for many years now and electrical lighting in the busy office will be quite an improvement and a light over the door will light the yard up for late callers for their mail to the office where no one is refused early or late.
