Vigorous Protest Against Big Fight

Fairmont Methodist Church Objects to Prize Fighting in Montreal

MONTREAL, Feb. 8.—A vigorous protest against the holding of a prize fight in this city, or on Canadian soil, was made at Fairmont Methodist church last night by the pastor, Rev. A. E. Runnels, whose objections were that such an encounter with degrading and debasing to contestants and spectators, that it would attract to the city a crowd of gamblers and other undesirable visitors, and that, if it were held, the prestige and reputation of Canada would be lowered in the Anglo-Saxon and civilized world.

"Should a brutal prize fight be held on Canadian soil, the name of Canada would be tarnished and outraged for decades to come, and all those who today believe in a well ordered society would be outraged by it. It would be a blow at the name of Canada, a blow at our standing among the nations of the world," was the emphatic declaration of the speaker.

DIES ON WAY TO MOTHER'S GRAVE.

The department of justice is now investigating reports of shocking cruelty on the part of a man named Nolan of Avondale, towards his daughter, Elizabeth, a child nine years of age. It is alleged that the father deliberately inflicted such hardships on the youngster that she died. The charge, which is being heard by Judge Morris, is that he "did feloniously and of malice aforethought kill and murder his daughter." An element of malice is added to the sordid tragedy of the story in that the little girl died on the road to the graveyard where she was going to visit her mother's grave.

MEETINGS WELL ATTENDED.—The Union Prayer meetings in Murray Harbour which were instituted in the summer of 1917 have been particularly well attended during the past few weeks. A number of the young men are being pressed into service and they do well. The Methodist and Presbyterian congregations here "pull together" splendidly.

RETURNS FROM THE WEST.—Mr. Tom Beck, Murray Harbour, who went west on the harvest excursion last fall, is home again. It will be remembered that soon after arriving in Winnipeg, he fell upon bad luck. He figured in a bad accident on the railway when he lost part of one foot. He spent most of the time since in the hospital and other quarters, where he was carefully and kindly cared for, and now he is home again, no doubt wiser and poorer for his adventure. Too much for a man of his years.

The ladies' first prize was won by Mrs. J. Zuercher; second equally won by Misses Margaret Douglas, Winnie Praught and Helen Lowan, drawn by the latter. The gentleman's first prize went to Mr. D. MORE ROBBERIES.—The robbery epidemic has broken out in a fresh spot in Charlottetown—the East end of the city being the scene of the latest endeavors. The grocery store of Mr. A. E. Nelson on Grafton Street was entered and cigarettes and chocolate bars were taken. The meat shop of Mr. F. Hopkinson was also entered and a quantity of meat removed. The thieves afterwards entered a vacant house belonging to Mr. Patrick Mahar and here they started a fire in the stove and started to put the stolen meat on to roast. A great feat was in preparation but for some reason it was never concluded, the thieves taking alarm, making their exit and leaving the meat partially cooked.

LUMBERING OPENS ACTIVITY IN B. C.

During the past few weeks there has been a marked revival of confidence in the coast lumbering industry, and logging camps and mills are beginning to reopen after a shutdown of a few months. One factor is the strong demand from the Orient for B. C. lumber. Between the first of the year and the first of April, the Canadian Robert Dollar Company will ship about 12,000,000 feet of lumber and further orders are looked for. The sudden activity in Orient shipments of lumber is due to the decline in freight rates. Last fall the rate was between \$25 to \$30. Now it is down to \$12.50, which is regarded as the rock bottom rate. The lumber export trade is being further boosted by the big cargoes that are being taken to Australia, South Africa and to Great Britain by the Canadian Government freighters.

Cape Traverse Races

The second race meet of the Cape Traverse Driving Club took place on Saturday, Feb. 6th. Everything passed off pleasantly. The snow made it somewhat unpleasant towards evening. The attendance was good and the racing fast and well contested.

Prominent visitors from outlying sections were Messrs. K. C. Holm, Louis McLeod, Chester Shaw and Mr. McIntosh from Victoria, J. A. Lyman and S. N. Dawson from Tryon; Harry Arnet and L.H.D. McLeod from Albany; Dan and Mac Steel, Dr. Church, Theodore Waite from Summerside and C. L. Jackson, Maine.

The officials were starter Harry Webster, who gave good satisfaction. Judge Ed. Boulter, J. A. Lyman, and Bruce Campbell, Control, C. Shaw and L. McLeod, Timers—W. H. P. Irving and Geo. Hefell.

The Class A Trot and Pace brought out a very strong field, namely: Thos. R., Dr. Church, Summerside; Irma Catalan, Theodore Waite, Summerside; Queen Petrolia, P. S. Howat, Cape Traverse; Lady Commodore, G. C. Holland, Tryon; Lord Hastings, Martin Kehoe, Tryon. In the first heat it was Queen Petrolia all the way; the little pacer winning by a good margin. Hastings a good second; Thos. R. third; Lady Commodore fourth. Irma Catalan fifth. In the second heat Thos. R. was drawn. This heat was a repetition of the first. Queen Petrolia finishing first, Lady Commodore second, Irma Catalan third and Hastings fourth. In the third heat things began to happen. Mr. Holland, the speed king was getting a line on the little black pacer. She went to the front winning in good style. Queen a good second, Hastings third, Irma fourth. The fourth heat was of the half raising variety and was a horse race from the word go between Queen Petrolia and Lady Commodore, the latter going to the front at the quarter racing home in front like the race mare that she is. Queen Petrolia raced gamely, finishing in second position, Hastings third, Irma fourth. Owing to the storm and darkness this race was not finished. Queen Petrolia and Lady Commodore dividing first money, third going to Lord Hastings and fourth to Irma Catalan.
