AT THE LUNCH COUNTER.

"I'll take some strawberry shortcake," said the man with the brick-colored complexion; "with whipped cream."

"I'll have a couple of buns," said the sallow-faced man on the next stool,

"Don't you like strawberry shortcake?" asked the ruddy-complexion man.

"Yes, you bet I do," said the other,

"Why don't you eat it then."

"I'm afraid to," said the sallow-faced man. "It disagrees with me."

"I wouldn't stop at a little thing like that if I were you," said the brick complexion.

"You would if you had a stomach like mine," said the sallow-faced individual.

"No, sir," said the other, "I'm sorry to contradict you, but I certainly would not."

"Why not?" asked the sallow-faced specimen.

"Well, in the first place, I wouldn't have a stomach like yours long," "said the brick complexion gentleman. "I'd take a Dodd's Dyspepsia Tablet, one (or two if I was bad) after each meal. They digest whatever you eat and then you can eat whatever you like. Your stomach takes a holiday, and by and by it can start work again as good as new."

"You seem to know all about it," said the sallow-faced man.

"I ought to,' said the ruddy-faced gentleman, scraping up the remains of the strawberry shortcake on his plate. "I take one after every meal or I'd be as bad as you are."

"And you're sure they work?"

"I eat everything that comes along," asserted the other.

"Give me one and take another piece of strawberry shortcake with me," said the sallow-faced man.

"Sure," said his brick-complexion friend. "But the next drug store you pass you go in and invest fifty cents in a whole box. All druggists sell Dodd's Dyspepsia Tablets."

MRS. MORRIS, of New Annan, died very suddenly on the evening of the 29th June. She had been visiting at the home of a near neighbor, Mr. James Tuplin, and started for home about dark. When within a few hundred yards of her home she dropped dead by the roadside. where the body was found some ten minutes afterwards by two little girls. Deceased who was 75 years of age was a widowed sister of Mr. Thomas Burrows, with whom she had resided for several years.

SPACE will not permit of the publication of the full prize list of the Summerside schools as announced at the closing exercises in Market Hall Monday evening. The Governor Generals Medal for General Proficiency was won by Miss Bessie Beairsto. In the History match between an equal number of pupils from grades 8 and 9 Mr. James Brehaut and Miss Laura Duncan survived until under a fatal question Miss Duncan succumbed, leaving Mr. Brehaut the winner. The spelling match was a closely contested one between an equal number of boys and girls from grades 6 and 7, won by the girls - three surviving.

THE residence of Mr. Russel McEwen on the Schurman Road, about three miles north of Summerside, was struck by lightning Thursday night about eleven o'clock, and burned to the ground with all its contents. Mr. McEwen and a servant girl were the only inmates of the house at the time, Mrs. McEwen and family being away on a visit to relatives at Stanley Bridge. The fire was discovered by a neighbor, Mr. Gordon Schurman, who arrived just in time to arouse the occupants and assist them to escape from the burning building, the roof falling in a few moments after they had got out. The outbuildings, containing at the time a quantity of farm implements and machinery, would no doubt have been destroyed also had it not been for the downpour of rain. Mr. McEwen's loss is a heavy one.

The Dominion Day Races in the Summerside Driving Park Saturday proved a grand success both in point of sport and financially. Over twelve hundred tickets were sold at the gates. Exceptingt for some delay in getting the horses on in several of the heats the whole affair was most creditably managed.

The 2:40 class was the most hotly contested event, taking five heats to decide and being won in fine style by Westall Wilkes. The three minute class Councellor McLeod's Hildred had it all her own way and won in three straight heats.

Three heats also decided the 2.26 class, Councillor McLeod's Minnie winning each in succession and acting splendidly without a break. Only two started in this class, Parkland and Minnie. Each was closely contested. The best time made was 2.27½.

The officers of the meet to whom great credit is due were T. B. Grady starter; J. A. Brennan and H. B. McKay Judges; Dr. Murphy and Geo. Godkin, timers; J. D. Perry assistant Judge and G. M. Reid clerk of the course.

A Child's Suffering.

MR WM. McKAY, CLIFFORD, N. S., TELLS OF HIS DAUGHTER'S CURE.

She was first Attacked with Acute Rheumatism, Followed by St Vitus' Dance in a Severe Form—Her Parents Thought She Could not Recover.

Wm. McKay, Esq., a well known and much respected farmer and mill man at Clifford. Lunenburg Co., N. B. relates the following wonderful cure effected in his family by the use of Dr. William's Pink Pills:—"About three years ago my little daughter Ella, then a child of ten years, was attacked with acute rheumatism. It was a terribly bad case; for over a month she was confined to her bed, and during most of the time was utterly helpless, being unable to turn in bed, or in fact to move at all without help. She could not even hold anything in her hand. All power or use of her limbs had entirely gone and the pain she suffered was fearful. By constant attention after a month or so she began to gain a little strength. and after a while improved enough to be taken out of bed and even walked around a bit after a fashion by means of a support. But now she was seized with a worse ailment than the rheumatism. Her nervous system gave way, appeared completely shattered. She shook violently all the time, would tumble down in trying to walk. In attempting to drink from a cup her hand shook so as to spill the contents all over herself. She was a pitiable object. The doctors were called to her again and said she had St Vitus' dance in the worst form. She took the medicine percribed and followed the instructions of her physician for some time, but without apparent benefit. She wasted away almost to a skeleton and we gave her up for lost. About this time I read in a paper an account of a great cure of nervousness effected by Dr. Williams' Pink Pills and resolved to try them. I bought six boxes and the little girl began using them. The good effects of the first box were quite apparent and when four boxes were used, she seemed so much improved that the pills were discontinued. She kept on improving and after a few weeks was as well as ever. We were told that the cure would not last, that it was only some powerful ingredient in the pills which was deceiving us and that after a time the child would be worse than ever. All this has proved false, for now nearly three years she has unbroken good health, nerves as strong as they are made, and stands school work and household work as well as a mature person. We have no doubt about Dr. Williams' Pink Pills restoring to us our little girl, whom we looked upon as doomed to an early grave."

Dr. Williams' Pink Pills are a specific for disease arising from an impoverished condition of the blood or shattered nerves, such as St. Vitus' dance, locomotor ataxia, rheumatism, paralysis, sciatica, the after effects of la grippe, headache, dizziness, erysipelas, scrofula, etc There are also a specific for the troubles peculiar to the female system, building anew the blood and restoring the glow of health to pale and sallow cheeks. Protect yourself against imitations by insisting that every box bears the full name Dr. Williams' Pink Pills for Pale People If your dealer does not have them they will be sent post paid, at 50 cents a box or six for $2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

A LADY WRITES.

Reply Received by a Fredericton Man Recently.

Women are Sharing the Benefits found in Dodd's Kidney Pills—One of the many who Replied to the Compiler of the Famous Dodd's Kidney Pills Scrap Book.

FREDERICTON, June 30.—Many have been the replies received by the compiler of the famous Dodd's Kidney Pills scrap-book, this week, and the gentleman is surprised at the readiness shown by people who are obscure utter strangers in bothering to write and recommend Dodd's Kidney Pills to him. They seem to be eager that everybody shall experience what they experienced themselves—the joy of release from suffering by Dodd's Kidney Pills.

And the variety of the diseases which have been cured by Dodd's Kidney Pills is startling. The gentleman is satisfied that the contention urged by the proprietors of Dodd's Kidney Pills that not only Bright's Disease and Diabetes but Rheumatism; Sciatica. Lumbago, Neuralgia, Backache, Heart Disease, Urinary and Bladder Complaints, Dropsy, Blood Disorders, Skin Eruptions and Female Weakness are but symptoms of Kidney Disease, is literally true.

The following is what a lady who has used Dodd's Kidney Pills has to say about them:—

Cumberland Bay, N. B.,
May 20th, 1899.

Dear Sir,—It is with pleasure I recommend the famous Dodd's Kidney Pills to you. Last winter I was taken with lameness and pain in my back with soreness about the region of the kidneys. [illegible] After suffering [illegible] weeks I decided [illegible] Dodd's Kidney Pills, and after using [illegible] pain and soreness [illegible] my back and I am pleased to say I have had no return of it since.

A TORONTO WITNESS.

Benjamin Bacon of 255 North Lisgar Street questioned concerning Dodd's Kidney Pills.

Toronto, June 26—Among the many who have been cured of Lame Back (the commonest symptom of Kidney Disease) in the Queen city is Mr. Benjamin Bacon of 255 North Lisgar St. He was asked by letter recently whether his cure by Dodd's Kindey Pills was entirely satisfactory.

Here is Mr. Bacon's reply.

Toronto, June 2, 1899

Dear Sir.—I am in receipt of your letter in reference to my cure by Dodd's Kidney Pills. I had a severe pain in the back, was recommended to try Dodd's Kidney Pills, did, and got instant relief.

Yours truly, Benj. Bacon.

Ragged Richard (insinuatingly)—I say, mister, have yer got any suggestions ter make a feller wa'at ain't able ter raise er penny ter git shaved with?

AN INTERESTING CASE.

Mr. W. G. Phyall, proprietor Bodega Hotel, 36 Wellington Street East Toronto, says:—"While living in Chicago I was in a terrible shape with itching and bleeding piles. I tried several of the best physicians and was burnt and tortured in various ways by their treatments to no avail, besides spending a mint of money to no purpose. Since coming to Toronto I learned of Dr. Chase's Ointment, I used but one box and have not been troubled with piles in any shape or form since.
