LAXA LIVER PILLS

Those who have used Laxa-Liver Pills say they have no equal for relieving and curing **Constipation, Sick Headache, Biliousness, Dyspepsia, Coated Tongue, Foul Breath, Heart Burn, Water Brash** or any disease or disorder of the stomach, liver or bowels.

Mrs. George Williams, Fairfield Plains, Ont., writes as follows: "As there are so many other medicines offered for sale in substitution for Laxa-Liver Pills I am particular to get the genuine, as they far surpass anything else for regulating the bowels and correcting stomach disorders."

Laxa-Liver Pills are purely vegetable; neither gripe, weaken nor sicken, are easy to take and prompt to act.

A CARD.

We, the undersigned do hereby agree to refund the money on a twenty-five cent bottle of Dr. Wills' English Pills, if, after using three-fourths of contents of bottle, they do not relieve Constipation and Headache. We also warrant that four bottles will permanently cure the most obstinate case of Constipation. Satisfaction or no pay when Wills' English Pills are used.

One of the most dangerous and repulsive forms of **KIDNEY DISEASE** is

for which Dodd's Kidney Pills are the only certain cure. In Dropsy the Kidneys are actually dammed up, and the water, which should be expelled in the form of urine, flows back and lodges in the cells of the flesh and puffs out the skin. Arrested for Spitting.

The man who carries the dread germs of consumption, and who deliberately and carelessly expectorates in public places is certainly deserving of punishment. A person who is afflicted with a cough or cold is very susceptible to the germs which are in the air (and the air is crowded with germs), cast off by Consumptives and suffering from kindred disorders. Many cases of Consumption arise from the most reprehensible habit. If you are suffering from a Cold and Cough, the safe-guard is to heal the irritations of the throat and lungs which the cough produces. Shiloh's Cough and Consumption Cure

PEOPLE USED TO SAY TO THE DENTIST

"I WANT A SET OF TEETH."

And no thought was given to the arrangement, contour, etc. No two are different. The comfort, health and appearance depend upon dental skill in constructing and properly fitting an artificial substitute for the natural teeth. For the choice of teeth to produce the most natural expression, must be taken into account the characteristics of the patient.

To determine the most desirable material for the base or plate in each case the Dentist's skill is called upon to advise. In fitting and constructing the highest mechanical art only can effect the most thorough efficiency and comfort in all the offices that teeth must perform. Our experience in this work. Our superior mechanical facilities, the fact of this branch of business being in charge of an expert justify the assertion that we can replace the natural teeth as nearly as it is possible for skill to accomplish. All who contemplate wearing artificial plates desire to know something of their manufacture. We are always glad to talk about our work and examples of many of our interesting cases.

We make eleven different kinds of plates. We make "Teeth without plates." You can call in the morning and get your teeth same day. We make a complete set of artificial teeth from \$5.50 and upwards. We extract teeth free of charge when new teeth are ordered. We guarantee satisfaction.
