The Question of Buying FURS

In the purchase of furs or high priced wraps where the amount of money is considered more than what is paid for the less expensive apparel, the careful buyer knows that it PAYS to PAY for QUALITY. We would ask your attention to our showing of Ladies fur-lined coats. They are manufactured by the most reliable furriers in Canada. Every care being taken to have them right in every respect. The proper materials—the most favored styles—the finish that denotes workmanship of a high order—the shell—the linings and trimmings will be pleasing to you and the prices asked, considering the quality, will be sure to meet with your approval.

Gained Both in Strength and Weight

Another case that proves the merit of

Ferrozone.

"I was in poor health nearly all last winter," writes Mrs. Cross of Wakefield, Ont. "My appetite was variable, I was weak and unfit for work. I suffered a good deal from nervous prostration and palpitation of the heart. My digestion was generally out of order. By spring-time I had lost flesh, color and had a bad cough. The doctor didn't help me very much, so I decided to try Ferrozone. It did me over so much good in one week, I gained strength, looked and felt a lot better. When I had used six boxes of Ferrozone I weighed myself and found a gain of fifteen pounds. Ferrozone rebuilt my constitution, and made me a new woman. I considered Ferrozone worth its weight in gold to every weak woman. It cures quickly and saves big doctors' bills." (MRS.) R. CROSS.

No tonic so certain, so helpful, so safe; try Ferrozone yourself—50c per box at all dealers.
