Our fireworks program will be the finale to our evening's entertainment. It will be different entirely from those of other years. No bombs or Big Berthas to disturb your nerves, instead and owing to our lengthy program of vaudeville we have concentrated on four super-spectacle fireworks displays consisting of the DOUBLE MAMMOTH CYCLONIC WHEEL NUMBER that commences with a lively display of darting Golden Spangles and suddenly transforms into a cyclone of flying silver.

TRIPLE COLUMNS OF NATIONAL COLORS—Three gigantic batteries of Roman Candles.

FOUNTAIN NUMBER—This consists of six Fountains that produce lovely sprays of Golden Spangles over fifteen feet in height.

NIAGARA FALLS—With Sparks, Spangles, Stars and Corruscations will be the finale and it will light up the surroundings like a veritable fairyland—And the nights shall be filled with gladness—And the cares that infest the day—Will fold their tents like the Arabs—And as silently steal away.

Suppers served cafeteria style by the Ladies Aid of the Prince Edward Island Hospital in restaurant under main Grand Stand. Reasonable prices.
