—SERIOUS LOSS.—Mr. H. B. S. Birch, Port Hill, had the misfortune to lose a valuable horse on Tuesday night. Through some mishap the animal was strangled in his stable by the tie rope. Mr. Birch is the mail driver for Port Hill Station to Port Hill, and the loss is a serious one he having abundance of work for all his horses.

The service was conducted at the home and in the Lot 14 Presbyterian Church by Rev. J. S. McKay and the remains were interred in the Lot 14 Presbyterian Cemetery. The deceased was one of the oldest residents in that community having passed his 90th year.

—MUD DIGGING.—The mud digging industry is closed for the season, the diggers having all been brought ashore. This has been one of the best seasons in the history of that enterprise, there being upwards of four hundred carloads of the fertilizer loaded and shipped both east and west from Summerside, besides the large quantity that had been hauled directly from the diggers to the surrounding farms.—H.

—ABRAM'S VILLAGE.—Some indications of the coming fishing season were in evidence last week when a quantity of salt was hauled from Wellington Station.—What might have resulted more seriously occurred at Egmont Bay Church Sunday morning when Mr. Arcade Arsenault, of Abram's Village, was run over by a horse and sleigh. Mr. Arsenault had just alighted from his own sleigh and was walking towards the sheds when the horse driven by Mr. James LeClerc, of Urbainville, suddenly came in contact with him, knocking him down and passing over him. Mr. LeClerc, as soon as he realized the situation stopped his horse, and the sleigh was lifted over and Mr. Arsenault was extricated from his awkward position. There were no very serious injuries but nevertheless he sustained nasty cuts and a bad shaking up. He was immediately driven home by Mr. LeClerc, who felt very grieved over the mishap, although no fault can be placed on him as he is not a careless driver, and the misfortune was purely accidental.—M.

TIGNISH

—Dr. James Johnston left for Charlottetown on Wednesday morning and expects to be gone for a couple of days.—Z.

—ADDING TO CENSUS.—Two baby girls were born within the last two days bringing much joy in the homes of Messrs Joseph M. Gallant and Austin Handrahan.—Z.

—PATRIOTIC MEETING.—Hon. Chas. Dalton will be chairman at the patriotic meeting in Tignish on Saturday evening. It is hoped that there may be a large attendance as the programme will be a very interesting one. 9189.

—ENGINE DISABLED.—The leaky condition of Engine Number 28 in charge of Mr. Pat Dorsey upon its arrival at Tignish Tuesday evening caused the freight which was scheduled to leave here Wednesday morning to be called off as the engine of that train had to replace number 28 and take out the regular express instead.—Z.

—USUAL SIZE.—One of the largest and heaviest dressed hogs bought by J. H. Myrick & Co., here this season was received on Tuesday weighing 546 lbs. It was brought in the market by Mr. Norbert Perry of St. Louis. This is the heaviest from around here this winter although this firm sometime ago were the recipient of one from near O'Leary weighing over 600 lbs.—Z.

—SERIOUS ACCIDENT.—The rotary or circular saw has again been instrumental in causing another accident which is feared will prove fatal. While cutting wood in company with others Frank Perry (Adolph) of St. Louis on Tuesday was struck in the face with a flying splinter of wood rendering him unconscious and upon being examined by his physician was reported critically injured. That his recovery is uncertain is the well nigh belief of those attending him.—Z.

—ANOTHER OF FAMILY SICK.—When the body of the late Clarence Doyle, who died the other day of diphtheria, was buried Tuesday afternoon, word was received from those who are only allowed to visit the home from which this sad death took place that another brother was on the point of death from this contagious disease. Great care and precaution are being exercised by the authorities in the quarantine of this household besides the closing of the school house of that settlement.—Z.

—UNCOMPARED PATRIOTISM.—To call a sale by auction in the future and dispose of all his property at whatever prices it will bring so as to enable him to go to the front and fight for his country's Cause, without having to leave anything to cause him anxiety in the working of his farm while away is the case of Mr. George C. Bowness of Montrose a young unmarried man of twenty-nine years of age who with Mr. George Marchbank have enlisted for overseas service and expect to leave just as soon as this sale is over. Mr. Bowness is well known throughout Tignish and vicinity and the new sidewalks here which were built by him last year have shown him to be a young man of unusual skill and workman who understood the task when placed to execute the work in all its details. Such patriotism as shown by him in sacrificing home and property to shoulder with the six young men already in training calls for admiration of not only his friends, but of the whole country at large. Mr. Marchbank is a son of Mr. David Marchbank who operates one of the largest roller mills in West Prince and like the other patriotic son he leaves many friends behind who will no doubt miss him but are nevertheless proud of his bravery to enlist and give his blood if need be in the defence of his King.—Z.
