SCOTTISH CONCERT JULY 6th. —All those who love Scottish songs will be pleased to know that Miss Marie Matheson, Scottish contralto will give a concert in Charlottetown July 6th.

A TEA MERCHANT from India who does business with every part of North America, and who was in Halifax recently, made the statement while here that the people of the Maritime Provinces were more exacting about the quality of tea they required than any other people on this continent. This statement probably explains why MORSE'S TEA enjoys such a large sale in these provinces, and also why visitors when they come here comment on the most excellent quality of this tea.

MAYFIELD.—Some of our summer visitors from the sister republic, have arrived, to share the pleasures of the one fair Island in her genial mood—we find it difficult to make them realize, that snowbanks twenty feet high lay over the fields a few months ago, where now strawberry blossoms abound Mrs Gordon Huston has the sympathy of all, in her illness —we trust that she may, in short be fully recovered. The citizens of Summerside recently had hope that their abode was becoming Heavenly in that "there' was neither marrying nor giving in marriage"— if the opposite be true where will Mayfield get off—as the matrimonial fever of a highly contagious type, is raging. Mrs. Duncan Campbell has returned home after a visit of a year with her son in Boston. Mrs Campdell enjoyed her trip greatly but reports "there is no place like home." Mrs Guthrie Ballingall is spending a few days with Mr. and Mrs Clyton Houlton. Mrs Sadie Bryenton was a passenger to Borden, yesterday, to visit her sister Mrs. Albert Muttart of Carleton. Miss Nellie MacCoubrey spent the week end with her sister, Mrs. Blair Andrew. The Mayfield people learned with pleasure of the nomination of our highly respected friend Mr. John F. Buntain of S. Rustico. The parents and pupils hope to again secure the service of Mrs Stella Rollings as teacher—for the ensuing year. Miss Rollings has proven herself capable and painstaking.

ADDRESS AND PRESENTATION

On Tuesday June 19th, a number of friends gathered at the home of Mr and Mrs. Jack Turner, Bunbury, the occasion being a farewell address and presentation to the host and family who leave shortly for their new home in the western part of the Island.

The presentation which was in the form of a beautiful auto robe was made by Mrs Russel Farquharson while the following address was read by Miss Mildred Mason.

Mr. and Mrs. Jack Turner
Bunbury

It is with feeling of sadness, that we have assembled here tonight to try to express in a slight manner our sincere regret in learning of your departure from us.

During the few years you have lived here, most of us have, at different times, enjoyed the hospitality of your home, where we always have received a most hearty welcome.

As you go from among us to your new field of labour, we trust, that you will be as firmly established in the admiration and affection of your new friends, as you have been with us.

As a slight token of our esteem and friendship, we ask you to kindly accept this gift, which is accompanied by our very best wishes for a continuance of your happiness and good fortune.

Assuring you that a hearty welcome awaits you, should you at any time return to Bunbury.

At the conclusion of the address Mr. and Mrs. Turner in a few brief remarks thanked those present and extended to each and every one a cordal invitation to there new home concluding by again thanking all for many services rendered during the years they had been neighbours.

We will deliver Pianos freight paid with stool and book at a price that compares favorably with any now offered in Canada. Bring your catalogue and let us prove this. You can get better value in a Piano from us than from any other dealer. We invite comparison. Call or write today.
