For Gravel or Bladder Troubles if you use Dodo's Kidney Pills. TORONTO, Ont., June 27th.—(Special.)—That operations are no longer necessary in Gravel and other Bladder Troubles has again been proven by William Thomas, a bricklayer living at 188 Mill Street this City. Mr. Thomas' evidence is as follows: "I had been troubled with Gravel and Bladder Disease for seven years. I had to go to the hospital and have water taken from me. Hearing of cures made me try Dodo's Kidney Pills and after taking them for a time I passed a stone the size of a large bean. Four boxes of Dodo's Kidney Pills cured me completely." "I care the Kidneys with Dodo's Kidney Pills and you will escape nine tenths of the ills the human family is heir to."
