WORLD WAR IS A WORKMAN'S WAR

WASHINGTON, Feb. 19.—American labor's endorsement of War aims as stated by President Wilson and recognition that the war against Prussianism is a working man's war, is recorded in a declaration issued tonight by the executive council of the American Federation of Labor at the close of a seven-day session at headquarters here. The declaration says the peace parleys between Russia and Germany have shown the futility of diplomatic negotiations until the German militarists are conquered. They cannot superimpose their will on the rest of the world and spontaneous uprisings in Germany have demonstrated that the militarist government still is stronger than the movement there for emancipation. A gigantic struggle lies ahead and now is a time when all workers must soberly face the grave importance of their daily work, says the declaration.

A WORLD CRISIS.

The declaration says:

"We are face to face with a world-crisis. We are in a world struggle which will determine for the immediate future whether principles of democratic freedom or principles of force shall dominate. The decision will determine not only the destiny of nations but of every community and of every individual. No life will be untouched.

"Either the principles of free democracy or of Prussian militaristic autocracy will prevail. There can be no compromises. So there can be no neutrality among nations or individuals—we must stand up and be counted with one cause or the other. For labor there is but one choice.

"The hope of labor lies in opportunity for freedom. The workers of America will not permit themselves to be deceived or to deceive themselves into thinking the fate of the war will not vitally change our own lives. A victory for Germany would mean a pan-German empire dominating Europe and exercising a world balance of power which Germany will seek to extend by force into world control."

Had Headache. For Two Years

A Barrie Man Tells of Persistent Headaches and Indigestion—Finally Found His Way to Good Health

For two long years the writer of this letter was subject to severe headaches. The nervous system got run down, digestion failed, and there was continued loss of weight.

The use of Dr. Chase's Nerve Food changed all this, and now with scores of other Barrie people Mr. Nader is recommending the use of this food cure as the best means of building up the exhausted nervous system and curing headaches, indigestion and all the annoying symptoms of a run-down condition.

Mr. John Nader, 38 Penetang street Barie, Ont., writes: "During the last two years I had an attack of indigesaches. I suffered from loss of appetite, and my system became run down. I also lost considerably in weight. I began using Dr. Chase's Nerve Food, and as they helped me I continued this treatment for some time. My condition is now greatly improved, my headaches are gone and my health in general is much better. I can cheerfully recommend the use of Dr. Chase's Nerve Food to those suffering from nervousness of any kind."

The reason Dr. Chase's Nerve Food is so effective in cases of this kind is because of its extraordinary blood-forming influence. By creating an abundance of rich, red blood it strengthens the action of the heart, revitalizes the exhausted nerves and builds up the system in every way.

The appetite is restored, digestion improves, you rest and sleep well, and the new vigor and energy is felt in every organ of the human body. Dr. Chase's Nerve Food is doing wonders for men, women and children whose systems have become weak and run down. 50 cents a box, 6 boxes for $2.75, all dealers or Edmanson Bates & Co., Limited, Toronto.

MAMMA! DON'T YOU SEE YOUR CHILD IS SICK, CONSTIPATED

Look at tongue! Move poisons from liver and bowels at once

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Co."

UGH! ACID STOMACH, SOURNESS, HEARTBURN, GAS OR INDIGESTION

The moment "Pape's Diapepsin" reaches the stomach all distress goes

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down; Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy relief in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as Pape's Diapepsin" comes in contact with the stomach— distress just vanishes—your stomach gets sweet, no gases, no belching no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.
