There was a large representation from each organization. The meeting opened with a hymn and prayer, followed by a report from Miss Irene Wells and Miss Beatrice Rayner. Mrs. Gidden, former secretary, read the report for the year, and also a memorial for six members who had passed away during the year. A very interesting paper was read by Mrs. J. S. Perry on the life of David Livingstone. Other interesting readings were given by Mrs. Jelly and Miss Nina Scherman. Mrs. Colin Stewart and Mrs. Ray Tanton contributed two very excellent solos. The meeting, which was very helpful to those present, closed with a hymn and prayer.

**—INSTITUTE PARTY—**The Halloween party under the auspices of the Kelvin Women's Institute was held at the home of Mr. Eddie McMurdo on Friday evening, November 10th. Although the weather was very unfavorable a goodly number gathered to join in the usual sports of the season. This annual event is always much looked forward to by both old and young, nor were they disappointed this year. The ghost and witches, entertained in the early part of the evening caused much merriment which continued throughout the evening. The program consisted of Welcome Song, piano music by Mrs. Harold Laird; song by ghosts; humorous reading given by Mrs. John Walker; Jack O'Lantern drill followed by contests. The honcomoon contest caused a great deal of amusement. A delicious luncheon was then served by the women of the Institute, during the serving of which the company were entertained by piano selections by Miss Evelyn Pillman and Mrs. Cecil Forbes, and harmonica selections by Norman Wood and Emmett McMillan. The remainder of the evening quickly passed in the playing of games including a Halloween game cake. This enjoyable gathering was brought to a close by singing Good-Night Ladies and God Save the King.

**—WILLIAMS-GREGG NUPTIALS—**A pretty wedding was solemnized on Nov. 6, at the home of Mr. and Mrs. J. A. S. Williams, of O'Leary, when their daughter, Miss Ruby, was united in marriage to Mr. Albert

Gregg, of West Devon. The house was tastefully decorated for the occasion. The ceremony was performed by Rev. S. B. Proffit. The bride was charmingly gowned in pale blue flat crepe and wore a chic hat of pale gold color with shoes to match. Her sister, Miss Edna, was bridesmaid, and Mr. H. L. Haughn of Summerside was groomsmen. After the ceremony a reception was held to which the innumerable relatives and friends were invited. Previous to her marriage, Miss Williams was tendered a miscellaneous shower at the residence of Mrs. Vernon Matthews. Seventy-five guests were present and the bride was the recipient of many lovely and valuable gifts. The presents were brought into the reception room in a gayly trimmed basket by Miss Dorothy Matthews and Master Gerald Matthews, dressed as bride and groom, to the strains of the Wedding March. Miss Dorothy Shoen opened the presents and read the verses. Miss Williams thanked the donors in a charming manner for their thoughtfulness. A delightful evening was spent in music and games. Refreshments were served by the hostess at the close of the evening. Mr. and Mrs. Williams received the congratulations of a host of friends. Mr. and Mrs. J. A. S. Williams were formerly of Summerside and their daughter's marriage will be read with interest by friends there.

**—MEETING OF CHILDREN'S AID SOCIETY—**There was a fair attendance of members at the regular monthly meeting of the Children's Aid Society held in the Town Hall, Summerside, on Tuesday evening. The President, Dr. J. A. McPhee, presided. Mr. Vincent J. Harrington, the agent and trustee officer, read his report for the past month which stressed the importance of a Curfew Law being introduced in the town. He reported that he saw very young children on the street after 10 p. m. and it was his opinion that if a Curfew Law was enacted with the penalty on the parents, that children of tender years would be better looked after. He also reported that out of all the school children he had only two bad cases of truancy in the past month to deal with. The next meeting of the society on the 10th of December is the annual meeting for the year and a large attendance is looked for.

**—ARMISTICE DAY FITTINGLY OBSERVED AT O'LEARY—**Armistice Day was fittingly observed at O'Leary when about forty ex-service men paraded to the Monument in the Square where an appropriate service was held in the United Church, the members of the No 2 branch of the Canadian Legion attending in a body. The church was packed to the doors and Rev. S. B. Proffit preached an eloquent and touching sermon, on Monday Requiem High Mass was celebrated at 9 a. m. in St. Anthony's Church at Bloomfield, by Rev. Father Gaudet. Immediately after the service, there was a parade and decoration of the war memorial in the church grounds. Following this was a service, at 10.45 a. m. at O'Leary. The school children marched from the church carrying flags. At two minutes to eleven the church bell was rung when the two minutes silence was observed. The bell rang again at 11 o'clock when the services at the Monument began. Patriotic recitations were said by the school children, followed by a prayer by Rev. Mr. Peacock. The wreath from the War Veterans was then placed at the foot of the stone by Mr. Daniel McDonald; Mrs. Pate also placed two wreaths at the foot of the monument. Rev. S. B. Proffit then delivered a very stirring address. Patriotic music was rendered, followed by the Flag Salute. The impressive ceremony closed with the National Anthem. In the evening a banquet was given in honor of the War Veterans in the I. O. O. F. Lodge rooms, at which about forty ex-service men were present and a large number of relatives and friends. In the absence of the President of the Legion, C. S. M. Hallett, Lieut. Spurgeon Laird presided. The toast to the King was proposed by the chairman. After the banquet a dance was held in the Public Hall, which was kept up till the wee small hours. Music was furnished by the O'Leary

Hundreds of miles away a distant station broadcasts the music of a famous orchestra . . . On an ordinary radio you might not locate the programme at all—at best the reception would be faint, indistinct, fading . . .

But on a new Freed, once you tune in on the proper wave, the faintly heard rhythm is quickly amplified to a reproduction astonishing in its power, tone and clarity.

Here at last is radio! Sensitive as the human ear. Radio which renders every subtle shade of melody . . . every inflection of a singer's voice . . . just as the microphone gets it.

Many radios cost more than the new Freed models, but in all that goes to make them the greatest radio value ever offered the public . . . Freed is outstanding.

Freed dealers everywhere are anxious to show these marvellous instruments. Examine the models, listen to a demonstration and you will realize why Freed enjoys such great popularity.
