**FEDERATION OF AGRICULTURE**  
School Secretaries and Farmers:  
Our campaign for membership is still on: Returns to date indicate a good response in most districts; but where the work was left entirely to the School Secretary, progress has been slow.  
Farmers; let us stick together now on this one all-important job—sticking together. Remember this is the time for action to help safeguard the future.  
See your School Secretary. help him, divide the district and help with the canvassing.  
Your support is needed and every farmer will help if he is approached and given the opportunity.  
Let's take this one further step and help to establish our Federation on a sound financial basis. With your financial backing and constructive support we will be better able to act as the overall mouthpiece for Prince Edward Island Agriculture.  
There is to be a Directors' Meeting on April 20th. If possible, try and have your returns in before that date.  
DON'T PUT IT OFF! ACT TODAY!

**FEDERATION OF AGRICULTURE**  
School Secretaries and Farmers:  
Our campaign for membership is still on: Returns to date indicate a good response in most districts; but where the work was left entirely to the School Secretary, progress has been slow.  
Farmers; let us stick together now on this one all-important job—sticking together. Remember this is the time for action to help safeguard the future.  
See your School Secretary. help him, divide the district and help with the canvassing.  
Your support is needed and every farmer will help if he is approached and given the opportunity.  
Let's take this one further step and help to establish our Federation on a sound financial basis. With your financial backing and constructive support we will be better able to act as the overall mouthpiece for Prince Edward Island Agriculture.  
There is to be a Directors' Meeting on April 20th. If possible, try and have your returns in before that date.  
DON'T PUT IT OFF! ACT TODAY!
