CHRISTMAS CONCERT IN VERNON RIVER SCHOOL.

Somehow we stop and think of the passing years, the changes, the improvements brought about by time. Our transportation system, rural mail, telephone and radio, but after all the improvements of a country are best reflected in its children.

On Tuesday evening December 22nd parents and taxpayers of Vernon River and neighboring districts gathered in the old schoolhouse, on the hill to see the children perform and entertain in song, dance and drill, in a most creditable manner.

the girls of the fifth and sixth grades.

Harry Lewis then acted as chairman and the following program was rendered:—Holly Drill and Chorus. Recitation, "A Christmas Greeting," by Muriel Dover. Recitation, "A Sleigh in Time" by Alice Crockett. Recitation "Our Concert" by Roy Vessey. Recitation, "A Secret" by Queenie Hudson. Chorus "I Love to Roam" in the Morning" by Dorothy Smith. Recitation, "A Christmas Dilemma," by Vaunda Watts. Exercise, "A Christmas Grouch," recitation, "Buying Presents," by Margaret Hunter. Recitation, "Santa Claus," by Aletha MacDonald. Recitation, "Papa's Darling," by Lloyd Vessey. Recitation, "Santa's Surprise Party," by Frank Vessey. Chorus, "Merry Christmas Day," immediately at the end of the program, Santa Claus in his usual joyful manner, arrived and unloaded the Christmas tree. Among the presents was a miniature set for the teacher from the pupils. A hearty vote of thanks to Santa Claus was moved by Wendell Vessey and seconded by Ivan Vessey. This of course, was unanimously carried and presented to him by the Chairman. Santa made a pleasing reply and then departed. The exercises closed with the singing of the National Anthem.

The creditable and capable manner in which the pupils took their part all through the exercises was both entertaining and encouraging. Besides being an inspiration to the pupils, such gatherings always give the parents some inspiration for the future.

CHRISTMAS CONCERT IN VERNON RIVER SCHOOL.

Somehow we stop and think of the passing years, the changes, the improvements brought about by time. Our transportation system, rural mail, telephone and radio, but after all the improvements of a country are best reflected in its children.

On Tuesday evening December 22nd parents and taxpayers of Vernon River and neighboring districts gathered in the old schoolhouse, on the hill to see the children perform and entertain in song, dance and drill, in a most creditable manner.

Santa Claus was there in the person of Aldren Carter, Original and versatile; Santa surely reached the hearts of the children. And in Mr. Frank Lee we had a chairman, capable courteous and entertaining One who commands respect in his native district; and whose ready assistance and up lift can always be counted on. The teacher Miss Ethel Hynes while young in her profession must have watched with delight the children she guided and guarded in their various performances and what can be more gratifying than realizing a

duty well done. As the future rolls along and we hear of these children reaching high places in the different spheres of life. We cannot fail to remember their first public performances in Vernon River.

Special mention might be made of the welcome speech by master Francis O'Keefe. While the chorus "Merry Christmas Day" would do honour to singers of more mature years. Among the soloists we expect to hear from in the future we might mention the Misses Hazel Carter, Isabel Bruce, Evelyn Macneil and Mary O'Keefe. Miss Pansy Ward in her reading displayed a talent and charming Nanette, which reached the hearts of all parents. Among the dancers we should mention Miss Helen MacPherson. Dainty and sweet she captivated everyone. Mr. John Green and Mrs. M. L. Lee assisted by Mrs. Charles MacKenzie furnished music that delighted parents and pupils and made us wish Santa would visit Vernon River again.

"BEAUTIFUL SNOW"

Snow, snow, beautiful snow. Whoever wrote those lines sure did not know. The (?) pleasure that waits him, as his window he lifts, To go out in the cold and cut through the drifts.

When you have to go out on a cold winter's morn, And shovel a path from the house to the barn, The wood pile's snowed under, the pump's full of ice And you mutter strange words that do not sound nice.

It covers the ground with a mantle of white, And under the sunlight it ruins your sight, Your eyes run with water, are inflamed and red, And feel like two burning hot coals in your head.

Out in the country it isn't so bad, But the lot of the poor city dweller is sad, He has to hike miles to his work every day, For the traffic's all stopped and there's no other way.

If he hasn't his sidewalk all shovelled off clean, The cop very quickly arrives on the scene, And says "what tell what the matter with you? You clean off your snow and be quick with it too.

So the poor simp arises an hour before time, And the language he uses is simply sublime, And savagely murmurs his heart filled with woe, If I had the boob that wrote "Beautiful snow"
