

ANKLE REDUCING

"One of the 14"

A DOLLY VARDEN ANKLE

Some athletes have clumsy figures while others enjoy the graceful lines of a Sandow.

Some feminine ankles are swollen and bulky while others are as slender as a fawn's.

Whether clumsy or graceful, bulky or slender the method of shoe training is the cause.

The ankles are completely surrounded by muscles. If these muscles are constantly strained and stretched by the feet waddling about on unskillfully built shoe foundations, bulky ankles cannot fail to ensue.

Dolly Varden reduce bulky ankles and preserve slender ones. Why?

Because of their Free Flat Tread, which allows the feet to rest free and flat on the sole. This prevents bending and bowing of the ankles and the consequent stretching of the ankle muscles.

Because of their newly devised steel arch support, which holds up the arch and relieves the vertical clefs from the sioned by their Dead and Heel which throws into their cal position.

Because they fit the feet and ankle firmly at every point. The Dolly Varden Agent will be pleased to show you Ankle Reducing Dolly Varden. In the States and Canada at the same price—\$4.00 to \$5.00. Every pair Goodyear welted.

Tooke SHIRTS

The button hole for the stud, in the back of the neck in our shirts, is not placed in the neck-band as it is in all other shirts. Instead, there's a small flexible tab of stout cotton with a button-hole in it, as illustrated. Easy to put in the stud, and it cannot chafe the neck.

This feature alone should make every man give Tooke Shirts a trial—after that the shirt will do its own talking. Tooke Shirts are the only shirts that have this tab feature.

SYNOPSIS OF CANADIAN NORTHWEST HOMESTEAD REGULATIONS

Any even numbered section of Dominion Land in Manitoba, Saskatchewan and Alberta, excepting 8 and 20, not reserved may be homesteaded by any person who is the sole head of the family, or any male over 18 years of age, to the extent of one-quarter section 160 acres, more or less.

Applications for entry must be made in person by the applicant at a Dominion Land Agency or Sub-agency for the district in which the land is situated. Entry by proxy may however, be made at an Agency on certain conditions by the father, mother, son, daughter, brother or sister of any intending homesteader. The homesteader is required to perform the homestead duties under one of the following plans.

(1) At least six months residence upon the cultivation of the land in each year for three years.
(2) A homesteader may, if he so desires perform the required residence duties by living on farming land owned solely by him not less than eighty (80) acres in extent, in the vicinity of his homestead. Joint ownership in land will not meet this requirement.

(3) If the father (or mother, if the father is deceased) of homesteader has permanent residence on farming land owned solely by him, not less than eighty (80) acres in extent in the vicinity of the homestead, or upon a homestead entered by him in the vicinity, such homesteader may perform his own residence duties by living with the father, or mother.

(4) The term "vicinity" in the two preceding paragraphs is defined as meaning not more than nine miles in a direct line, exclusive of the width of road allowances crossed in the measurement.
(5) A homesteader intending to perform his residence duties in accordance with the above while living with parents or on farming land owned by himself must notify the Agent for the district of such intention.

Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa, of intention to apply for patent.

THE skin is the overcoat of the body. Its healthy condition means much to the whole system, for no one can be normally healthy without a clean, clear skin. Soap is essential to thorough cleansing, but—

Be sure you get the right soap, for bad soap can do quite as much harm as good soap can do good.

FAIRY SOAP is the one toilet and bath soap that will stand the light of investigation.

It is made from choice beef fats and pure vegetable oils.

It has a clean, delicate, refreshing smell; and every ingredient used in its manufacture is of the highest grade possible to purchase.

FAIRY SOAP is the best of all toilet and bath soaps that sell for 5 cents a cake—and the equal of any that retail at 25 cents and 50 cents.

The cake is oval—another distinct advantage over many toilet soaps.
