A Million for a New Stomach

It is said that Mr. Rockefeller, one of the world's richest men, offered one million dollars to any physician who would make his stomach strong enough to digest an ordinary meal. With all his money, this multimillionaire is compelled to live on milk and crackers. What a warning this is to men and women who are beginning to realize that "they have a stomach"!

Slight attacks of indigestion soon develop into acute attacks. The weakened stomach quickly becomes weaker under the continued strain of digesting unsuitable food. Chronic Dyspepsia makes a strict diet imperative, and life miserable.

Yet how unnecessary all this suffering is! "Fruit-a-tives"—that splendid stomach tonic—will give you what millionaires cannot buy, a clean, sweet, healthy stomach which will be capable of digesting any reasonable meal.

"Fruit-a-tives", made from concentrated and intensified fruit juice, acts directly on the stomach, increases the flow of the digestive juices and corrects the faults of digestion. "Fruit-a-tives" or "Fruit Liver Tablets" is not only a positive and speedy cure for all these troubles. It also acts as a general tonic, building up and strengthening the entire system. Frequently those who have been cured of Stomach and Bowel Troubles, write to the Company, stating that they are enjoying better health than ever before.
