Yanks humble White Sox 6-1

NEW YORK, May 4 (AP)—New York Yankees humbled Chicago White Sox again today 6-1 for the American League tail-enders' fourth setback in a new losing streak.

The Sox now have been beaten 11 times in their last 12 games and 16 out of 20 for the season. They would have been shut out today, too, for the fifth time except for an error by Yankee shortstop Phil Rizzuto with two out in the ninth.

Spud Chandler kept seven hits scattered and never was in danger because his teammates gave him a run in the first inning and batted around for five more in the third, which Frankie Crosetti climaxed with a two-run triple.

Joe Haynes, who replaced John Humphries at the start of the fourth held the champions scoreless the rest of the way.

Indians Lose Again

At Boston, Bobby Doerr, the league's leading slugger, turned in a perfect performance at the plate while pacing Boston Red Sox to an 11-8 victory over Cleveland Indians. Doerr, who has hit safely in 10 straight games, collected two singles and a double with the bases loaded out of three trips to boost his average to .466.

Tigers Defeat A's

At Philadelphia, Al Simmons was banished from the coaching lines and a foul, returning a football hit into the stands, aimed it at Umpire Art Passarella as Detroit Tigers defeated Philadelphia Athletics 6-4.

The rumpus started when Simmons disputed the umpire's ruling that a grounder hit by the A's Pete Stider was a fair ball.

Dive Bombers Win 6-5 From Spitfires Squad

S. McKinnon's Dive Bombers defeated Joe Zakem's Spitfires 6-5 on the Dive Bombers diamond. Sample, Mahar, C. Dowling and T. Notting were the pick of the Dive Bombers. While "Red" Bradley and "Mick" Richard were the choice of the Spitfires.

Lineups:
Dive Bombers: S. Praught, c.; S. McKinnon, p.; C. Dowling, ss.; T. Notting, 1b.; B. Deibel, 2b.; Blanchard 3b.; J. Gaudet, lf.; Mahar rf.; H. Sample of.
Spitfires: C. Duncan, c.; M. Richard, p.; Burke 1b.; E. Corbett ss.; N. Wilson 2b.; E. Martin 3b.; Worth lf.; J. Zakem rf.; Ted Bradley cf.

NICHOLSON'S POULTRY HEALTH
(Tooth and Egg Stimulator)

Mating Time Is Here

Nicholson's Poultry Health puts the breeders in fine condition, so that you get strong, livable chicks—chicks with power of resistance, chicks that will not fall a prey to every little chick ailment, speed up egg production this spring with Nicholson's Poultry Health. It contains tonics that promote a hen's digestion, tonics that tone up the dormant egg organs, so that the proper amount of food goes to egg production, and not all to flesh, fat and laziness. Every Hen is not a good layer. This Powder will pick out your good layers for you and make every Hen pay. Watch them, and you can tell out the poor layers.

Price 2 lb. Box 70 cents. 5 lb. Nicholson's Horse Health 2 lb. Box 70c. Nicholson's Fox Health, 2 lb. Box \$1.75. You get 375 feeds from each box. All put up fresh as ordered and all delivered. If you mention this paper, can supply any quantity. Send money order for what you want or when in Charlottetown call and buy a box.

RENOVATION OF THE PERENNIAL BORDER

(Experimental Farms News)
Established perennial borders require periodic renovations if they are to remain attractive. Some plants become too large, others weaken or die out, weeds may secure a foothold, or a certain portion of the border may lose its pleasing effect from other causes.

Perennials may be moved either in the spring or autumn. In the Maritime Provinces, spring moving appears to be superior to fall planting, unless there is good ground after fall planting takes place. This is an exception in that late summer after blooming, with perennials in early September, says R. C. White, Dominion Experimental Station, Fredericton, N. B.

Before beginning operations, the location of each specimen should be clearly marked. When this is done note any changes which appear necessary. These may include outlining down the size of some groups, the rearrangement or replacement of others, the addition of new specimens or the removal of portions of the border which do not please.

Clumps may be divided so that the portion remaining is of a sufficient size, approximately one-third the size of the original. This method of division is completely satisfactory where all holes so formed should be filled with soil and this soil firmed around the plants. It may be advisable to remove the whole and replant completely.

The majority of perennials are planted with their crowns level or just below the surface of the ground. Exceptions to this are certain plants, like bulbs, which are planted deeply, peonies which are set medium and iris, which are set very shallow.

A good top-dressing of well-rotted manure is an advantage when renovating a border.

Many gardeners believe that no perennial border is complete without a few groups of annual plants. Annuals used in this way give a freshness and bloom otherwise hard to secure in the perennial border.

White Sox' Lease On Cellar Biggest Surprise Of Young Ball Season

By Judson Bailey
Associated Press Sport Writer

NEW YORK, May 4 (AP)—One of the biggest if not the No. 1 surprise of the young baseball season is the lease taken on the American League cellar by Chicago White Sox.

James J. (not for joy) Dykes, Manager, is one of the persons most gravely shocked and this in itself is unusual because Dykes, 300 in 10 years, now is under 20. They also are operating without two of their mainstays, pitcher Thornton (Lefty) Lee and outfielder Taft Wright.

Lee has had a sore arm since early in spring training and Wright is in hospital recovering from a strained abdominal muscle.

body on our club seems able to do any thinking. We've had injuries and bad breaks, but our pitching has been good and we oughtn't to have lost 10 out of 11 games—or 15 out of 18.

"The club looked good on the coast. I think we'll get going eventually. But we'll have to get some hitting pretty soon."

The White Sox do not have a regular batting over 250 and Luke Appling, who has not batted under 300 in 10 years, now is under 200. They also are operating without two of their mainstays, pitcher Thornton (Lefty) Lee and outfielder Taft Wright.

Lee has had a sore arm since early in spring training and Wright is in hospital recovering from a strained abdominal muscle.

Horsemen to Meet May 12 Pirates edge Boston 2-1

With the arrival of spring horsemen are beginning to get keyed up over racing and all the tracks throughout the Province are having horses trained over them at present.

The annual meeting of the Prince Edward Island Harness Racing Association, which includes all race track members and a great many others, has been slated for Tuesday afternoon, May 12, at the Queen Hotel. The hour has been fixed at 2 p.m. for the convening of all members.

The same evening a banquet will be held by the Victoria Driving Club at which will be presented the cups and prizes for the winter's harness racing. It will be held also at the Queen Hotel.

Both these functions are popular and will, no doubt, be largely attended.

NEW YORK, May 4 (AP)—Eddie Fletcher's only hit of the game, a sharp ninth-inning single, gave the Pirates a 2-1 victory over Boston Braves today and the Braves advanced to within a half-game of the idle, National League-leading Brooklyn Dodgers.

Veteran Jim Tobin and Bobby Klingler, making his first start of the year, hooked up in a hurling duel, both allowing only six hits. An error paved the way for the game-winning run the Pirates pushed across in their last half of the ninth.

Shortstop Eddie Miller fumbled Bob Elliott's grounder after Jimmy Waddell fouled out to open the ninth for the Braves. Vince DiMaggio promptly came through with a single, Elliott pulled up at third to score a moment later as Fletcher rode Tobin's first pitch down the right field line for a clean single.

Boston's only run was made in the top half of the ninth as pinch-hitter Clyde Kiltz came through with a single which scored one run and sent another man to third.

Home runs: American League—York, Tigers 7; National League—Camhill, Dodgers 6.

Runs batted in: American League—York, Tigers, Spence Senators 23; National League—F. McCormick, Reds 22.

At Cincinnati, the usually docile Cincinnati Reds piled up 12 runs in the fourth inning and rolled on to a 15-4 triumph over New York Giants.

The big blasting during which the Reds' entire batting order came up twice, came within two runs of the modern league record for the most scoring in a single inning.

Cincinnati made only six hits in that inning, including Eddie Joost's triple with the bases loaded, but they were helped by three errors and four bases on balls. Three runs were forced across the plate by walks and another by a hit batsman.

Pitcher Bill McGehee did not allow a hit in the first three frames, but neither the nor Hux also could get anyone out in the fourth and fifth. The Cincinnati was scarcely any better in finishing.

Ray Starr went the route for the Reds.

of ill-health?"

Mr. Diefenbaker quoted from answers he had received to a formal question in the House, disclosing that while Francheschini was interned his extensive properties were administered by their

to Cyclists:

PLEASE MAKE YOUR BICYCLES LAST LONGER!

YOUR faithful C.C.M. Bicycle that has been your reliable means of personal transportation may, anytime now, become your only means of convenient transportation—so—look after it—keep it in good repair—oil it frequently and ride it in a "bicycle-conscious" manner.

And, in your effort to keep it in repair, don't be extravagant in discarding old parts—parts are scarce as many of the materials from which parts are made have gone to war. If your saddle seems to be "shot" look it over carefully, maybe a nut here and a rivet there will put it in usable condition again. Or if a wheel seems beyond repair, take it to your C.C.M. dealer—you will be surprised how he can straighten it and, with the help of a few new spokes, make it as true as new. And so on with every part of your

bicycle—keep it in good order and let your dealer help you to keep it on the road, using your present parts and accessories where possible. For those people who are engaged in war work of any kind, and who do not now own a bicycle, there are still some new C.C.M. Bicycles available, in spite of bicycle material supply having been reduced, therefore, our output of bicycles curtailed accordingly.

The fact that the high standard of quality of C.C.M. Bicycles and the accuracy with which they are made has been in no way impaired and will not be, increases our difficulty of production. But the war won't last forever and C.C.M. Bicycles, which have been built to high standards of quality for over 40 years, will continue to be built when "Peace breaks out again."

See your C.C.M. dealer about putting your bicycle in shape for the season, or, if you are a war worker, ask him if he can supply you with a new C.C.M. so that you may ride to and from your work.

C.C.M. Bicycles

directors and that government are left unmolested.

He referred to the "Voice of Canada," a publication printed now in Canada, which he claimed was subversive of the war effort.

Paul Martin (Lib. Essex East) supported Mr. Green's suggestion for a review of the naturalization laws which he said were "in a most deplorable state" and "present a most ridiculous situation."

He said that he could not see how they or their publications were subversive of the war effort.

The mill owned by the firm of Crouse and Rafuse, was opened July 4, 1941. It employed about 20 men.

The crown did not allege and active for the fire.

FIREPLACE REPAIRS

After a long and severe winter it is usually found that some kind of renewals or repairs are required in the fireplace. Anything wrong with the grate or fireplace should be put right at once to avoid any chance of danger. Special putty is sold for this purpose of mending cracked grates and firebricks. It is easy to handle and makes an excellent job, provided you allow the necessary time required for it to dry off and harden properly.

If firebricks have got broken and the edges consequently rounded with wear, it is more trouble than it is worth to try and fit them together again each time, so the best thing is to measure them up correctly and invest in a new pair they don't cost a great deal, and they last a fair time. It is quite possible, too, that the bottom of

Mr. Coldwell also questioned the activities of Otto Strasser, co-founder of the Nazi regime in Germany, now a resident of Montreal.

Howard Green (Con. Vancouver South) recalled that last session this committee examined naturalization and deportation laws and he thought specific instructions should be given the proposed new committee to do the same.

Support for this suggestion came from Arthur Slaght (Lib. Parry Sound). Of the Communist party he said it should be realized that "the Communist party in Canada and our ally, Russia, are not one and the same thing."

Rev. T. C. Douglas (C.P.F. Weyburn) spoke on behalf of the "Jehovah's Witnesses" sect which has been banned under the regulations. While they spoke of his profession "in the most virulent
