Mr. Frank McNeill has just sold a 2 year old for the sum of \$300.00, full brother to Mianie Axworthy. Does it pay to breed to the right horse? Come and see him.

Guy Axworthy sired a two-year-old that got a mark of 9.07 in 1929, and sold for \$25,000 and Mr. McKelvin, a half brother to Bud Axworthy, had a two-year-old that won nine races in 1929, and got a mark of 2,024, the world's champion two-year-old trotter in a race.

Imperial Puppy Food

It is extremely important to give puppy foxes a right start by early supplying nourishing food. This start can be given by feeding IMPERIAL PUPPY FOOD, which is especially high in food values as it is made from carefully selected ingredients universally recognized for high standard nutritional content.

IMPERIAL PUPPY FOOD formula is prepared with a view to the development of pups into active, sturdy foxes with pelts of highest sheen and faultless color.

To accomplish these results "Imperials" must be fed early and regularly throughout the whole season. Secure from your local dealers or direct from factory.

—PLAY ENJOYED.—"The Hand of the Law," presented by Travellers' Rest Dramatic Club, on Thursday evening in Epworth Hall in aid of the Prince County Hospital was thoroughly enjoyed by an appreciative audience. This play has been spoken of so highly by those who have seen it at different places throughout the country, that it is only necessary to say that the players were all up to their usual high standard and showed fine dramatic talent. The specialties between the acts were of an exceptionally fine order. Worthy of special mention were the songs, sung by Master Alban McDougall, without music. He is the ten year old son of Mr. and Mrs. Neil McDougall, of St. Eleanor's. The specialties were: Piano solo, Miss Glen Waite; solo, by Mrs. Bradley, who also contributed a clever dance, "The mechanical Doll." Duet by Miss Edna Urch and Bert Poole. Mayor Lidstone very capably acted as chairman and expressed his thanks to the Dramatic Club for their generosity in giving the performance, for such a worthy cause as the hospital.
