SERGEANT RUTH FARNUM

AT CHAUTAUQUA

A Vivid Lecture on Overseas Conditions

Sergeant Ruth Farnum will tell you the story of the women and children in the war. She is especially qualified by experience and training to make this a vivid portrayal.

Mrs. Farnum was the only woman soldier in the whole army of the Allies, exclusive of Russia. During her career she has seemed to run into warfare. She was a witness of the Boer War, the siege of Pekin, and the Russo-Japanese War.

In 1912 Mrs. Farnum went to Serbia and in 1913 began to take an active part in Serbian military affairs. She was decorated by the Serbian king for service to Serbia in the war against Bulgaria in 1913. In the following year when Austria attacked Serbia, she rendered such valiant service that she was again decorated and made a sergeant in the Royal Serbian Army. For valor on the battlefield in the famous battle of Brod she was decorated for the third time.

Sergeant Farnum will return to this country just before the opening of the Chautauqua season and will lecture in your town on the condition of the women and children and the reconstructional needs over there. Dr. Newell Dwight Hillis said of her, "She has the divine gift and knows how to move her audiences with the story of her own personal experiences. I cannot commend her too highly."

ADDRESS AND PRESENTATION

The home of Mr. Arthur Jackson, Brackley Point, was the scene of a happy gathering on Monday evening when many neighbors and friends gathered to present Mr. Earl Drake, a returned hero, with the following glowing address accompanied by a sizeable gift. The evening was passed in music and song followed by dainty refreshments.

The following is the address:-- Mr. Earl Drake; Dear friend:-- These people have assembled here tonight to extend to you, a loyal soldier of the King, and a native of our own home-land, the glad hand of welcome.

To us, who have not left the shelter of our homes, it is not only a duty, but a great privilege, thus to honor our brave boys who so nobly offered their lives in our defense, and in the defense of all that civilization holds sacred.

Can any province of the Dominion boast of greater patriotism than was displayed by the "Garden of the Gulf"? As an instance, we are reminded that before you enlisted, two brothers were already serving in far-off Flanders. And although they are not with us tonight, we wish to pay our tribute of respect to them, and to the parents who offered up three sons in the cause of liberty.

To our brave defenders we owe a debt that can never be cancelled. To those who lived and fought, and may be dead, Unknown, unnamed, Their highest honor that they gave. Themselves, their all, life's soul to save. Here, now, our deep soul-thanks we give to them, Through whom we live.

We do appreciate the spirit which prompted you to offer your life in a just and holy cause. It is the spirit of the martyrs of old and will some time somewhere, meet with its just reward. We ask you to accept this small token of our respect, and we pray that the richest blessing of Heaven may rest upon you wherever you may be and crown your life with success.

Signed on behalf of the people of Brackley, MRS. V. MACMILLAN.

DEPARTMENT OF AGRICULTURE. Dairy and Cold Storage Branch.

Dairy Produce Market Report for Week Ending June 21, 1919.

(Prices for Montreal and Toronto are for Butter and Cheese delivered there.)

MONTREAL.—The week opened with the butter market quiet and steady with quotations practically unchanged from the previous Friday. At Monday's auction 345 pkgs. of pasteurized sold at (including selling charges) 51c; 922 pkgs. No. 1 50 5-8c and 474 pkgs. No. 2 at 50c. Total 1,741 pkgs. At Gould's Cold Storage about 1,000 pkgs. were sold on Tuesday at about 50 1-4c. for No. 1 delivered at Montreal. On Friday the 20th inst. there was a better demand and prices were advanced 2c per lb. 202 pkgs. pasteurized selling at 53c; 1062 pkgs. No. 1 at 52 5-8c, and 419 pkgs. No. 2 at 52c. Total 1,673 pkgs. Receipts for the week were 16,872 pkgs. compared with 20,668 pkgs. for the same week last year. From May 1st to June 21st, total receipts were 101,073 pkgs. compared with 104,308 pkgs. for the same time last year.

The cheese market has been irregular during the past week. On Wednesday the Peterboro board sold at 30 5-16c. On Thursday at Montreal the Quebec Co-operative Society offered their cheese at auction, but the best bid received was 29 3-4c, and the cheese was withdrawn from sale. On the same day 4,064 boxes of cheese sold at the Brockville board of 31 1-4 f.o.b. factory shipping points, and 150 boxes cool cured at 31 3-4c. On Friday the Quebec Co-operative Society again offered their cheese at Montreal and 5,396 boxes of No. 1 white sold at 30 1-8c, 1,825 boxes of No. 2 white at 29 7-8c. On the same day the Cornwall and Stirling boards sold at 30 1-2c, and Napanee at 30 9-16c. It is evident there has been a better export demand during the past week. We understand that the large multiple shop companies in Great Britain with their big chains of stores, are free buyers of Canadian cheese. These companies buy direct, thus eliminating the fixed wholesale price, and as their turn-over is large and their profit small they can afford to pay for cheese laid down in England very close to the fixed retail price.

TORONTO.—The butter market has been steady and dull all week, with no change in the quotations. No. 1 Ontario creamery realizing 48c, and No. 2 47c, both on Monday and on Friday. On Monday our quotation for large cheese delivered at Toronto was 20c to 30 1-4c, the latter figure for paraffined. On Friday the quotation was advanced to 31 1-2c as there was a good demand and a strong undertone to the market.

GENERAL NOTES.—During the week creamery extras at New York declined about 1 1-2c. On Saturday the quotation for creamery extras was 51 1-2c. On the same day for cheese the New York quotation was 30 3-4c to 31 1-2c for twins.

Sale of butter to the Italian Government reported recently in the press cannot be confirmed. British Ministry of Food, New York, say neither Italian nor French Government have purchased or intend to purchase butter in Canada.

On the 20th it was announced that the British Government had appointed Jas. Alexander Limited, Montreal purchasing agent for Canadian butter this season for export account. The above firm states that it is impossible to secure refrigerator space on vessels at present and until the above available and prices come down to a lower level buying will be curtailed. Meantime they will receive tenders of No. 1 and No. 2 grade creamery butter containing not more than 16 per cent. of moisture and in quantities of 500 boxes, f.o.b., steamer, Montreal.

POSTSCRIPT.—Montreal.—At today's (June 23) auction 385 pkgs. pasteurized sold at 53c; 1135 pkgs. No. 1 at 52 5-8c; 484 pkgs. No. 2 at 51 3-4 Total 2004 pkgs. Cheese, No 1 Ontario 31c to 31 1-4c; No. 1 Quebec, 30 1-4c to 30 1-2c.

J. A. Rudder, Dairy Commissioner. Ottawa, June 23, 1919.

Armstrong, B. C. June 11th, 1919. Minard's Liniment Co., Ltd. Yarmouth, N. S.

Dear Sirs: Since the start of the Baseball season we have been hindered with sore muscles, strained ankles, etc., but just as soon as we started using Minard's Liniment our troubles ended. Every baseball player should keep a bottle of your liniment handy.

ADDRESS AND PRESENTATION

On the evening of July 7th the Trustees on behalf of the ratepayers of Marie met at the home of their teacher Miss Ida Webster, to express their appreciation of her services rendered during the past year.

After spending a very pleasant evening and refreshments having been served, an address was read and presentation made by Mr. Everett Webster. Following is the address.— We the ratepayers of Marie School wish to convey to you our appreciation of the faithful service you have rendered us during the year that you have been in charge of our school.

While your work has been hindered to a large extent on account of sickness, yet we are satisfied that our children have accomplished all that can be desired.

We regret very much that you have decided to discontinue your work with us, but realizing that you have made up your mind to do so, we take the liberty to ask you to accept this small gift as a token of our esteem for the very valuable service you have given us. While the gift in itself is small, yet we trust that you will accept it in the spirit in which it is given.

With best wishes for your future success.

Signed on behalf of the ratepayers, Trustees, FREEMAN BOWLEY, R. JAY, E. W. WEBSTER.

Miss Webster replied very appropriately thanking the trustees and ratepayers for their very generous purse and also for the hearty support they had rendered her during the year.

IN MEMORIAM

MRS. GEORGINA D. MACKINNON

There passed peacefully away at the P. E. Island Hospital, on July 4th, at the age of fifty-eight years, Mrs. Georgina D. MacKinnon, widow of the late Alexander MacKinnon, of New Dominion, after a short illness which was borne with Christian fortitude. The late Mrs. MacKinnon was a daughter of the late John C. MacNeill, of New Dominion, and she shall be greatly missed not only by her relatives but also by the whole community, where she was a general favorite. Deceased was one of the noblest of spirits, kind and cheerful under all circumstances, and a friend to the poor and needy. It may be truly said of her that her life was a sacrificial one, and her busy hands were never idle, but with a self-sacrificing spirit she always worked for others. She made many warm friends by her lovable disposition, for to know her was to love her; and in her daily life she exemplified that she lived as a Christian and one who always walked with her Saviour. During her illness she looked only to her Redeemer, waiting to be called home. Her influence will long be felt in the community in which she lived, and her many acts of charity will long be remembered by those to whom she ministered, while many a friend is grieved for the voice that is forever still.

In her home circle four sisters: Mrs. Nelson Currie, Rocky Point; Mrs. W. H. MacEwen, New Dominion; Catherine and Annie, of Boston, Mass. and one brother, Robert C., of Rocky Point are left to mourn the loss and fondly cherish the memory of a devoted sister. The sympathy of the whole community goes out also to a nephew, Ferdinand R. MacPhee, who always lived with her and who will mourn the loss of a loving and devoted aunt. The funeral took place on Sunday, July 6th at 1 o'clock from her late home to Canoe Cove cemetery, where she was laid beside her late husband who predeceased her twenty-four years. The pall bearers were: John D. MacKinnon, Neil M. MacKenzie, George Wilson, F. A. Stewart, Duncan MacEwen and N. J. MacNeill. (Patriot please copy)

FOR BETTER FLOORS Use this better Polish. Use it on a hardwood floor, a painted floor—and to preserve and polish linoleum or oil-cloth. Use it with the aid of the O-Cedar Polish Mop, which eliminates bending and reaching and gives a lasting lustre with a surprisingly small amount of effort.

O-Cedar Polish gives equally gratifying results on furniture—whether varnished or painted. CHANNELL CHEMICAL COMPANY Limited Toronto

GYPSIES IN THE ARMY

Whoever else may be demobilized quickly, it is unlikely that the many gypsies who are serving in the army will be parted with easily—that is, if commanding officers have any say in the matter.

The genuine Romany is too valued an acquisition to a cavalry regiment, or to any mounted unit like the Army Service Corps or the Royal Horse Artillery, to be parted with lightly. He knows probably quite as much about the ailments of horses as does the average army "vet," more about the best methods of shoeing the tender-footed ones than the farrier-segment, and more about breaking one than the riding master.—Tit-Bits.

Miss Jessie E. Cone of Granville, Mass., has worked for more than 32 years tacking hoops on drums in the Granville drum shops, averaging 2,000 hoops a day. She has used the same hammer all the time and has worn out three handles in the work. After working from 6 a. m. until 5. 30 or 6 in the evening, she goes home and helps her sister on the farm, where besides milking the cow and doing other work, she has raised 25 bushels of potatoes and has dried beans and canned more than 70 jars of vegetables the last year.
